

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Precila Balabbo (“Balabbo”) and Ema Bell (“Bell”) on the one hand, and Gina Concepts, LLC and Gina Group, LLC (“Gina”) on the other. Together, Balabbo, Bell, and Gina are collectively referred to as the “Parties.” Balabbo and Bell are individuals who reside in the State of California, and seek to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Balabbo and Bell allege that Gina is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Balabbo and Bell allege that Gina has exposed individuals to diisodecyl phthalate (DIDP) from its sales of cosmetic bags and ballet slippers without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. DIDP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause reproductive toxicity.

1.3 Product Description. The products covered by this Settlement Agreement are Gina Concepts cosmetic bags, RN# 149273 and Bebe ballet slippers, UPC# 194587509039 (collectively, the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Gina.

1.4 Notices of Violation. On July 9, 2021, Balabbo served Gina, Five Below, Inc. (“Five Below”), and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “July Notice”). On March 18, 2022, Bell served Gina, Bebe Studio, Inc. (“Bebe”), Ross Stores, Inc. (“Ross”), and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “March Notice”). Collectively, the March Notice and July Notice are referred to as the “Notices.” The Notices provided Gina and such others, including public enforcers, with notice that alleged that Gina was in violation of California Health & Safety Code § 25249.6, for failing to warn

California consumers and customers that use of the Products will expose them to DIDP. No public enforcer has diligently prosecuted the allegations set forth in the Notices.

1.5 No Admission. Gina denies the material factual and legal allegations contained in the Notices and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Gina of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Gina of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Gina. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notices, Gina maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: REFORMULATION AND/OR WARNINGS

2.1 Reformulation of Products. As of the Effective Date, and continuing thereafter, Products that Gina directly manufactures, imports, distributes, sells, or offers for sale in California shall either: (a) be Reformulated Products pursuant to § 2.2, below; or (b) be labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 and 2.4, below. For purposes of this Settlement Agreement, a "Reformulated Product" is a Product that is in compliance with the standard set forth in § 2.2, below. The warning requirement set forth in §§ 2.3 and 2.4 shall not apply to any Reformulated Product.

2.2 Reformulation Standard. "Reformulated Products" shall mean Products that contain concentrations less than or equal to 0.1% (1,000 parts per million (ppm)) of DIDP, diisononyl phthalate (DINP), butyl benzyl phthalate (BBP), di-n-butyl phthalate (DBP), di(2-ethylhexyl) phthalate (DEHP), or di-n-hexyl phthalate (DnHP) ("Regulated Phthalates") when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other

methodology utilized by federal or state government agencies for the purpose of determining the phthalate content in a solid substance.

2.3 Clear and Reasonable Warning. As of the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Gina manufacturers, imports, distributes, sells, or offers for sale in California that is not a Reformulated Product. There shall be no obligation for Gina to provide an exposure warning for Products that entered the stream of commerce prior to the Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning.** The "Warning" shall consist of the statement:

⚠ WARNING: This product can expose you to chemicals including di-isodecyl phthalate (DIDP), which is known to the State of California to birth defects or other reproductive harm . For more information go to www.P65Warnings.ca.gov.

(b) **Alternative Warning:** Gina may, but is not required to, use the alternative short-form warning as set forth in this § 2.3(b) ("**Alternative Warning**") as follows:

⚠ WARNING: Reproductive Harm - www.P65Warnings.ca.gov.

(c) Gina may use any form of "safe harbor" warning set forth in Proposition 65 regulations applicable to the Products and the exposures that are adopted at the time it places Products in the stream of commerce.

2.4 A Warning or Alternative Warning provided pursuant to § 2.3 must print the word "**WARNING:**" in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word "**WARNING:**" must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word "**WARNING:**". The **Warning** or **Alternative Warning** shall be affixed to or printed on the Products' packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process, providing that the **Warning** or **Alternative Warning** is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. The

Warning or Alternative Warning may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings.

If Gina sells Products via an internet website to customers located in California, the warning requirements of this Section shall be satisfied if the foregoing warning appears either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same page as the price for the Product; or (c) on one or more web pages displayed to a purchaser prior to purchase during the checkout process. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Product, if the **Warning or Alternative Warning** statement appears elsewhere on the same web page in a manner that clearly associates it with the product(s) to which the warning applies. If Gina has actual knowledge third-party internet websites are selling and/or offering the Products for sale to California consumers, Gina shall provide such sellers with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2.

2.5 Compliance with Warning Regulations. The Parties agree that Gina shall be deemed to be in compliance with this Settlement Agreement by either adhering to §§ 2.3 and 2.4 of this Settlement Agreement or by complying with warning requirements adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") applicable to the Products and the exposures after the Effective Date.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Gina shall pay \$1,500.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Balabbo. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that Balabbo, Bell, and their counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Balabbo, Bell, and their counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Gina shall reimburse Balabbo and Bell's counsel for fees and costs incurred as a result of investigating and bringing this matter to Gina's attention, and negotiating a settlement in the public interest. Within ten (10) days of the Effective Date, Gina shall issue a check payable to "Brodsky & Smith" in the amount of \$20,000.00 for delivery to the address identified in § 3.2(a)(i), above.

5. RELEASE OF ALL CLAIMS

5.1 Release of Gina and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Balabbo, acting on her own behalf, Bell, acting on her own behalf, and Gina, of any violation of Proposition 65 that was or could have been asserted by Balabbo or on behalf of her past and current agents, representatives, attorneys, successors, and/or assigns, Bell or on behalf of her past and current agents, representatives, attorneys, successors,

and/or assigns ("Releasors") for failure to provide warnings for alleged exposures to DIDP from use of the Products, and Releasors hereby release any such claims against Gina and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Gina directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Five Below, Bebe, Ross, and each of their respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the "Releasees"), from all claims for violations of Proposition 65 through the Effective Date based on exposure to DIDP from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Balabbo, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, and Bell, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, hereby covenant not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that they may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical DIDP from use of the Products.

5.2 Gina's Release of Balabbo and Bell. Gina, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Balabbo and Bell, their attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Balabbo, Bell, and/or their attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notices and relating to the Products will develop or be discovered.

Balabbo and Bell, each on behalf of themselves, and Gina, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Balabbo, Bell, and Gina each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Gina with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DIDP from use of the Products.

5.5 Public Benefit. It is Gina's understanding that the commitments it has agreed to herein, and actions to be taken by Gina under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Gina that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Gina failure to provide a warning concerning exposure to DIDP prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Gina is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable

provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Gina shall provide written notice to Balabbo and Bell of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

8. NOTICES
