

## SETTLEMENT AGREEMENT

### 1. INTRODUCTION

**1.1 The Parties.** This Settlement Agreement is entered into by and between Donatus McCoy ("**McCoy**") and Jack's Surf & Sport, LLC ("**Jack's**"). Together, McCoy and Jack's are collectively referred to as the "Parties." McCoy is an individual who resides in the State of California, and he asserts that he seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. McCoy alleges that Jack's is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. ("Proposition 65").

**1.2 General Allegations.** McCoy alleges that Jack's has exposed individuals to the chemical di(2-ethylhexyl) phthalate ("**DEHP**") from its sales of Jack's Surfboards bag without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and reproductive toxicity.

**1.3 Product Description.** The products covered by this Settlement Agreement are Jack's Surfboards bag (the "**Products**") that have been imported, distributed, offered for sale and/or sold in California by Jack's.

**1.4 Notice of Violation.** On September 13, 2021, McCoy served Jack's, and various public enforcement agencies with a document entitled "Notice of Violation of California Health & Safety Code § 25249.6, et seq." (the "**Notice**"). The Notice provided Jack's and such others, including public enforcers, with notice that alleged that Jack's was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to DEHP. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

**1.5 No Admission.** Jack's denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws.

Nothing in this Settlement Agreement shall be construed as an admission by Jack's of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Jack's of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Jack's. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Jack's maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

**1.6 Effective Date.** For purposes of this Settlement Agreement, the term "**Effective Date**" shall mean sixty (60) days following the date this Agreement is last executed by the Parties.

## **2. INJUNCTIVE RELIEF: WARNINGS**

**2.1 Reformulation of Products.** Commencing on the Effective Date, and continuing thereafter, Products that Jack's directly manufactures, imports, distributes, sells, or offers for sale in California shall either: (a) be Reformulated Products pursuant to § 2.2, below; or (b) be labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 and 2.4, below. For purposes of this Settlement Agreement, a "**Reformulated Product**" is a Product that is in compliance with the standard set forth in § 2.2, below. The warning requirement set forth in §§ 2.3 and 2.4 shall not apply to any Reformulated Product.

**2.2 Reformulation Standard.** "Reformulated Products" shall mean Products that contain concentrations less than or equal to 0.1% (1,000 parts per million (ppm)) of DEHP when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining the phthalate content in a solid substance.

**2.3 Clear and Reasonable Warning.** Commencing on the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Jack's manufacturers, imports, distributes, sells, or offers for sale in California that is not a Reformulated Product. There shall be no obligation for Jack's to provide an exposure

warning for, or reformulate, Products that entered the stream of commerce, including but not limited to Products that arrived at, or being shipped to, Jack's distribution centers prior to the Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning.** The "Warning" shall consist of the statement:

 **WARNING:** This product can expose you to chemicals including di(2-ethylhexyl) phthalate (DEHP), which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(b) **Alternative Warning:** Jack's may, but is not required to, use the alternative short-form warning as set forth in this § 2.3(b) ("**Alternative Warning**") as follows:

 **WARNING:** Cancer and Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(c) Jack's may use any form of "Safe Harbor" warning language included in Proposition 65 regulations that may be adopted in the future at that time it places any of the Products in the stream of commerce.

**2.4** A **Warning** or **Alternative Warning** provided pursuant to § 2.3 must print the word "**WARNING:**" in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word "**WARNING:**" must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word "**WARNING:**". The warning shall be affixed to or printed on the Products' packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process, providing that the warning is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. The warning may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings.

If Jack's sells Products via an internet website to customers located in California, and the products are shipped to an address in the State of California ("**California Purchaser**"), the warning

requirements of this section shall be satisfied if the foregoing warning appears either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same web page where the price of the Product is displayed; or (c) on one or more web pages displayed to a California Purchaser prior to purchase during the checkout process. Alternatively, the foregoing warning may be provided by including a clearly marked hyperlink using the word “**WARNING**” on the Product display page, hyperlinked to the full foregoing warning. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Product, if the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the Product(s) to which the warning applies.

**2.5 Compliance with Warning Regulations.** The Parties agree that Jack’s shall be deemed to be in compliance with this Settlement Agreement by either adhering to §§ 2.3 and 2.4 of this Settlement Agreement or by complying with warning requirements adopted by the State of California’s Office of Environmental Health Hazard Assessment (“**OEHHA**”) after the Effective Date.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, Jack’s shall pay \$500.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to McCoy. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below.

#### **4. REIMBURSEMENT OF FEES AND COSTS**

The Parties acknowledge that McCoy and his counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to McCoy and his counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Jack’s shall reimburse McCoy’s counsel for fees and costs incurred as a result of investigating and bringing this matter to Jack’s attention, and negotiating a settlement in the public interest. Within thirty (30) days of the Effective Date, Jack’s shall issue a check payable to “Brodsky & Smith” in the amount of \$15,000.00 for delivery to the address identified in § 3.2(a)(i), above.

#### **5. RELEASE OF ALL CLAIMS**

**5.1 Release of Jack’s and Upstream Suppliers and Downstream Customers and Entities.** This Settlement Agreement is a full, final and binding resolution between McCoy, acting on his own behalf, and Jack’s, of any violation of Proposition 65 that was or could have been asserted by McCoy or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns (“**Releasors**”) for failure to provide warnings for alleged exposures to DEHP from use of the Products, and Releasors hereby release any such claims against Jack’s and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, each upstream entity from whom the Products were purchased, and each entity to whom Jack’s directly or indirectly distributes or sells the Products, including but not limited to, licensors, upstream suppliers, downstream distributors, wholesalers, customers, retailers, including but not limited to Jack’s, Jacks Garage, LLC, Jacks Girls, LLC and Surfers Outlet, LLC , and their

respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the “**Releasees**”), from all claims for violations of Proposition 65 through the Effective Date for the Products based on any and all alleged violations of Proposition 65, including but not limited to exposure to DEHP from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, McCoy, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that he may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical DEHP from use of the Products.

**5.2 Jack’s’ Release of McCoy.** Jack’s hereby waives any and all claims against McCoy, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by McCoy and/or his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

**5.3 California Civil Code § 1542.** It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. McCoy on behalf of himself only, on one hand, and Jack’s, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE

RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

McCoy and Jack's each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

**5.4 Deemed Compliance with Proposition 65.** The Parties agree that compliance by Jack's with this Settlement Agreement constitutes compliance with Proposition 65 with respect to the Products.

**5.5. Public Benefit.** It is Jack's understanding that the commitments it has agreed to herein, and actions to be taken by Jack's under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Jack's that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Jack's failure to provide a warning concerning exposure to DEHP prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Jack's is in material compliance with this Settlement Agreement.

## **6. SEVERABILITY**

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

## **7. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Jack's shall provide

written notice to McCoy of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

**8. NOTICES**

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any party by the other party to the following addresses:

**9. COUNTERPARTS: SIGNATURES**

This Settlement Agreement may be executed in counterparts and by facsimile, DocuSign or .pdf signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

**10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)**

**11. MODIFICATION**
