

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 This Settlement Agreement (“Agreement” or “Settlement Agreement”) is entered into by and between Ecological Rights Foundation (“ERF”) and Wodstyle LLC (“Wodstyle”), collectively referred to as the “Parties.”

1.2 On August 30, 2021 ERF served Walmart Inc. (“Walmart”) and various public enforcement agencies with Notice of Violations of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health and Safety Code Sections 25249.5, et seq. (“Proposition 65”), California Proposition 65 Notice No. 2021-02147 (“Notice”) alleging that Walmart violated Proposition 65 by failing to give clear and reasonable warnings to those residents of California who use 3D pens utilizing filaments incorporating a styrene monomer which Wodstyle has manufactured, imported, distributed, marketed, and/or sold (“3D pens”). No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.3 Wodstyle enters into this Settlement Agreement on behalf of Walmart, with whom such Wodstyle has a contract for the Covered Products, defined in Section 1.6 *infra*, which contains indemnity and defense clauses. Wodstyle is accepting any alleged liability for Walmart related to its sale, manufacturer or distribution of the Covered Products.

1.4 On November 5, 2021, ERF filed suit against Walmart in San Francisco Superior Court Case No. CGC-21-596389 (“Complaint”).

1.5 ERF alleges that Wodstyle through Walmart has manufactured, imported, distributed, marketed, and/or sold in the State of California Wodstyle 3D pens capable of utilizing filaments incorporating a styrene monomer, including acrylonitrile-butadiene-styrene (ABS) filaments, polycarbonate ABS (PC-ABS) filaments, and high impact polystyrene (HIPS) filaments. ERF contends that when California residents use Wodstyle 3D pens with the above identified filaments they are exposed to styrene, a chemical known to the State of California to cause cancer.

1.6 For purposes of this Settlement Agreement, “Covered Products” means the following specific Wodstyle products: 3DPen-2 and 3DPen-II, including but not limited to SKU: FH030210101 and/or UPC 0068354636770.

1.7 Wodstyle denies the allegations in the Notice and Complaint, but enters into this Agreement for the purpose of resolving the claims and avoiding litigation. ERF alleges that Covered Products manufactured, imported, distributed, marketed or sold by Wodstyle release Styrene into the air. ERF further alleges that people using the Covered Products, and others standing in the same room, inhale styrene in the normal course of use. Pursuant to Health and Safety Code Section 25249.8, Styrene is a chemical known to the State of California to cause cancer. ERF alleges that Covered Products manufactured, distributed or sold by Wodstyle for use in California require a warning under Proposition 65, pursuant to Health and Safety Code section 25249.6.

1.8 This Settlement Agreement resolves claims that are denied and disputed. ERF and Wodstyle enter into this Settlement Agreement pursuant to a full and final settlement of any and all claims for failure to provide Proposition 65 warnings for alleged exposure to styrene from use of the Covered Products. Nothing in this Settlement Agreement shall be construed as an admission by Wodstyle of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Wodstyle of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Wodstyle. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of any party under this Agreement.

1.9 The term “Effective Date” means the date that this Agreement is fully executed by ERF and Wodstyle.

2. INJUNCTIVE RELIEF

2.1 Warning Statements for Covered Products

(a) No later than the Effective Date, Wodstyle shall ensure that all Covered Products

manufactured, imported, distributed, marketed or offered for sale in California shall include the following warning statement with the Covered Product as set forth below:

 **WARNING:** This 3D Pen - when used with a styrene filament (ABS / HIPS / or PC-ABS) - can expose you and others in the same room to styrene, a chemical known to the State of California to cause cancer. www.P65Warnings.ca.gov.

ALWAYS OPERATE THIS PRODUCT IN A WELL-VENTILATED AREA.

(b) The Section 2.1(a) warning statement is to be affixed to or printed on the Covered Products and their packaging, and printed in the Covered Products' instruction booklets – if any.

(c) For any Covered Product that is sold by Wodstyle on the internet to persons located in California, within 14 days of the Effective Date, Wodstyle shall include the Section 2.1(a) warning statement on each Covered Product's display page maintained or controlled by Wodstyle such that the display page clearly associates the warning with the specific Covered Product being purchased. Further, Wodstyle will recommend the Releasees, as defined *infra*, provide such online warning statement on each Covered Product's display page such that it clearly associates the warning with the specific Covered Product being purchased.

(d) The warning statement shall be displayed with such conspicuousness, as compared with other words, statements, designs, or devices as to render them likely to be read and understood by an ordinary individual under customary conditions of purchase or use. The type size of the warning must be legible, and no smaller than any other warning provided with the Covered Products, and in no case less than twelve (12) point on the Covered Products, their packaging and in any printed instruction booklets. The words "WARNING" and "ALWAYS USE THIS PRODUCT IN A WELL-VENTILATED AREA" shall be in upper case letters and bold as in Section 2.1(a) above. The warning symbol to the left of the word "WARNING" must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign, label, or booklet for the Products does not use the color yellow, the symbol may be in black and white.

2.2. Sell-Through for Existing Inventory

The injunctive requirements of Section 2.1 shall not apply to any Covered Products already in the stream of commerce on or before the Effective Date.

