

# PROPOSITION 65 SETTLEMENT AGREEMENT

## 1. INTRODUCTION

### 1.1 The Parties

This Settlement Agreement (“**Agreement**”) is entered into by and between Keep America Safe and Beautiful (“**KASB**”) and Richpower Industries, Inc. (“**Richpower**”), with KASB and Richpower each individually referred to as a “**Party**” and, collectively, the “**Parties.**” KASB is a California-based non-profit organization proceeding in the public interest pursuant to California Health & Safety Code § 25249.7(d) to ensure that chemicals known to the State of California to cause cancer, birth defects or other reproductive harm are disclosed in or eliminated from consumer products sold in California. KASB alleges Richpower is a person in the course of doing business for purposes of California Health & Safety Code § 25249.11(b).

### 1.2 Consumer Product Description

KASB alleges that Richpower manufactures, imports, sells, and distributes for sale in California hoses containing di-n-butyl phthalate (“**DBP**”) including, but not limited to, *PowerSmith Ash Vacuum Cleaning Kit, Model# PAAC302, ASIN# B00F8C9J80, UPC# 8 91365 00070 1*, without providing the health hazard warning that KASB alleges is required by California Health & Safety Code § 25249.5 *et seq.* (“**Proposition 65**”). Hoses are referred to hereinafter as the “**Products.**” DBP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause reproductive and developmental toxicity.

### 1.3 Notices of Violation

On July 9, 2021, KASB served Richpower, Amazon.com, Inc., the California Attorney General, and the requisite public enforcement agencies with a 60-Day Notice of Violation (“**Notice**”), alleging Richpower violated Proposition 65 by failing to warn its customers and consumers in California that its Products can expose users to DBP. Thereafter, on August 3, 2021, KASB served Richpower, Amazon.com, Inc., Walmart Inc., the California Attorney General, and the requisite public enforcement agencies with a Supplemental 60-Day Notice of

Violation (“**Supplemental Notice**”), alleging Richpower violated Proposition 65 by failing to warn its customers and consumers in California that its Products can expose users to DBP. The Notice and the Supplemental Notice are collectively referred to herein as the “**Notices.**” No public enforcer has commenced and is diligently prosecuting an action to enforce the allegations in the Notices.

#### **1.4 No Admission**

Richpower denies the factual and legal allegations contained in the Notices and maintains that all products it has sold or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Agreement shall constitute or be construed as, nor shall compliance with this Agreement constitute or be construed as, an admission by Richpower of any fact, finding, conclusion of law, issue of law, or violation of law. This section shall not, however, diminish or otherwise affect Richpower’s obligations, responsibilities, and duties under this Agreement.

#### **1.5 Effective Date**

For purposes of this Agreement, “**Effective Date**” shall mean the date upon which this Agreement is fully executed by all parties.

## **2. INJUNCTIVE RELIEF: REFORMULATION OR WARNINGS**

### **2.1 Reformulation Commitment**

Commencing on the Effective Date and continuing thereafter, all Products Richpower manufactures, imports, sells, ships, or distributes for sale in or into California, directly or through one or more third party retailers or e-commerce marketplaces, shall meet the Reformulation Standard for Reformulated Products, as defined by Section 2.2, or be accompanied by a clear and reasonable warning pursuant to Section 2.3.

### **2.2 Reformulation Standard**

For purposes of this Agreement, “Reformulated Products” are defined as Products which, if they contain di(2-ethylhexyl) phthalate (“DEHP”), di-n-butyl phthalate (“DBP”), diisononyl phthalate (“DINP”), butyl benzyl phthalate (“BBP”), di-isodecyl phthalate (“DIDP”)

or di-n-hexyl phthalate (“DnHP”), contain any or all such chemicals each in a maximum concentration of less than 0.1 percent (1,000 parts per million) when analyzed by a laboratory accredited by the State of California, a federal agency, or a nationally recognized accrediting organization. For purposes of compliance with this reformulation standard, testing samples shall be prepared and extracted using Consumer Product Safety Commission (“CPSC”) methodology CPSC-CH-C1001.09.3 and analyzed using U.S. Environmental Protection Agency methodology 8270D, or other methodologies utilized by federal or state government agencies to determine phthalate content in a solid substance.

