

PROPOSITION 65 SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties

This Settlement Agreement (“**Agreement**”) is entered into by and between Keep America Safe and Beautiful (“**KASB**”) and LumiSource, LLC (“**LumiSource**”), with each individually referred to as a “**Party**” and, collectively, the “**Parties.**” KASB is a California-based non-profit organization proceeding in the public interest pursuant to California Health & Safety Code § 25249.7(d) to ensure that chemicals known to the State of California to cause cancer, birth defects or other reproductive harm are disclosed in or eliminated from consumer products sold in California. KASB alleges LumiSource is a person in the course of doing business for purposes of California Health & Safety Code § 25249.11(b).

1.2 Consumer Product Description

KASB alleges that LumiSource manufactures, imports, sells, and distributes for sale in California faux leather upholstery products containing di(2-ethylhexyl) phthalate (“**DEHP**”) including, but not limited to, *May Contemporary Ottoman-LumiSource, UPC# 6 81144 10574 7; TCIN# 81529985, Item# 81529985*, without providing the health hazard warning that KASB alleges is required by California Health & Safety Code § 25249.5 *et seq.* (“**Proposition 65**”). Faux leather upholstery products are referred to hereinafter as the “**Products.**” DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause birth defects and reproductive harm.

1.3 Notice of Violation

On September 3, 2021, KASB served LumiSource, Target Corporation, the California Attorney General, and the requisite public enforcement agencies with a 60-Day Notice of Violation (“**Notice**”), alleging LumiSource violated Proposition 65 by failing to warn its customers and consumers in California that its Products can expose users to DEHP. No public

enforcer has commenced and is diligently prosecuting an action to enforce the allegations in the Notice.

1.4 No Admission

LumiSource denies the factual and legal allegations contained in the Notice and maintains that all products it has sold or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Agreement shall constitute or be construed as, nor shall compliance with this Agreement constitute or be construed as, an admission by LumiSource of any fact, finding, conclusion of law, issue of law, or violation of law. This section shall not, however, diminish or otherwise affect LumiSource's obligations, responsibilities, and duties under this Agreement.

1.5 Effective Date

For purposes of this Agreement, "**Effective Date**" shall mean August 27, 2022.

2. INJUNCTIVE RELIEF: REFORMULATION OR WARNINGS

2.1 Reformulation Commitment

Commencing on October 27, 2022 and continuing thereafter, all Products LumiSource manufactures, imports, sells, ships, or distributes for sale in or into California, directly or through one or more third party retailers or e-commerce marketplaces, shall meet the Reformulation Standard for Reformulated Products, as defined by Section 2.2, or be accompanied by a clear and reasonable warning pursuant to Section 2.3.

2.2 Reformulation Standard

For purposes of this Agreement, "Reformulated Products" are defined as Products which, if they contain di(2-ethylhexyl) phthalate ("DEHP"), contain such chemical in a maximum concentration of less than 0.1 percent (1,000 parts per million) when analyzed by a laboratory accredited by the State of California, a federal agency, or a nationally recognized accrediting organization. For purposes of compliance with this reformulation standard, testing samples shall be prepared and extracted using Consumer Product Safety Commission ("CPSC") methodology CPSC-CH-C1001.09.3 and analyzed using U.S. Environmental Protection Agency

methodology 8270D, or other methodologies utilized by federal or state government agencies to determine phthalate content in a solid substance.

2.3 Clear and Reasonable Warnings

Commencing on or before the October 27, 2022, LumiSource shall provide clear and reasonable warnings for all Products provided for sale to customers in California in accordance with this Section pursuant to Title 27 California Code of Regulations § 25600, et seq. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use and shall be provided in a manner such that it is clearly associated with the specific Product to which the warning applies.

(a) Warning. The Warning shall consist of one of the following statements:

 **WARNING:** This product can expose you to chemicals including DEHP, which are known to the State of California to cause cancer or birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/furniture

OR

(b) Short-Form Warning. LumiSource may, but is not required to, use the following short-form warning as set forth in this subsection 2.3(b) (“**Short-Form Warning**”), and subject to the additional requirements in Sections 2.5 and 2.6, as follows:

 **WARNING:** Reproductive Harm - www.P65Warnings.ca.gov.

(c) Foreign Language Requirement. Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than

English, the warning must also be provided in the other language(s) in addition to English.

2.4 Product Warnings

LumiSource shall affix a warning to the Product label or otherwise directly on Products provided for sale to consumers located in California and to customers with retail outlets in California or nationwide distribution. For the purpose of this agreement, “**Product label**” means a display of written, printed or graphic material printed on or affixed to each of the Products or its immediate container or wrapper. A warning provided pursuant to section 2.3(a) or (b) must print the word “**WARNING:**” in all capital letters and in bold font. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except if the labeling does not use the color yellow, the symbol may be in black and white. The entire warning shall appear in at least 6-point type and no smaller than the largest type size used for other consumer information on the Products.

