

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and Elvan Confectionary Corp. (“ECC”), on the other hand, with EHA and ECC each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. ECC employs ten or more individuals and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that ECC manufactures, sells, and distributes for sale in California, wafers that contain Acrylamide and that it does so without first providing the health hazard warning required by Proposition 65. Acrylamide is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm.

1.3 Product Description

The product covered by this Settlement Agreement is defined as, and expressly limited to, Elvan Today Cube Wafer with Chocolate Cream / Elvan Today Cube wafer with Hazelnut Cream (“Covered Products”), that contains Acrylamide and that is manufactured, sold or distributed for sale in California by ECC.

1.4 Notice of Violation

On August 20, 2021, EHA served ECC, Elvan Gıda Sanayi Ve Ticaret A.Ş., Balboa International Market, the California Attorney General and other requisite public enforcers with a 60-Day Notice of Violation (“Notice”), alleging that ECC and others violated Proposition 65 when they failed to warn its customers and consumers in California of the health risks associated with exposures to Acrylamide from the Covered Products.

On January 25, 2022, EHA served ECC, Elvan Gida Sanayi Ve Ticaret A.S., Balboa Market Holdings, LLC, the California Attorney General and other requisite public enforcers with an Amended 60-Day Notice of Violation (“Amended Notice”). The Amended Notice corrected the agent of service for Elvan Confectionary Corp.

To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice and the Amended Notice (hereinafter the “Notices”).

1.5 No Admission

ECC denies the material, factual, and legal allegations in the Notices and maintains that all of the products it sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by ECC of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by ECC of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by ECC. This Section shall not, however, diminish or otherwise affect ECC’s obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean fourteen (14) days following the execution of this Settlement Agreement by the Parties.

2. INJUNCTIVE RELIEF

2.1 General Warning Requirements

ECC agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Covered Products the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, or directly to each Covered

Products sold in California by ECC that contains the following statements:

- 1)  **WARNING:** Consuming this product can expose you to chemicals including Acrylamide, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
- 2)  **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.cs.gov

This warning statement shall be prominently displayed on the Covered Products, on the packing of the Covered Products, or on a placard, shelf tag, or sign provided that the statement is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. If the warning statement is displayed on the Covered Products' packaging, it must be in a type size no smaller than the largest type size used for other consumer information on the product. In no case shall a warning statement displayed on the Covered Products' packaging appear in a type size smaller than 6-point type. The same warning shall be posted on any websites under the exclusive control of ECC where Covered Products are sold into California.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment or another authorized agency promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, or legislation is enacted by the California legislature, United States Congress or voters with such requirements or permission, ECC shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that warnings as to Acrylamide in this product are no longer required, a lack of warning by ECC will not thereafter be a breach of this Agreement. ECC shall instruct any third-party website to which it sells its Covered Products to include the same warning as a condition of selling the Covered Products.

2.2 Grace Period for Existing Inventory of Covered Products

The injunctive requirements of Section 2 shall not apply to Covered Products that are already in the stream of commerce as of the Effective Date, which Covered Products are expressly subject to the releases provided in Section 4.1.

3. MONETARY SETTLEMENT TERMS

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notices or referred to in this Settlement Agreement, ECC agrees to pay one thousand dollars (\$1,000.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by EHA. Within ten (10) days of the date this Settlement Agreement is executed by the Parties, ECC shall issue two separate checks for the initial civil penalty payment to (a) “OEHHA” in the amount of seven hundred and fifty dollars (\$750.00) and (b) Environmental Health Advocates, Inc., in the amount of two hundred and fifty dollars (\$250.00).

Under these legal principles, within fourteen (14) days of the date this Settlement Agreement is executed by the Parties, ECC agrees to pay twelve thousand five hundred dollars (\$12,500.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter to the attention of ECC’s negotiating a settlement. 4. CLAIMS COVERED AND RELEASED

4.1 EHA’s Release of ECC

This Settlement Agreement is a full, final, and binding resolution of all claims under Proposition 65 between EHA, on its own behalf and not on behalf of the public, and ECC of any violation of Proposition 65 that was or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against

ECC and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, each upstream entity from whom the Covered Products was purchased by ECC and each entity to whom ECC directly or indirectly distributes or sells the Covered Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees (“Releasees”), based on the failure to warn about exposures to Acrylamide required under Proposition 65 in the Covered Products manufactured, sold or distributed for sale in California by ECC before the Effective Date, as alleged in the Notice. This release does not extend to any third-party retailers selling the product on a website who, after receiving instruction from ECC to include a warning as set forth above in section 2.2, do not include such a warning.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against ECC and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to Acrylamide required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by ECC, before the Effective Date.

4.2 ECC’s Release of EHA

ECC, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and ECC on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

5. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.
