

# **SETTLEMENT AGREEMENT BETWEEN APS&EE, LLC AND TRIPLE 7 GLOBAL, INC.**

## **1. RECITALS**

### **1.1 The Parties**

**1.1.1** This Settlement Agreement (“Agreement”) is entered into by and between APS&EE, LLC (“APS&EE”) and Triple 7 Global, Inc. dba Street Level (“Triple 7”). APS&EE and Triple 7 shall hereinafter collectively be referred to as the “Parties”.

**1.1.2** APS&EE is an organization based in California with an interest in protecting the environment, improving human health and the health of ecosystems, and supporting environmentally sound practices, which includes promoting awareness of exposure to toxic chemicals and reducing exposure to hazardous substances found in consumer products.

**1.1.3** APS&EE alleges that Triple 7 is a person in the course of doing business as the term is defined in California *Health & Safety Code* section 25249.6 et seq. (“Proposition 65”).

### **1.2 Allegations**

**1.2.1** APS&EE alleges that Triple 7 distributed, sold or made available for sale in the State of California the “Street Level” brand of handbags, including Coral crossbody bag, Item 6269737\_1, 8-15801-02467-0, 0837 4664 1360, A1575 (hereinafter, the “Product(s)”) causing users in California to be exposed to hazardous levels of Di-n-Butyl Phthalate (“DBP”) without providing “clear and reasonable warnings”, in violation of Proposition 65. DBP is potentially subject to Proposition 65 warning requirements because it is listed under that statute as known to the State of California to cause birth defects or other reproductive harm.

**1.2.2** On February 8, 2022, APS&EE served a Sixty-Day Notice of Violation (“60-Day Notice”), along with a Certificate of Merit, to Triple 7, Nordstrom,

Inc., and the various public enforcement agencies regarding the alleged violation of Proposition 65 with respect to the Products.

### **1.3 No Admissions**

Triple 7 denies all allegations in APS&EE's 60-Day Notice and maintains that the Products have been, and are, in compliance with all laws, and that Triple 7 has not violated Proposition 65. This Agreement shall not be construed as an admission of liability by Triple 7 but to the contrary as a compromise of claims that are expressly contested and denied. However, nothing in this section shall affect the Parties' obligations, duties, and responsibilities under this Agreement.

### **1.4 Compromise**

The Parties enter into this Agreement in order to resolve the controversy described above in a manner consistent with prior Proposition 65 settlements and consent judgments that were entered on behalf of the public interest and to avoid prolonged and costly litigation between them.

### **1.5 Effective Date**

The "Effective Date" shall be the date upon which a complete and fully executed copy of the Agreement is delivered to each Party or its counsel.

## **2. INJUNCTIVE RELIEF**

### **2.1 Reformulation Standard**

As of the Effective Date, Triple 7 shall not sell, distribute, or cause the Products to be offered for sale in California unless (a) the Product contains no more than 1,000 parts per million (0.1%) of DBP ("Reformulated Products"), or (b) the Products are distributed, sold, or offered for sale with a clear and reasonable warning as described below in Section 2.2.

### **2.2 Proposition 65 Warnings**

**2.2.1** Whenever a clear and reasonable warning is required under Section 2.1, Triple 7 shall use a warning with the capitalized and emboldened wording substantially similar to the following:

**WARNING:** This product can expose you to Di-n-Butyl Phthalate which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

If Triple 7 has reason to believe the Products may expose consumers to additional chemicals listed under Proposition 65, then it may replace “Di-n-Butyl Phthalate which is known to the State of California to cause birth defects or other reproductive harm” with “chemicals, including Di-n-Butyl Phthalate, which are known to the State of California to cause cancer and birth defects or other reproductive harm” in the warning statement. The warning shall be accompanied by a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING”.

The Products shall carry said warning directly on each unit, label, or package, with such conspicuousness as compared with other words, statements or designs as to render it likely to be read and understood by an ordinary consumer prior to sale. A Product that is sold by Triple 7 on the internet to persons located in California shall also provide the warning message by a clearly marked hyperlink on the product display page, or otherwise prominently displayed to the purchaser before the purchaser completes his or her purchase of the Product. For Products that Triple 7 provides for a downstream entity to sell on the internet (e.g., Nordstrom, Inc.), Triple 7 shall include an instruction that the entity comply with the warning requirements of this section.

### **3. PAYMENTS**

#### **3.1 Civil Penalty Pursuant To Proposition 65**