### **2.3 Clear and Reasonable Warnings**

Commencing on or before the Effective Date, Richpower shall provide clear and reasonable warnings for all Products provided for sale to customers in California in accordance with this Section pursuant to Title 27 California Code of Regulations § 25600, et seq. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use and shall be provided in a manner such that it is clearly associated with the specific Product to which the warning applies.

**(a) Warning.** The Warning shall consist of the following statement:

 **WARNING:** This product can expose you to DBP, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

**(b) Short-Form Warning.** Richpower may, but is not required to, use the following short-form warning as set forth in this subsection 2.3(b) (“**Short-Form Warning**”), and subject to the additional requirements in Sections 2.5 and 2.6, as follows:

 **WARNING:** Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

The Parties agree, should Richpower determine additional chemical endpoints need to be included in either of the above warnings, Richpower may modify the content of such warnings to

address the new chemical, provided the revised warnings comply with title 27 Cal. Code Regs. § 25600 *et seq.*

**(c) Foreign Language Requirement.** Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

## **2.4 Product Warnings**

Richpower shall affix a warning to the Product label or otherwise directly on Products provided for sale to consumers located in California and to customers with retail outlets in California or nationwide distribution. For the purpose of this agreement, “**Product label**” means a display of written, printed or graphic material printed on or affixed to each of the Products or its immediate container or wrapper. A warning provided pursuant to section 2.3(a) or (b) must print the word “**WARNING:**” in all capital letters and in bold font. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except if the labeling does not use the color yellow, the symbol may be in black and white. The entire warning shall appear in at least 6-point type and no smaller than the largest type size used for other consumer information on the Products.

## **2.5 Internet Warnings**

If, after the Effective Date, Richpower sells Products via the internet, through its own website, affiliated websites or a third party website, to consumers located in California or to customers with nationwide distribution and e-commerce websites, Richpower shall provide warnings for each Product both on the Product label in accordance with Section 2.4, and by prominently displaying, or requiring the warning to be prominently displayed on affiliated websites, third party websites or by retail customers, to the consumer during the purchase of the Products without requiring customers to seek out the warning. The warning or a clearly marked hyperlink to the warning using the word “**WARNING**” given in conjunction with the sale of the Products via the internet shall appear either: (a) on the same web page on which the Products are displayed; (b) on the same web page as the virtual cart displaying the Products; (c) on the same

page as the price for the Products; or (d) on one or more web pages displayed to a purchaser during the checkout process. The warning shall appear in any of the above instances adjacent to or immediately following the display, description, or price of the Products for which it is given in the same type size or larger than other consumer information provided for the Products. The internet warning may use the Short-Form Warning content described in Section 2.3(b) if the warning provided on the Product label also uses the Short-Form Warning content.

### **3. MONETARY SETTLEMENT TERMS**

#### **3.1 Initial Civil Penalty**

Pursuant to Health and Safety Code § 25249.7(b), Richpower agrees to pay a civil penalty of \$500 within ten (10) business days of the Effective Date. Richpower's civil penalty payment will be allocated according to Health and Safety Code §§ 25249.12(c)(1) and (d), with seventy-five percent (75%) of the penalty paid to the California Office of Environmental Health Hazard Assessment (“**OEHHA**”), and the remaining twenty-five percent (25%) retained by KASB. Richpower shall issue its payment in two checks made payable to: (a) “**OEHHA**” in the amount of \$375; and (b) “**Keep America Safe and Beautiful**” in the amount of \$125. KASB's counsel shall deliver to OEHHA and KASB their respective portion of the penalty payment.

