

## SETTLEMENT AND RELEASE AGREEMENT

### 1. **INTRODUCTION**

#### 1.1. **Ecological Alliance LLC and Coastline Imports**

This Settlement Agreement is entered into by and between Ecological Alliance LLC ("Alliance"), on the one hand, and Coastline Imports ("Coastline"), on the other hand, with Alliance and Coastline collectively referred to as the "Parties."

#### 1.2. **Coastline Allegations**

Alliance alleges that Coastline manufactured and distributed and offered for sale in the State of California: tea cups, bowls, creamer dispensers, floral mugs, and mug sets, all containing Lead, and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed Lead under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

#### 1.3. **Product Description**

The products that are covered by this Settlement Agreement are specifically defined as: tea cups – Style #592540; bowls – Style #562016; creamer dispensers – Style #620833; floral mugs – Style #608437; and mug sets – Style #V691630 all containing Lead that Coastline has sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a documents entitled "60-Day Notice of Violation" ("Notice") that provided Coastline and such public enforcers with notice that Coastline was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to Lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Coastline's compliance with Proposition 65. Coastline denies the material factual and legal allegations contained in Alliance's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Coastline of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Coastline of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Coastline on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Coastline under this Settlement Agreement.
