

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1. Ecological Alliance, LLC and Appleson LLC

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Appleson LLC. ("Appleson"), on the other hand, with Ecological and Appleson collectively referred to as the "Parties."

#### 1.2. General Allegations

Ecological alleges that Appleson manufactured and/or distributed and/or offered for sale and/or sold in the State of California travel kits with cases containing Di(2-ethylhexyl)phthalate [DEHP], and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

#### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as travel kits with cases containing Di(2-ethylhexyl)phthalate [DEHP], that Appleson has manufactured, sold, offered for sale, or distributed in California. All such items shall be referred to herein as the "Products."

#### 1.4. Notice of Violation

On January 3, 2022, Ecological served Appleson, Marshall's of CA, LLC, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation" ("Notice") that provided Appleson and such public enforcers with notice that Appleson was

allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Appleson's compliance with Proposition 65. Specifically, Appleson denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 and any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Appleson of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Appleson of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Appleson. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Appleson under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

## 2. INJUNCTIVE RELIEF: WARNING

### 2.1. Warning and Reformulation Requirements

Within 90 days of the Effective Date, Products shall either be (1) accompanied by a warning as described in Section 2.2 below, or (2) reformulated to contain no more than 1,000 parts per million of DEHP. The warning and reformulation requirements shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California. Products with less than 1,000 parts per million DEHP shall be considered compliant with Proposition 65. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Appleson places into the stream of commerce within 90 days of the Effective Date.

### 2.2. Warning Language

Where required, Appleson shall provide Proposition 65 warnings as follows:

(a) Appleson may use either of the following warning statements in full compliance with this Section:

(1) **WARNING:** This product can expose you to chemicals including DEHP, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(2) **WARNING:** Cancer and Reproductive Harm – [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(b) If Appleson elects to use the warning statements identified in either 2.2(a)(1) or (2), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign,

label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP should no longer be required, Appleson shall have no further obligations pursuant to this Settlement Agreement.

(e) In the event that the California Office of Environmental Health Hazard Assessment ("OEHHA") promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Appleson shall be entitled to use, at their discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, Appleson shall pay a total of \$100.00 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the OEHHA and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

**4. REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Appleson shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Appleson's attention. Appleson shall pay Ecological's counsel \$11,000.00 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

**5. PAYMENT INFORMATION**

By June 30, 2022, Appleson shall make a total payment of Eleven Thousand One Hundred Dollars (\$11,100.00) for the civil penalties and attorneys' fees / costs by wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

Bank: Bank of America, N.A.

Routing No.: 026009593

Account No.: 325149324377

Beneficiary: Custodio & Dubey LLP

Other than this payment, each side is to bear its own attorneys' fees and costs.

**6. RELEASE OF ALL CLAIMS**

**6.1. Release of Appleson, Downstream Distributors and Upstream Vendors**

This Settlement Agreement is a full, final, and binding resolution of all claims under Proposition 65 between Ecological and Appleson of any violation of Proposition 65 that was or could have been asserted by Ecological against Appleson. In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ecological, on behalf of itself, its past and current agents,

representatives, attorneys, successors and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims relating to the Products, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively "Claims"), against (a) Appleson, (b) each of Appleson's downstream distributors (including but not limited to Marshall's of CA, LLC, and its parents, subsidiaries, and affiliates), wholesalers, vendors, licensors, licensees, auctioneers, retailers, franchisees, dealers, shareholders, cooperative members, customers, owners, purchasers, users, and (c) Appleson's parent companies, corporate affiliates, subsidiaries, and their respective officers, directors, attorneys, representatives, shareholders, agents, and employees, and sister and parent entities (collectively "Releasees").

Ecological also, in its capacity, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against Appleson and the Releasees. Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

**6.2. Appleson's Release of Ecological**

Appleson waives any and all claims against Ecological, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ecological and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.

**6.3. Deemed Compliance with Proposition 65**

The Parties agree that compliance by Appleson with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DEHP from use of the Products.

**6.4. Public Benefit**

It is Appleson's understanding that the commitments it has agreed to herein, and actions to be taken by Appleson under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Code Regs. title 11, § 3201. As such, it is the intent of Appleson that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Appleson's alleged failure to provide a warning concerning exposure to DEHP prior to use of the Products it has manufactured,

distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Appleson is in material compliance with the Settlement Agreement.

**7. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to DEHP and/or the Products, then Appleson shall have no further obligations pursuant to this Settlement Agreement.

**8. NOTICES**

**10. COMPLIANCE WITH HEALTH & SAFETY CODE SECTION 25249.7(f)**

Ecological agrees to comply with the reporting form requirements referenced in California Health & Safety Code § 25249.7(f).

**11. ENTIRE AGREEMENT**

No other agreements, oral or otherwise, exist to bind either of the Parties.
