

## SETTLEMENT AND RELEASE AGREEMENT

### 1. **INTRODUCTION**

#### 1.1. **Kaloustian and Sunshine Burger & Specialty Food Company, LLC:**

This Settlement Agreement is entered into by and between Tamar Kaloustian ("Kaloustian"), represented by her attorneys KJT Law Group, LLP on the one hand, and Sunshine Burger & Specialty Food Company, LLC ("Sunshine"), on the other hand, with Kaloustian and Sunshine collectively referred to as the "Parties."

#### 1.2. **General Allegations**

Kaloustian alleges that Sunshine manufactured and distributed and offered for sale in the State of California Vegan Burger products containing cadmium and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed cadmium under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

#### 1.3. **Product Description**

The product covered by this Settlement Agreement is defined to include but is not limited to "Organic Sunshine Burgers – Quinoa and Garlic Shiitake – Vegan Burgers"; UPC #: 7 94213 00053 6" that Sunshine has sold, offered for sale, manufactured, or distributed in California and that contain cadmium. All such items shall be referred to herein as the "Covered Product."

#### 1.4. **Notice of Violation**

On November 24, 2021, Kaloustian served Sunshine, Nowhere Partners Corp, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation"

("Notice") that provided Sunshine and such public enforcers with notice that Sunshine was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Covered Product exposed users in California to cadmium. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. **No Admission**

The Parties enter into this Settlement Agreement to fully resolve all claims, demands and allegations and to settle disputed claims between them as set forth herein and in the Notice concerning Sunshine's compliance with Proposition 65. Specifically, Sunshine denies the allegations contained in Kaloustian's Notice and maintains that all products that it has placed for sale and distribution in California, including the Covered Product, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Sunshine of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Sunshine of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Sunshine. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Sunshine under this Settlement Agreement.

1.6. **Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

**2. INJUNCTIVE RELIEF: WARNINGS AND REFORMULATION**

2.1 Beginning on the Effective Date, Sunshine agrees to discontinue manufacturing the Covered product.

In the event that Sunshine decides to continue manufacturing the Covered Product, Sunshine shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, any Covered Product that expose a person to a "Daily Cadmium Exposure Level" of more than 4.1 micrograms of cadmium per day, unless it meets the warning requirements under Section 2.2.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that Sunshine knows or has reason to know will sell the Covered Product in California. The injunctive relief in Section 2 does not apply to any Covered Product that has left the possession, and is no longer under the control of Sunshine prior to the Effective Date and all claims as to such Covered Product is released in this Settlement Agreement.

For purposes of this Settlement Agreement, the "Daily Cadmium Exposure Level" shall be measured in micrograms, and shall be calculated using the following formula: micrograms of cadmium per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of recommended daily servings appearing on the label), which

equals micrograms of cadmium exposure per day. If the label contains no recommended daily servings, then the number of recommended daily servings shall be one.

## 2.2 Clear and Reasonable Warnings

If Sunshine is required to provide a warning pursuant to Section 2.1, one of the following warnings must be utilized ("Warning"):

### **Option 1:**

**WARNING:** Consuming this product can expose you to chemicals including cadmium, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

### **Option 2:**

**WARNING: [Cancer and] Reproductive Harm - [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).**

The Warning shall be securely affixed to or printed upon the label of each Covered Product and it must be set off from other surrounding information. In addition, for any Covered Product sold over the internet, the Warning shall appear on the checkout page in full text or through a clearly marked hyperlink using the word "WARNING" in all capital and bold letters when a California delivery address is indicated for any purchase of any Covered Product. If a hyperlink is used, the hyperlink must go directly to a page prominently displaying either the Option 1 Warning or the Option 2 Warning without content that detracts from the Warning. An asterisk or other identifying method must be utilized to identify which products on the checkout page are subject to the Warning.

The Warning shall be at least the same size as the largest of any other health or safety warnings also appearing on the website or on the label and the word "WARNING" shall be in all capital letters and in bold print. No statements intended to or likely to have the effect of diminishing the impact of the Warning on the average lay person shall accompany the Warning.

Further, no statements may accompany the Warning that state or imply that the source of the listed chemical has an impact on or results in a less harmful effect of the listed chemical. For the Option 2 Warning, a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline shall be placed to the left of the text of the Warning, in a size no smaller than the height of the word "WARNING."

Sunshine must display the above Warning with such conspicuousness, as compared with other words, statements or designs on the label, or on its website, if applicable, to render the Warning likely to be read and understood by an ordinary individual under customary conditions of purchase or use of the product.

For purposes of this Settlement Agreement, the term "label" means a display of written, printed or graphic material that is printed on or affixed to a Covered Product or its immediate container or wrapper.

**3. CONSIDERATION**

In settlement of all the claims referred to in this Settlement Agreement, the Parties reached an accord on the compensation due, under the private attorney general doctrine and principles of contract law. Under these legal principles, Sunshine shall pay (\$30,000.00) as settlement and for fees and costs, incurred as a result of investigating and bringing this matter to Sunshine's' attention.

**4. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Kaloustian.

**5. REIMBURSEMENT OF FEES AND COSTS**

In settlement of all the claims referred to in this Settlement Agreement, (\$27,500.00) shall be considered reimbursement of Kaloustian's attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice. The Parties reached an accord on the compensation due to Kaloustian and its counsel under the private attorney general doctrine and principles of contract law.
