

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and USTOV, Inc. (“USTOV”), on the other hand, with EHA and USTOV each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. USTOV employs ten or more individuals and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that USTOV manufactures, sells, and distributes for sale in California, banana chips that contain Acrylamide and that it does so without first providing the health hazard warning required by Proposition 65. Acrylamide is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm.

1.3 Product Description

The product covered by this Settlement Agreement is defined as, and expressly limited to, Tutubi Banana Chips (“the Product”), that contains Acrylamide and that is manufactured, sold or distributed for sale in California by USTOV.

1.4 Notice of Violation

On August 2, 2021, EHA served USTOV, Lee Supermarket, Inc., the California Attorney General and other requisite public enforcers with a 60-Day Notice of Violation (“Notice”), alleging that USTOV and others violated Proposition 65 when they failed to warn its customers and consumers in California of the health risks associated with exposures to Acrylamide from the Product.

To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently

prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

USTOV denies the material, factual, and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Product, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by USTOV of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by USTOV of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by USTOV. This Section shall not, however, diminish or otherwise affect USTOV's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean ninety (90) days following the execution of this Settlement Agreement by the Parties.

2. INJUNCTIVE RELIEF

2.1 General Warning Requirements

USTOV agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Product shall consist of a warning affixed to the packaging, label, tag, or directly to each Product sold in California by USTOV that contains the following statements:

- 1) **WARNING:** This product can expose you to chemicals including Acrylamide, which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

2) **WARNING: Cancer and Reproductive Harm –**
www.P65Warnings.ca.gov

The warning shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING”. The same warning shall be posted on any websites where the Product is sold in California.

(i) **Changes in Warning Regulations or Statutes**

In the event that the Office of Environmental Health Hazard Assessment or another authorized agency promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, or legislation is enacted by the California legislature, United States Congress or voters with such requirements or permission, or a final order or decision by a United States Federal Court, or State of California Court, revises, changes or dispenses with Proposition 65 warnings for the Product, USTOV shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted, or a pertinent Federal or State court order issued, providing those warnings as to Acrylamide in this product are no longer required, a lack of warning by USTOV will not thereafter be a breach of this Agreement.

2.2 Grace Period for Existing Inventory of Products

The injunctive requirements of Section 2 shall not apply to Products that are already in the stream of commerce as of the Effective Date., which Products are expressly subject to the releases provided in Section 4.1.

3. MONETARY SETTLEMENT TERMS

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, USTOV agrees to pay three thousand dollars (\$3,000.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining

4. CLAIMS COVERED AND RELEASED

4.1 EHA’s Release of USTOV

This Settlement Agreement is a full, final, and binding resolution of all claims under Proposition 65 between EHA, on its own behalf and not on behalf of the public, and USTOV of any violation of Proposition 65 that was or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against USTOV and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, each upstream entity from whom the Product was purchased by USTOV, and each entity to whom USTOV directly or indirectly distributes or sells the Product, including, but not limited to, its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees (“Releasees”), based on the failure to warn about exposures to Acrylamide required under Proposition 65 in the Product manufactured, sold or distributed for sale in California by USTOV before the Effective Date, as alleged in the Notice.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or

participate in, directly or indirectly, any form of legal action and releases all claims against USTOV and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to Acrylamide required under Proposition 65 in the Product manufactured, distributed, sold or offered for sale by USTOV, before the Effective Date.

4.2 USTOV's Release of EHA

USTOV, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Product.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Product will develop or be discovered. EHA on behalf of itself only, on one hand, and USTOV on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining

provisions shall not be adversely affected.