2.5 Internet Warnings

If, after October 27, 2022, LumiSource sells Products via the internet, its own websites, affiliated websites or a third party website, to consumers located in California or to customers with nationwide distribution and e-commerce websites, LumiSource shall provide warnings for each Product both on the Product label in accordance with Section 2.4, and by prominently displaying, or requiring the warning to be prominently displayed on affiliated websites, third party websites or by retail customers, to the consumer during the purchase of the Products without requiring customers to seek out the warning. The warning or a clearly marked hyperlink to the warning using the word “**WARNING**” given in conjunction with the sale of the Products via the internet shall appear either: (a) on the same web page on which the Products are displayed; (b) on the same web page as the virtual cart displaying the Products; (c) on the same page as the price for the Products; or (d) on one or more web pages displayed to a purchaser during the checkout process. The warning shall appear in any of the above instances adjacent to or immediately following the display, description, or price of the Products for which it is given in

the same type size or larger than other consumer information provided for the Products. The internet warning may use the Short-Form Warning content described in Section 2.3(b) if the warning provided on the Product label also uses the Short-Form Warning content.

2.6 Customer Notification

No later than the October 27, 2022, LumiSource shall send a letter, electronic or otherwise (“**Notification Letter**”) to: (1) each retailer or distributor in California to which it supplied Products between September 3, 2020 and September 3, 2021; and (2) any other retailer or distributor that LumiSource reasonably understands or believes has any inventory of Products, which LumiSource supplied between September 3, 2020 and September 3, 2021, for sale to consumers in California. The Notification Letter shall advise the recipient that the Products contain DEHP, a chemical known to the State of California to cause birth defects or other reproductive harm. The Notification letter shall inform the recipient that all Products must have a label attached to the packaging of each Product expressly referring to the Product, which contains one of the warning statements in Section 2.3 (a) or Section 2.3 (b), before it is sold in the California market or to a customer in California.

2.7 Compliance with Warning Requirements

LumiSource may comply with the warning requirements of this Section by any other means authorized pursuant to Health and Safety Code 25249.5 *et seq.* and/or by adhering to the safe harbor guidelines published by the Office of Environmental Health Hazard Assessment as set forth in Title 27, Div. 4, Chap. 1, Ar. 6 of the California Code of Regulations, commencing at § 25600 *et seq.* and as may be amended from time to time.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty

Pursuant to Health and Safety Code § 25249.7(b), LumiSource agrees to pay a civil penalty of \$2,500 within five (5) business days of the Effective Date. LumiSource’s civil penalty payment will be allocated according to Health and Safety Code §§ 25249.12(c)(1) and

(d), with seventy-five percent (75%) of the penalty paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”), and the remaining twenty-five percent (25%) retained by KASB. LumiSource shall issue payment in two checks made payable to: (a) “OEHHA” in the amount of \$1,875; and (b) “Keep America Safe and Beautiful” in the amount of \$625. KASB’s counsel shall deliver to OEHHA and KASB their respective portion of the penalty payment.

3.2 Reimbursement of Attorneys’ Fees and Costs

KASB and its counsel offered to resolve the allegations in the Notice without reaching terms on the amount of reimbursement of attorneys’ fees and costs. Shortly after the Parties finalized the other material settlement terms, they negotiated and reached an accord on the amount of reimbursement to be paid to KASB’s counsel, under general contract principles and the private attorney general doctrine, codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution and reporting of this Agreement to the Office of the California Attorney General. Within five (5) business days of the Effective Date, LumiSource agrees to issue a check in the amount of \$20,000 payable to “Seven Hills LLP” for all fees and costs incurred investigating, bringing this matter to LumiSource’s attention, negotiating a settlement in the public interest, and reporting its terms to Office of the California Attorney General pursuant to Section 9.

3.3 Payments

All payments payable and due under this Agreement shall be delivered to KASB’s counsel at following address:

4. CLAIMS COVERED AND RELEASED

4.1 KASB's Release of LumiSource

This Agreement is a full, final and binding resolution between KASB on the one hand, as an individual and *not* on behalf of the public, and LumiSource on the other hand, of any violation of Proposition 65 that was or could have been asserted by KASB on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, against LumiSource, its parents, subsidiaries, affiliated entities under common ownership including: directors, officers, employees, attorneys, and each entity to whom LumiSource directly or indirectly distribute or sell Products, including, but not limited to, downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (collectively, "**Releasees**"), based on their failure to warn about alleged exposures to DEHP contained in the Products that were manufactured, distributed, sold and/or offered for sale by LumiSource in California before October 27, 2022, as alleged in the Notice.

In further consideration of the promises and agreements herein contained, KASB as an individual and *not* on behalf of the public, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all of KASB's rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims that KASB may have, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses including, but not exclusively, investigation fees, expert fees, and attorneys' fees arising under Proposition 65 with respect to DEHP in the Products manufactured, distributed, sold and/or offered for sale by LumiSource, before October 27, 2022 (collectively, "**Claims**"), against LumiSource, and Releasees.

The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to LumiSource.

Nothing in this Section affects KASB's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve LumiSource's Products.

4.2 LumiSource's Release of KASB

LumiSource, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waive any and all claims against KASB and its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by KASB and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.

5. SEVERABILITY

If, subsequent to the execution of this Agreement, any provision of this Agreement is deemed by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

6. GOVERNING LAW

The terms of this Agreement shall be governed by the laws of the State of California and apply within California. In the event that Proposition 65 is repealed, preempted, or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then LumiSource may provide KASB with written notice of any asserted change in the law, and shall have no further injunctive obligations pursuant to this Agreement, with respect to, and to the extent that, the Products are so affected. Nothing in this Agreement shall be interpreted to relieve LumiSource from its obligation to comply with any pertinent state or federal law or regulation.
