

## SETTLEMENT AGREEMENT

### 1. INTRODUCTION

1.1 **The Parties.** This Settlement Agreement is entered into by and between Ema Bell ("Bell"), Sled Investment Group, L.L.C. and Sled Distribution, LLC (collectively, "Sled"). Together, Bell and Sled are collectively referred to as the "Parties." Bell is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Bell alleges that Sled is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. ("Proposition 65").

1.2 **General Allegations.** Bell alleges that Sled has exposed individuals to bisphenol A (BPA) from its sales of My Medic First Aid Kits without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. BPA is listed pursuant to Proposition 65 as a chemical known to the State of California to cause birth defects or other reproductive harm.

1.3 **Product Description.** The products covered by this Settlement Agreement are My Medic First Aid Kits (the "Products") that have been imported, distributed, offered for sale and/or sold in California by Sled.

1.4 **Notice of Violation.** On October 21, 2021, Bell served Sled, Recreational Equipment, Inc. ("REI"), and various public enforcement agencies with a document entitled "Notice of Violation of California Health & Safety Code § 25249.6, et seq." (the "Notice"). The Notice provided Sled and such others, including public enforcers, with notice that alleged that Sled was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to BPA. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 **No Admission.** Sled denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws.

Nothing in this Settlement Agreement shall be construed as an admission by Sled of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Sled of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Sled. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Sled maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

**1.6 Effective Date.** For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Agreement is last executed by the Parties.

## **2. INJUNCTIVE RELIEF; WARNINGS**

**2.1 Clear and Reasonable Warning.** As of ninety (90) days after the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Sled manufactures, imports, distributes, sells, or offers for sale in California that is not a BPA-Free Product. For purposes of this Settlement Agreement, "BPA-Free Products" are Products that are in compliance with the standard set forth in § 2.2, below. There shall be no obligation for Sled to provide an exposure warning for Products that entered the stream of commerce prior to, or within 90 days after the Effective Date, and/or for BPA-Free Products.

**2.2 BPA-Free Products.** "BPA-Free Products" shall mean any Products subject to this Settlement Agreement that achieve a wipe test result showing no measurable migration of BPA.

**2.2.1 Wipe Test Protocol.** The "Wipe Test Protocol" for determining if a Product is a BPA-Free Product is as follows:

**2.2.1(a)** Accessible sample surface of Product is rubbed by wipe sample swabs/paper wetted with HPLC grade water heated to 98 °F sixty (60) times along longitudinal, latitudinal and diagonal orientation.

**2.2.1(b)** Accessible sample surface of Product is rubbed by wipe sample swabs/paper wetted with HPLC grade water heated to 98 °F sixty (60) times along longitudinal, latitudinal and diagonal orientation.

**2.3 Clear and Reasonable Warning.** As of 90 days after Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Sled manufacturers, imports, distributes, sells, or offers for sale in California that is not a BPA-Free Product. There shall be no obligation for Sled to provide an exposure warning for Products that entered the stream of commerce prior to 90 days after Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning.** The "Warning" shall consist of the statement:

**⚠ WARNING:** This product can expose you to chemicals including bisphenol A (BPA), which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(b) **Alternative Warning:** Sled may, but is not required to, use the alternative short-form warning as set forth in this § 2.3(b) ("**Alternative Warning**") as follows:

**⚠ WARNING:** Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

**2.2** A **Warning** or **Alternative Warning** provided pursuant to § 2.1 must print the word "**WARNING:**" in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word "**WARNING:**" must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word "**WARNING:**". The **Warning** or **Alternative Warning** shall be affixed to or printed on the Products' packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process, provided that the **Warning** or **Alternative Warning** is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. The **Warning** or **Alternative Warning** may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings.

In addition to affixing the **Warning** or **Alternative Warning** to the Product's packaging or labeling, the **Warning** or **Alternative Warning** shall be posted on websites where Sled offers

Products for sale to consumers in California. The requirements of this Section shall be satisfied if the **Warning** or **Alternative Warning**, or a clearly marked hyperlink using the word "WARNING," appears on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. To comply with this Section, Sled shall (a) post the **Warning** or **Alternative Warning** on its own website and, if it has the ability to do so, on the websites of third-party internet sellers that Sled has written agreements with; and (b) if Sled does not have the ability to post the **Warning** or **Alternative Warning** on the websites of third-party internet sellers that it has written agreements with, Sled shall provide such third-party internet sellers with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2. Third-party internet sellers of the Product that have been provided with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2 are not released, prospectively, following the Effective Date, in Section 5 of this Agreement if they fail to meet the warning requirements of this Section.

**2.5 Compliance with Warning Regulations.** The Parties agree that Sled shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2 of this Settlement Agreement or by complying with warning requirements adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") applicable to the Product and the exposures at issue after the Effective Date.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)**

**4. REIMBURSEMENT OF FEES AND COSTS**

The Parties acknowledge that Bell and her counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Bell and her counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Sled shall reimburse Bell's counsel for fees and costs incurred as a result of investigating and bringing this matter to Sled's attention, and negotiating a settlement in the public interest. Within twenty (20) days of the Effective Date, Sled shall issue a check payable to "Brodsky & Smith" in the amount of \$20,500.00 for delivery to the address identified in § 3.2(a)(i), above.

**5. RELEASE OF ALL CLAIMS**

**5.1 Release of Sled and Downstream Customers and Entities.** This Settlement Agreement is a full, final and binding resolution between Bell, acting on her own behalf, and Sled, of any violation of Proposition 65 that was or could have been asserted by Bell or on behalf of her past and current agents, representatives, attorneys, successors, and/or assigns ("Releasers") for failure to provide warnings for alleged exposures to BPA from use of the Products, and Releasers hereby release

any such claims against Sled and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Sled directly or indirectly distributes or sells the Products including, but not limited to, REI, downstream distributors, wholesalers, customers, retailers, and their respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the "Releasees"), from all claims for violations of Proposition 65 based on exposure to BPA from use of the Products through the Effective Date and/or within 90 days of the Effective Date.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Bell, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to BPA from use of the Products.

**5.2 Sled's Release of Bell.** Sled, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Bell, her attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Bell and/or her attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

**5.3 California Civil Code § 1542.** It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Bell on behalf of herself only, on one hand, and Sled, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and

5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Bell and Sled each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

**5.4 Deemed Compliance with Proposition 65.** The Parties agree that compliance by Sled with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to BPA from use of the Products.

**5.5. Public Benefit.** It is Sled's understanding that the commitments it has agreed to herein, and actions to be taken by Sled under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Sled that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Sled failure to provide a warning concerning exposure to BPA prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Sled is in material compliance with this Settlement Agreement.

## **6. SEVERABILITY**

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. **GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Sled shall provide written notice to Bell of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

8. **NOTICES**

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any party by the other party to the following addresses:

9. **COUNTERPARTS: SIGNATURES**

This Settlement Agreement may be executed in counterparts and by facsimile or .pdf signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

Bell agrees to comply with the reporting requirements referenced in Health & Safety Code § 25249.7(f).

11. MODIFICATION

This Settlement Agreement may be modified only by a written agreement of the Parties.

12. ENTIRE AGREEMENT

This Settlement Agreement contains the sole and entire agreement of the Parties and any and all prior negotiations and understandings related hereto shall be deemed to have been merged within it. No representations or terms of agreement other than those contained herein exist or have been made by any Party with respect to the other Party or the subject matter hereof.
