CONSENT JUDGMENT

1. <u>INTRODUCTION</u>

This Consent Judgment is entered by and between plaintiff Keep America Safe and Beautiful ("KASB") and defendant KTM Services, Inc ("KTM"), with KASB and KTM each individually referred to as a "Party" and collectively, as the "Parties," to resolve the allegations in KASB's December 22, 2021, 60-Day Notice of Violation in compliance with the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6 *et seq.* ("Proposition 65").

1.1 The Parties

KASB is a California-based non-profit organization proceeding in the public interest pursuant to California Health & Safety Code § 25249.7(d) to ensure that chemicals known to the State of California to cause cancer, birth defects, or other reproductive harm are disclosed to consumers and end-users in California, or eliminated from food and consumer products sold in California. KTM is a person in the course of doing business for purposes of California Health & Safety Code § 25249.11(b).

1.2 Consumer Product Description

KASB alleges that KTM manufactures, imports, sells, or distributes for sale in California dried plums containing the heavy metal, Lead (Pb), including but not limited to, *Enjoy Hawaii Premium Sweet Li Hing Mui Dried Plums, Best By: 11 JUN 2022, UPC: 6 79757 17834 0, ASIN: B01CENTIR6*, without providing the health hazard warning KASB alleges is required by California Health & Safety Code § 25249.5 *et seq.* ("Proposition 65"). "KTM Enjoy Brand Dried Plums distributed by KTM Services, Inc. referred to hereinafter as the "Products." Lead (Pb) is listed pursuant to Proposition 65 as a chemical known to the State of California to cancer and birth defects or other reproductive harm.

1.3 Notice of Violation

On December 22, 2021, KASB served KTM, the Office of the Attorney General for the State of California ("OAG"), and all requisite public enforcement agencies with a 60-Day Notice of Violation ("Notice"). In its Notice, KASB alleges KTM violated Proposition 65 by failing to warn its customers and consumers in California the Products can expose users to Lead (Pb). No public enforcer has commenced and is diligently prosecuting an action to enforce the allegations set forth in

the Notice.

1.4 Complaint

On May 30, 2023, KASB commenced the instant action ("Complaint"), naming KTM as a defendant for the alleged violations of Proposition 65 that are the subject of the Notice.

1.5 No Admission

KTM denies the material, factual and legal allegations contained in the Notice and Complaint and maintains that all products it sold or distributed for sale in California, including the Products, comply with all laws. Neither any term of this Consent Judgment nor KTM's compliance with its terms shall be deemed an admission by KTM of any fact, finding, legal issue or conclusion, or violation of law. This section shall not, however, diminish or otherwise affect KTM's obligations, responsibilities, and duties under this Consent Judgment.

1.6 Jurisdiction

For purposes of this Consent Judgment only, the Parties stipulate that this Court has jurisdiction over KTM as to the allegations in the Complaint; that venue is proper in San Francisco County Superior Court; and that the Court has jurisdiction to enter and enforce the provisions of this Consent Judgment, pursuant to Proposition 65 and Code of Civil Procedure § 664.6.

1.7 Effective Date

The term "Effective Date" means the date on which the Court approves this Consent Judgment and enters Judgment pursuant to its terms.

2. <u>INJUNCTIVE RELIEF: REFORMULATION</u>

2.1 Commitment to Compliance with Proposition 65

Commencing on the Effective Date and continuing thereafter, all Products KTM manufactures, imports, sells, ships, or distributes for sale in or into California, directly or through one or more third-party retailers or e-commerce marketplaces, shall meet the Reformulation Standard for Lead Free Products defined by Section 2.2, below, or be accompanied by a clear and reasonable warning pursuant to Section 2.3, below.

2.2 Reformulation Standard

For purposes of this Agreement, "Lead-Free Products" are defined as Products containing Lead (Pb) in a maximum concentration of 17 parts per billion ("ppb") by weight when analyzed by a laboratory, accredited by the State of California, a federal agency, or a nationally recognized accrediting organization, using inductively coupled plasma mass spectrometry ("ICP-MS") equipment with a level of detection ("LOD/LOQ") of 10 ppb or less utilizing scientifically appropriate adherence to the protocols set forth in AOAC Method 2013.06 (21st Ed., 2019) ("Accredited Laboratory").

2.3 Product Warnings

Commencing on or before the Effective Date, and continuing thereafter, for all Products that are not Lead-Free Products, KTM shall provide clear and reasonable warnings to all downstream, customers, distributors, retailers, and other resellers of KTM's products in accordance with this Section and pursuant to Title 27 California Code of Regulations § 25600, et seq. KTM shall advise each downstream entity, customer, distributor, retailer and other reseller as follows:

2.3.1 Warning Statement. The Products contain Lead, a chemical known to the State of California to cause cancer and birth defects or other reproductive harm. None of Products may be sold in California without a clear and reasonable warning that is both attached to the product and shown to the consumer prior to completing a purchase on any e-commerce marketplace or other online platform. The Warning shall consist of the following statement:

Each warning shall be prominently placed with such conspicuousness when compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use and shall be provided in a manner such that it is clearly associated with the specific Product to which the warning applies.

2.3.2 Short-Form Warning. KTM may, but is not required to, use the following short-form warning as set forth in this subsection 2.3(b) ("Short-Form Warning"), and subject to the additional requirements in Sections 2.3.3, 2.3.4 and 2.3.5, below, as follows:

The entire warning shall be set off from other surrounding information, enclosed in a box and appear in at least 6-point type but no smaller than the largest type size used for other consumer information on the Products. KTM shall not make any statement likely to have the effect of diminishing the impact of the Warning on the average lay person.

2.3.5 Internet Warnings. If, after the Effective Date, KTM sells Products other than Reformulated Products via the internet, through their own website(s), affiliated websites or a third-party website, to consumers located in California or to customers with retail outlets in California, nationwide distribution or e-commerce websites, KTM shall provide warnings for each Product both on the Product label in accordance with this Section 2.3.4, and by prominently displaying, or requiring the warning to be prominently displayed on affiliated websites, third-party websites or by retail customers, to the consumer during the purchase of the Product without requiring customers to seek out the warning. The warning or a clearly marked hyperlink to the warning using the word "WARNING" given in conjunction with the sale of Products via the internet shall appear either: (a) on the same web page on which Products are displayed; (b) on the same web page as the virtual cart displaying the Products; (c) on the same page as the price for Products; or (d) on one or more web pages displayed to a purchaser during the checkout process. The warning shall appear in any of the above instances adjacent to or immediately following the display, description or price of the Product for which it is given in the same type size or larger than other consumer information provided for the Product. For third-party websites, as a condition of sale, KTM shall notify the sellers the Products

must be accompanied by a warning, prior to and as a condition of sale, in or into California, and shall supply the warning requirements, pursuant to this Section 2.3.

2.3.6 Customer Notification
