

SETTLEMENT AND RELEASE AGREEMENT

1. **INTRODUCTION**

1.1. **Ecological Alliance, LLC and Momentum Brands, Inc.**

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Momentum Brands, Inc. ("Momentum"), on the other hand, with Ecological and Momentum collectively referred to as the "Parties."

1.2. **General Allegations**

Ecological alleges that Momentum manufactured and/or distributed and/or offered for sale in the State of California building block backpacks containing Di(2-ethylhexyl)phthalate [DEHP], and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. **Product Description**

The products that are covered by this Settlement Agreement are defined as building block backpacks containing Di(2-ethylhexyl)phthalate [DEHP], that Momentum has manufactured, sold, offered for sale, or distributed in California. All such items shall be referred to herein as the "Products."

1.4. **Notice of Violation**

On August 31, 2021, Ecological served Momentum, 99 Cents Only Stores LLC, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation" ("Notice") that provided Momentum and such public enforcers with notice that Momentum was

allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Momentum's compliance with Proposition 65. Specifically, Momentum denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Momentum of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Momentum of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Momentum. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Momentum under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. **INJUNCTIVE RELIEF: WARNING**

2.1. **Warning and Reformulation Requirements**

Within 90 days of the Effective Date, Products shall either be (1) accompanied by a warning as described in Section 2.2 below, or (2) reformulated to contain no more than 1,000 parts per million of DEHP. The warning and reformulation requirements shall apply only to Products that are distributed, marketed, sold, or shipped for sale in the State of California. Products with less than 1,000 parts per million DEHP shall be considered compliant with Proposition 65. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Momentum places into the stream of commerce within 90 days of the Effective Date.

2.2. **Warning Language**

Where required, Momentum shall provide Proposition 65 warnings as follows:

- (a) Momentum may use any of the following warning statements in full compliance with this Section:
 - (1) **WARNING:** This product can expose you to chemicals including DEHP, a chemical known to the State of California to cause cancer and birth defects or other reproductive harm. For more info go to www.P65Warnings.ca.gov.
 - (2) **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.ca.gov.
- (b) If Momentum elects to use the warning statements identified in either 2.2(a)(1) or (2), it shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign,

label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP should no longer be required, Momentum shall have no further obligations pursuant to this Settlement Agreement.

(e) In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Momentum shall be entitled to use, at their discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Momentum shall pay a total of \$500 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological.

Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Momentum shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Momentum's attention. Momentum shall pay Ecological's counsel \$9,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ecological, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives all

rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims relating to the Products, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively "Claims"), against (a) Momentum, (b) each of Momentum's downstream distributors (including but not limited to, 99 Cents Only Stores, LLC, and its parents, subsidiaries, and affiliates), wholesalers, vendors, licensors, licensees, auctioneers, retailers, franchisees, dealers, shareholders, cooperative members, customers, owners, purchasers, users, (c) all persons and entities from whom Momentum obtains the Products, including but not limited to Holiton Company, Ltd. and any other manufacturers, suppliers, distributors, wholesalers, and licensors, and (d) Momentum's parent companies, corporate affiliates, subsidiaries, and their respective officers, directors, attorneys, representatives, shareholders, agents, and employees, and sister and parent entities (all of the foregoing collectively "Releasees").

Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS
WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT**

TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.