#### **3.2 Final Waivable Civil Penalty**

Richpower shall pay a second civil penalty of \$2,000. However, the second civil penalty shall be waived in its entirety, if, within thirty (30) days of the Effective Date, an officer of Richpower certifies, to having sent a letter, electronic or otherwise (“**Notification Letter**”) to: (1) each retailer or distributor in California to which it supplied Products between July 9, 2020 and July 9, 2021; and (2) any other retailer or distributor that Richpower reasonably understands or believes has any inventory of Products, which Richpower supplied between July 9, 2018 and July 9, 2021, for sale to consumers in California. The Notification Letter shall advise the recipient that the Products contain DBP, a chemical known to the State of California to cause reproductive and developmental toxicity. The Notification letter shall inform the recipient that

all Products must have a label attached to the packaging of each Product expressly referring to the Product, which contains one of the warning statements in Section 2.3 (a) or Section 2.3 (b), before it is sold in the California market or to a customer in California.

### **3.3 Reimbursement of Attorneys' Fees and Costs**

KASB and its counsel offered to resolve the allegations in the Notices without reaching terms on the amount of reimbursement of attorneys' fees and costs. Shortly after the Parties finalized the other material settlement terms, they negotiated and reached an accord on the amount of reimbursement to be paid to KASB's counsel, under general contract principles and the private attorney general doctrine, codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution and reporting of this Agreement to the Office of the California Attorney General. Within ten (10) days of the Effective Date, Richpower agrees to issue a check in the amount of \$21,000 payable to "Seven Hills LLP" for all fees and costs incurred investigating, bringing this matter to Richpower's attention, negotiating a settlement in the public interest, and reporting its terms to Office of the California Attorney General pursuant to Section 9.

### **3.4 Payments**

All payments payable and due under this Agreement shall be delivered to KASB's counsel at following address:

Seven Hills LLP  
Attn: Kimberly Gates Johnson  
4 Embarcadero Center, Suite 1400  
San Francisco, CA 94111

## **4. CLAIMS COVERED AND RELEASED**

### **4.1 KASB's Release of Richpower**

This Agreement is a full, final and binding resolution between KASB, as an individual and *not* on behalf of the public, and Richpower, of any violation of Proposition 65 that was or could have been asserted by KASB on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, against Richpower, its parents,

subsidiaries, affiliated entities under common ownership including: directors, officers, employees, attorneys, and each entity to whom Richpower directly or indirectly distributes or sells Products, including, but not limited to Amazon, downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (collectively, “**Releasees**”), based on their failure to warn about alleged exposures to DBP contained in the Products that were manufactured, distributed, sold and/or offered for sale by Richpower in California before the Effective Date, as alleged in the Notices.

In further consideration of the promises and agreements herein contained, KASB as an individual and *not* on behalf of the public, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all of KASB’s rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims that KASB may have, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses including, but not exclusively, investigation fees, expert fees, and attorneys’ fees arising under Proposition 65 with respect to DBP in the Products manufactured, distributed, sold and/or offered for sale by Richpower, before the Effective Date (collectively, “**Claims**”), against Richpower and Releasees.

The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Richpower. Nothing in this Section affects KASB’s right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Richpower’s Products.

#### **4.2 Richpower’s Release of KASB**

Richpower, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against KASB and its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by KASB and its attorneys and other representatives, whether in the course

of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.

**5. SEVERABILITY**

If, subsequent to the execution of this Agreement, any provision of this Agreement is deemed by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

**6. GOVERNING LAW**

The terms of this Agreement shall be governed by the laws of the State of California and apply within California. In the event that Proposition 65 is repealed, preempted, or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Richpower may provide KASB with written notice of any asserted change in the law, and shall have no further injunctive obligations pursuant to this Agreement, with respect to, and to the extent that, the Products are so affected. Nothing in this Agreement shall be interpreted to relieve Richpower from its obligation to comply with any pertinent state or federal law or regulation.
