

SETTLEMENT AGREEMENT

BETWEEN

SARA HAMMOND

AND

R.G. BARRY CORPORATION

Sara Hammond (“Hammond”) and R.G. BARRY CORPORATION (“RG BARRY”) (Hammond and RG BARRY are collectively referred to as the “Parties”), enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to resolve Hammond’s allegations that RG BARRY violated Proposition 65. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1. Introduction

- 1.1. Hammond alleges she is an individual who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products. RG BARRY previously either sold, offered for sale, imported, distributed, or manufactured at various times the Spa Essentials Kit reusable case SKU_127410545046901499; UPC_0091217374039 (this item is referred to throughout as the “Covered Product”).
- 1.2. Hammond alleges that the Covered Product contains Di(2-ethylhexyl)phthalate (“DEHP”), also known as Diethyl Hexyl Phthalate and Bis (2-ethylhexyl) phthalate, and that RG BARRY failed to provide a required warning in

compliance with the California Safe Drinking Water and Toxic Enforcement Act of 1986 (Cal. Health & Safety Code § 25249.5, *et seq.* (“Proposition 65”)).

- 1.3. On January 1, 1988 the Governor of California added DEHP to the list of chemicals known to the State to cause cancer, and on October 24, 2003, the Governor added DEHP to the list of chemicals known to the State to cause developmental male reproductive toxicity. These additions took place more than twenty (20) months before Hammond served her “Sixty-Day Notice Of Violation Sent in Compliance With California Health & Safety Code § 25249.7(d)” which is further described below.
- 1.4. DEHP is referred to hereafter as the “Listed Chemical”.
- 1.5. On or about February 3, 2022 Hammond alleges she served RG BARRY, Marshalls, TJX Companies, Inc., Marmaxx Operating Corp and related entities and certain relevant public enforcement agencies with a Sixty-Day Notice of Violation that was sent pursuant to California Health & Safety Code § 25249.7(d) alleging the Covered Product contained the Listed Chemical (the “Notice”).
- 1.6. The Notice alleged that the Covered Product violated Proposition 65 by failing to provide a warning to consumers in California that use of the Covered Product exposed persons to the Listed Chemical.
- 1.7. The Parties enter into this Settlement Agreement to settle disputed claims between them concerning the Parties’ and the Covered Product’s compliance with Proposition 65 (the “Dispute”).

- 1.8. RG BARRY disputes and does not admit Hammond's allegations described in this Settlement Agreement and in the Notice.
- 1.9. By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law against interest, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission against interest by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission against interest or evidence of fault, wrongdoing, or liability by RG BARRY, its officers, directors, employees, members, or parents, subsidiaries or affiliated corporations, licensees, licensors, suppliers, manufacturers, importers, distributors or retailers of the Covered Products, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that Hammond or RG BARRY may have in any other legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2. Release

- 2.1. This Settlement Agreement is a full, final, and binding resolution between Hammond, acting in her individual capacity, on the one hand, and (a) RG

BARRY, and its owners, parents, subsidiaries, affiliates, sister and related companies, downstream retailers (including, but not limited to, Marshalls, TJX Companies, Inc., Marmaxx Operating Corp, any of their parents, subsidiaries, affiliates, past and current agents, representatives, and anyone else acting on their behalf (collectively, "Marshalls")), licensees, licensors, suppliers, manufacturers, importers, employees, shareholders, members, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively "Releasees") and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Products, including but not limited to all downstream retailers including Marshalls, and any other distributors, wholesalers, customers, retailers, franchisees, cooperative members ("Downstream Releasees"), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to any Proposition 65 listed chemical or the failure to warn about exposure to any Proposition 65 listed chemical arising in connection with the Covered Products sold, offered for sale, manufactured, imported or otherwise distributed by RG BARRY up through and including the Effective Date, even if sold by Releasees or Downstream Releasees after the Effective Date.

