

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Precila Balabbo (“Balabbo”) and Snow Joe, LLC (“Snow Joe”). Together, Balabbo and Snow Joe are collectively referred to as the “Parties.” Balabbo is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Balabbo alleges that Snow Joe is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Balabbo alleges that Snow Joe has exposed individuals to the chemical di(2-ethylhexyl) phthalate (DEHP) from its sales of TREKGEAR bags without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and reproductive toxicity.

1.3 Product Description. The products covered by this Settlement Agreement are packs and bags with vinyl and nylon components containing DEHP, including bags branded as TREKGEAR now branded as TRAILGEAR (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Snow Joe and/or Bliss Hammocks, Inc. (“Bliss Hammocks”).

1.4 Notice of Violation. On September 23, 2021, Balabbo served Bliss Hammocks; Snow Joe; Sierra Trading Post, Inc.; The TJX Companies, Inc. (Collectively with Sierra, “TJX”), and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Notice”). The Notice provided Snow Joe and such others, including public enforcers, with notice that alleged that Snow Joe was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to DEHP. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. Snow Joe denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Snow Joe of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Snow Joe of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Snow Joe. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Snow Joe maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean One Hundred and Eighty (180) day following the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: WARNINGS

2.1 Reformulation of Products. As of the Effective Date, and continuing thereafter, Products that Snow Joe directly manufactures for import, distribution, or sale, in California shall either: (a) be Reformulated Products pursuant to § 2.2, below; or (b) be labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 and 2.4, below. For purposes of this Settlement Agreement, a “Reformulated Product” is a Product that is in compliance with the standard set forth in § 2.2, below. The warning requirement set forth in §§ 2.3 and 2.4 shall not apply to any Reformulated Product.

2.2 Reformulation Standard. “Reformulated Products” shall mean Products that contain concentrations less than or equal to 0.1% (1,000 parts per million (ppm)) of DEHP when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining the phthalate content in a solid substance.

2.3 Clear and Reasonable Warning. As of the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Snow Joe manufacturers for import, distribution, or sale, in California that is not a Reformulated Product. There shall be no obligation for Snow Joe to provide an exposure warning for Products that entered the stream of commerce prior to the Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning.** The “Warning” shall consist of the statement:

 **WARNING:** This product can expose you to chemicals including di(2-ethylhexyl) phthalate (DEHP), which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(b) **Alternative Warning:** Snow Joe may, but is not required to, use the alternative short-form warning as set forth in this § 2.3(b) (“**Alternative Warning**”) as follows:

 **WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

2.4 A Warning or Alternative Warning provided pursuant to § 2.3 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”. The warning shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process, providing that the warning is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. The warning may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings.

In addition to affixing the **Warning** or **Alternative Warning** to the Product’s packaging or labeling, the **Warning** or **Alternative Warning** shall be posted on websites where Snow Joe offers Products for sale to consumers in California. The requirements of this Section shall be satisfied if the

Warning or **Alternative Warning**, or a clearly marked hyperlink using the word “**WARNING**,” appears on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. To comply with this Section, Snow Joe shall (a) post the **Warning** or **Alternative Warning** on its own website and, if it has the ability to do so, on the websites of its third-party internet sellers; and (b) if it does not have the ability to post the **Warning** or **Alternative Warning** on the websites of its third-party internet sellers, provide such sellers with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2. Third-party internet sellers of the Product that have been provided with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2 are not released in Section 5 of this Agreement if they fail to meet the warning requirements of this Section.

2.5 Compliance with Warning Regulations. The Parties agree that Snow Joe shall be deemed to be in compliance with this Settlement Agreement by either adhering to §§ 2.3 and 2.4 of this Settlement Agreement or by complying with warning requirements adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”) applicable to the product and the exposure at issue after the Effective Date.

The Parties acknowledge that Balabbo and her counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Balabbo and her counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Snow Joe shall reimburse Balabbo’s counsel for fees and costs incurred as a result of investigating and bringing this matter to Snow Joe’s attention, and negotiating a settlement in the public interest. 5. RELEASE OF ALL CLAIMS

5.1 Release of Snow Joe and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Balabbo and the Balabbo Releasors, acting on their own behalf, and Snow Joe, of any violation of Proposition 65 that was or could have been asserted by Balabbo or on behalf of her past and current agents, representatives, attorneys, successors, and/or assigns (“Balabbo Releasors”) for failure to provide warnings for alleged exposures to DEHP from use of the Products, and Balabbo Releasors hereby release any such claims and lawsuits against Snow Joe and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Snow Joe

directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Bliss Hammocks and The TJX Companies, Inc., and their respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the “Releasees”), from all claims for violations of Proposition 65 through the Effective Date based on exposure to DEHP from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Balabbo, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical DEHP from use of the Products, including any currently pending lawsuits.

5.2 Snow Joe’s Release of Balabbo. Snow Joe, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Balabbo, her attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Balabbo and/or her attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to DEHP the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Balabbo on behalf of herself only, on one hand, and Snow Joe, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§

5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Balabbo and Snow Joe each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Snow Joe with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DEHP from use of the Products.

5.5. Public Benefit. It is Snow Joe's understanding that the commitments it has agreed to herein, and actions to be taken by Snow Joe under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Snow Joe that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Snow Joe failure to provide a warning concerning exposure to DEHP prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Snow Joe is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Snow Joe shall provide written notice to Balabbo of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

8. NOTICES

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any party by the other party to the following addresses:

9. COUNTERPARTS: SIGNATURES

10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

Balabbo agrees to comply with the reporting requirements referenced in Health & Safety Code § 25249.7(f).

11. MODIFICATION

This Settlement Agreement may be modified only by a written agreement of the Parties.
