

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Gabriel Espinoza (“Espinoza”) and Donatus McCoy (“McCoy”, collectively with Espinoza the “Enforcers”) on the one hand and Turner’s Outdoors, Inc. (“Turner’s”) on the other. Together, Enforcers and Turner’s are collectively referred to as the “Parties”. Enforcers are individuals who reside in the State of California, and seek to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Enforcers allege that Turner’s is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Enforcers allege that Turner’s has exposed individuals to the chemicals di(2-ethylhexyl) phthalate (DEHP) and diisononyl phthalate (DINP) from its sales of Danielson Jumbo Canvas Creels, Turner’s Outdoorsman reel covers, and/or G.P.S storage systems, without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. DEHP and DINP are listed pursuant to Proposition 65 as a chemicals known to the State of California to cause cancer. DEHP is also know to cause reproductive toxicity.

1.3 Product Description. The products covered by this Settlement Agreement are Danielson Jumbo Canvas Creels, Turner’s Outdoorsman (a) reel covers, and (b) G.P.S storage systems (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Turner’s.

1.4 Notices of Violation. On October 29, 2018, Espinoza served Turner’s, The Danielson Company, Danielson N.W. Company aka The Danielson Company, Maurice Sporting Goods, LLC, Andrews Sporting Goods, Inc., Andrews Sporting Goods, Inc. dba Turner’s Outdoorsman and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Espinoza Notice”). The Espinoza Notice provided Turner’s and such others, including public enforcers, with notice that alleged that Turner’s was in violation of

California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Danielson Jumbo Canvas Creels will expose them to DEHP.

On August 9, 2021 (reel cover), and on August 10, 2021 (G.P.S.) McCoy served Turner's Operations, Inc., Turner's Outdoors, Inc., Good Sportsman Marketing, LLC, GSM, LLC, G Outdoors and various public enforcement agencies with documents entitled "Notice of Violation of California Health & Safety Code § 25249.6, et seq." (collectively, the "McCoy Notices"). The McCoy Notices provided Turner's and such others, including public enforcers, with notice that alleged that Turner's was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Turner's Outdoorsman reel covers will expose them to DINP, and use of the G.P.S storage systems will expose them to DEHP.

The Espinoza Notice and the McCoy Notices are collectively referred to as the "Notices".

No public enforcer has diligently prosecuted the allegations set forth in the Notices.

1.5 No Admission. Turner's and others named herein deny the material factual and legal allegations contained in the Notices and maintains that, to the best of their knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Turner's or others of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Turner's or others of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Turner's and others. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Turner's others maintain that it has not knowingly manufactured or distributed, or caused to be manufactured, or distributed the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: WARNINGS

The warning shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process, providing that the warning is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. The warning may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings.

The Parties thereafter reached an accord on the compensation due to Enforcers and their counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Turner's shall reimburse Enforcers' counsel for fees and costs incurred as a result of investigating and bringing this matter to Turner's attention, and negotiating a settlement in the public interest. 5. RELEASE OF ALL CLAIMS

5.1 Release of Turner's and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Enforcers, acting on their own behalf, and Turner's, of any violation of Proposition 65 that was or could have been asserted by Enforcers or on behalf of their past and current agents, representatives, attorneys, successors, and/or assigns ("Releasers") for failure to provide warnings for alleged exposures to DEHP and/or DINP from use of the Products, and Releasers hereby release any such claims against Turner's and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Turner's directly or indirectly distributes or sells the Products, including but not limited to, upstream or downstream distributors, wholesalers, customers, retailers, including but not limited to Turner's, and its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the "Releasees"), from all claims for violations of Proposition 65 through the Effective Date for the Products that could have been brought pursuant to the Notices.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Enforcers, on behalf of themselves, their past and current

agents, representatives, attorneys, successors and/or assignees, hereby covenant not to sue and waive any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that they may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical DEHP and/or DINP from use of the Products.

5.2 Turner's Release of Enforcers. Turner's, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Enforcers, their attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Enforcers and/or their attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Enforcers on behalf of themselves only, on one hand, and Turner's, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Enforcers and Turner's each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Turner's with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DEHP and/or DINP from use of the Products.

5.5. Public Benefit. It is Turner's understanding that the commitments it has agreed to herein, and actions to be taken by Turner's under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Turner's that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Turner's failure to provide a warning concerning exposure to DEHP and/or DINP prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Turner's is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Turner's shall provide written notice to Enforcers of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

8. NOTICES

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any party by the other party to the following addresses:

9. COUNTERPARTS: SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or .pdf signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

Enforcers agrees to comply with the reporting requirements referenced in Health & Safety Code § 25249.7(f).
