

# SETTLEMENT AGREEMENT

## **1. INTRODUCTION**

### **1.1 Parties**

This settlement agreement ("Settlement Agreement") is entered into by and between CalSafe Research Center, Inc., ("CRC"), on the one hand, and Blooming Import, Inc., on its own behalf and on behalf of Taishin City Daxin Food Co. ("Taishin" or "Defendant"), on the other hand, with CRC and Taishin each individually referred to as a "Party" and collectively as the "Parties."

### **1.2 Allegations and Notice of Violation**

CRC alleges in a 60-Day Notice of Violation dated September 14, 2021, that Taishin sells and/or distributes dried citrus/orange peel in California that contain lead without a warning required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65") (the "Notice"). Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm.

### **1.3 Product Description**

The products covered by this Settlement Agreement are dried citrus peels, including but not limited to Dried Citrus/Orange Peel UPC#3476505017, (hereinafter collectively the "Product") that contains lead and that is manufactured, sold or distributed for sale in California by Taishin.

### **1.4 Notice of Violation**

On September 14, 2021, CRC served the Notice on Taishin, the California Attorney General and the other requisite public enforcers, alleging that Taishin and others violated Proposition 65 when they failed to warn consumers in California of the alleged exposure to lead from the Product.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

### **1.5 No Admission**

Taishin denies the material, factual and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Product, have been, and are, in compliance with all laws, including Proposition 65. Nothing in this Settlement Agreement shall be construed as an admission by Taishin or any of its officers, directors, shareholders, members, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Taishin or any of its officers, directors, shareholders, members, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Taishin. This Section shall not, however, diminish or otherwise affect Taishin's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean ninety (90) days following the full execution of this Settlement Agreement by all Parties.

## **2. INJUNCTIVE RELIEF**

## 2.1 Clear and Reasonable Warnings

If Taishin does not achieve a lead level of <0.31 ppm in the Product (the “Target Level”) by the Effective Date, Taishin agrees that it shall only sell in, or into, California, Product that contains a warning as provided for in paragraph 2.2.

## 2.2 General Warning Requirements

Taishin agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Product shall consist of a warning affixed to the packaging, label, tag, or directly to each Product sold or distributed in California that contains one of the following statements:

1) **WARNING:** Consuming this product can expose you to lead, which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food);

2) **WARNING:** Cancer and Reproductive Harm-[www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

The warning shall be offset in a box with a black outline. The same warning shall be posted on any websites where the Product is sold in California.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment or another authorized agency promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, or legislation is enacted by the California legislature, United States Congress or voters with such requirements or permission, Taishin shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations, legislation or judicial rulings are enacted or issued providing that a Proposition 65 warnings for the Product is no longer required, a lack of warning will not thereafter be a breach of this Agreement.

## 2.3 Grace Period for Existing Inventory of Products

The injunctive requirements of Section 2 shall not apply to Product that is already in the stream of commerce as of the Effective Date, which Product is expressly subject to the releases provided in Section 4.

## 3. MONETARY SETTLEMENT TERMS

### 3.1 Total Settlement Penalty

In full satisfaction of all potential claims, including civil penalties, attorneys’ fees, and costs, Taishin shall make a total settlement payment of Thirty-Two Thousand and Five Hundred Dollars (**\$32,500.00**) (“Total Settlement Amount”). The Total Settlement Amount shall be apportioned into a Civil Penalty, Attorney’s Fees and Costs, an Additional Settlement Payment and a Cost Reimbursement as set forth in Sections 3.2, 3.3, 3.4 and 3.5 below.

### **4.1 CRC's Release of Taishin**

CRC, acting on its own behalf and not on behalf of the public, fully releases and discharges Taishin and its respective officers, directors, shareholders, members, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors (the "Defendant Releasees") and all entities to which Defendant Releasees directly or indirectly distribute or sell the Product, including but not limited to 99 Ranch Market, and any other distributors, wholesalers, customers, retailers, franchisees, licensors, and licensees (collectively, the "Released Parties" and individually, a "Released Party"). CRC, on behalf of itself and its officers, directors, shareholders, members, employees, agents, parent companies, subsidiaries and divisions hereby fully releases and discharges the Released Parties from, and hereby waives, any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted, whether in law or equity, based on or related to the handling, use, sale, distribution or consumption in California of the Products, and as to any alleged violation of Proposition 65 or its implementing regulations, including without limitation any failure to provide Proposition 65 warnings on the Products with respect to exposures to lead.

California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

**5. SEVERABILITY**