- 2.2. Hammond, on behalf of herself and her past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly,

any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively "Claims"), against Releasees and/or the Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in connection with the Covered Products sold, offered for sale, manufactured, imported or otherwise distributed by RG BARRY up to the Effective Date, including without limitation to the extent that such claims relate to Releasees' or Downstream Releasees' alleged exposure of persons to any Proposition 65 listed chemicals contained in the Covered Products or any failure by Releasees or Downstream Releasees to warn about exposures to any Proposition 65 listed chemical contained in the Covered Products up through and including the Effective Date.

- 2.3. Hammond acknowledges that she is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Hammond, on behalf of herself and her past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which she may have under, or which may be conferred on her by the provisions of California Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that she may lawfully waive such rights or benefits pertaining to the released matters up through and including the Effective Date. The release in this section shall have no force or effect until the full amount of payments set forth below are paid in full.

2.4. RG BARRY'S release of Hammond

RG BARRY on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors and assignees, hereby waives any and all claims against Hammond and her attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products up through and including the Effective Date.

2.5. Public Benefit

It is RG BARRY's understanding that the commitments it has agreed to herein, and actions to be taken by RG BARRY under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of RG BARRY that to the extent any other private party initiates an action

alleging a violation of Proposition 65 with respect to RG BARRY's failure to provide a warning concerning exposure to the Listed Chemical prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to the Covered Products addressed in this Settlement Agreement, provided that RG BARRY is in material compliance with this Settlement Agreement.

3. RG BARRY'S Duties

- 3.1. On and after the Effective Date, RG BARRY shall not sell the Covered Product for distribution in California unless the product is a "Reformulated Covered Product" as defined in Paragraph 3.2 or unless RG BARRY provides a Compliant Warning as defined in Paragraph 3.3 for any non-reformulated Covered Product that it sells in California. Compliance with this Settlement Agreement by RG BARRY shall constitute compliance under Proposition 65 with regard to any Covered Product sold, offered for sale, imported, manufactured or otherwise distributed after the Effective Date.
- 3.2. For purposes of this Settlement Agreement, a "Reformulated Covered Product" is a Covered Product containing no more than 1,000 parts per million (0.1%) DEHP in any accessible component ("accessible component" is defined as any component that could be touched by a person during reasonably foreseeable use).

In order to determine compliance with this reformulation standard, RG BARRY may rely on third party testing from an accredited laboratory.

3.3. The Parties agree that any of the following warnings shall constitute a “Compliant Warning” for the Listed Chemical in the Covered Product:

(a) the text, "**WARNING:** This product can expose you to chemicals including Di(2-ethylhexyl)phthalate (DEHP), which is known to the State of California to cause cancer or reproductive harm. For more information go to www.P65Warnings.ca.gov." accompanied by and placed to the right of a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline sized to be no smaller than the word “WARNING” as provided by regulations adopted on or about August 30, 2016; or

(b) the text, “**WARNING:** Cancer or Reproductive Harm – www.P65Warnings.ca.gov.” accompanied by and placed to the right of a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline sized to be no smaller than the word “WARNING” as provided by regulations adopted on or about August 30, 2016.

The triangular warning symbol specified in Section 3.3 shall be in yellow with a black exclamation mark; *provided however*, the symbol may be printed in black and white if the Covered Products label is not printed against a yellow background.

3.4. The Parties agree that the specifications for Compliant Warnings in this Settlement Agreement comply with Proposition 65 and its regulations as of the

date of this Settlement Agreement, and with regulations adopted on or about August 30, 2016 and which became effective August 30, 2018.

- 3.5. If modifications or amendments to Proposition 65 or its “safe harbor” regulations after the Effective Date are adopted as to what constitutes a “clear and reasonable warning,” Defendant may modify the content and delivery methods of its warnings to conform to the modified or amended provisions of Proposition 65 or its regulations.

4. **Payments**

8. **Entire Agreement**

This Settlement Agreement contains the sole and entire agreement and understanding of the Parties with respect to the subject matter hereof, and all related prior discussions, negotiations, commitments, and understandings.