2.3 Notice to Downstream Releasees

No later than 14 days following the Effective Date, Wodstyle shall provide notice by mail on its letterhead to all its retailers and Releasees of the Covered Products in California during the past three year as follows:

This letter is sent as a notice and warning that your California sales inventory may include the Wodstyle 3DPen-2 and 3DPen-II, including but not limited to SKU: FH030210101 and/or UPC 0068354636770 which may expose users to Styrene, a chemical known to the State of California to cause cancer.

The notice provided by Wodstyle pursuant to this section shall also instruct its Releasees that they must attach stick-on labels to the front of Covered Products in the inventory of Releasee. The stick-on labels provided by Wodstyle shall comply with Section 2.1 above. Wodstyle shall provide such stick-on labels in sufficient quantity and for sufficient duration to meet the inventory needs of each Releasee.

3. REIMBURSEMENT OF FEES AND COSTS

3.1 Attorneys' Fees and Litigation Costs

Pursuant to Health and Safety Code section 25249.7(b)(2), Wodstyle shall reimburse ERF's counsel for \$6,000.00 in ERF's fees and costs incurred as a result of investigating and bringing this matter to Wodstyle's attention, and negotiating a settlement in the public interest. The payment shall be made via wire transfer to Brian Gaffney Attorney Client Trust Account and sent no later than fourteen (14) days after the Effective Date.

3.2 Civil Penalties and Payments In Lieu of Penalties

Pursuant to Health and Safety Code section 25249.7(b)(2), Wodstyle shall pay \$400.00 in civil penalties. The payment shall be made via wire transfer to Brian Gaffney Attorney Client Trust Account and sent no later than fourteen (14) days after the Effective Date. The penalty payment will be allocated in accordance with California Health and Safety Code section

25249.12(c)(1) & (d), with 75% of the penalty amount (\$262.50) remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount (\$87.50) paid to Ecological Rights Foundation.

4. RELEASE OF ALL CLAIMS

4.1 Release of Wodstyle

ERF acting on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors and/or assignees (all of whom, collectively, are defined as the “ERF Releasers”), releases Wodstyle, Walmart, and each of their parents, subsidiaries, assigns, predecessors, successors, affiliated entities, members, marketplaces, directors, officers, agents, employees, insurers, and attorneys, each entity to whom Wodstyle directly or indirectly distributes or sells the Covered Products, including, but not limited to, downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, all other downstream entities in the distribution chain, and the predecessors, successors, affiliates, and assigns of any of the foregoing in this paragraph (collectively, the “Releasees”), from all claims raised in the Notice through the Effective Date based on alleged failure to provide Proposition 65 warnings for alleged exposures to styrene from use of the Covered Products. This settlement is a full, final, and binding resolution of all claims that were asserted in the Notice alleging failure to provide Proposition 65 warnings in connection with alleged exposures to styrene from use of the Covered Products.

In further consideration of the promises and agreements herein contained, and for the payment to be made pursuant to Section 3, above, the ERF Releasers acting on behalf of themselves alone and not in the public interest, provide a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys’ fees, damages, losses, claims, liabilities, and demands against Wodstyle or any of the Releasees of any nature, character, or kind, limited to and arising out claims that were asserted based on the Notice for failure to provide Proposition 65 warnings for

the alleged exposure to styrene from use of the Covered Products.

4.2 Wodstyle's Release of ERF and ERF Releasors

Wodstyle, on behalf of itself, and its Releasees hereby waives any and all claims against ERF and the ERF Releasors, for any and all actions taken or statements made by ERF and/or the ERF Releasors, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65, against Wodstyle in this matter with respect to the Covered Products.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. ERF on behalf of itself only, on one hand, and Wodstyle, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims in the Notice and relating to the Covered Products up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

ERF and Wodstyle each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code section 1542.

4.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Wodstyle with this Agreement constitutes compliance with Proposition 65 with respect to exposure to styrene from use of the Covered Products.

5. SEVERABILITY

If, subsequent to the execution of this Agreement, any of the provisions of this Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected.

6. GOVERNING LAW

The terms of this Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Covered Products, or in the event there is a Safe Use Determination or other demonstrated or recognized exemption to/from the Proposition 65 warning requirements for styrene as to the Covered Products, and Wodstyle ceases to provide a Proposition 65 warning statement or equivalent on a Covered Product as a result of any such event, Wodstyle shall provide written notice to ERF of any asserted change in the law or their warning obligation, and shall have no further obligations pursuant to this Agreement with respect to, and to the extent that, a Covered Product is so affected.

7. AGREEMENT

This Settlement Agreement contains the sole and entire agreement and understanding of the Parties with respect to the entire subject matter hereof and any and all prior discussions, negotiations, commitments and understandings related hereto. No representations, oral or otherwise, express or implied, other than those contained herein have been made by the Parties hereto. No other agreements not specifically referred to herein, oral or otherwise, shall be deemed to exist or to bind any of the Parties.

8. NOTICES

8.1 Notice of Alleged Violation of this Agreement

In the event that a dispute arises with respect to any of the provisions of this Agreement, the Parties shall meet and confer within 14 days after either Party receives written notice of an alleged violation of this Agreement.
