

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1. Ecological Alliance, LLC and Premiere Living Products, LLC

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Premiere Living Products, LLC ("Premiere"), on the other hand, with Ecological and Premiere collectively referred to as the "Parties."

#### 1.2. General Allegations

Ecological alleges that Premiere manufactured and distributed and offered for sale in the State of California jewelry boxes containing Di(2-ethylhexyl)phthalate ("DEHP"), and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

#### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as jewelry boxes that contain DEHP that Premiere has sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

#### 1.4. Notice of Violation

On February 9, 2022, Ecological served Premiere, Homegoods, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Premiere and such public enforcers with notice that Premiere was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers

that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Premiere's compliance with Proposition 65. Premiere denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Premiere of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Premiere of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Premiere on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Premiere under this Settlement Agreement. Notwithstanding the allegations in Ecological's Notice, Premiere maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

## **2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS**

As of the Effective Date, Premiere shall manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, unless such Products are labeled with a clear and reasonable Proposition 65 warning pursuant to Section 2.2 below. Products that were in Premiere's inventory or that were supplied to third parties by Premiere prior to the Effective Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

### **2.1. Reformulation Standards**

"Reformulated Products" are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other methodology utilized by federal or state agencies for the purpose of determining the DEHP content in a solid substance. Premiere may rely on its own or supplier test results to demonstrate compliance with this section, which shall be deemed compliance with Proposition 65.

### **2.2. Warning Language**

Where required, Premiere shall provide Proposition 65 warnings on the Product's label as follows:

(a) Premiere may use either of the following warning statements in full compliance with this Section:

(1) **WARNING:** This product can expose you to chemicals including DEHP, which are known to the State of California to cause cancer

and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

(2) **WARNING: Cancer and Reproductive Harm –**  
[www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(b) If Premiere uses either of the above warning statements to effectuate its compliance, it shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING.”

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP should no longer be required by law, Premiere shall have no further obligations pursuant to this Settlement Agreement.

(e) In the event that the California Office of Environmental Health Hazard Assessment (“OEHHA”) or another authorized agency promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, or legislation is enacted by the California legislature, United States Congress or voters with such requirements or permission, Premiere shall be entitled to use, at its discretion, such other warning

text and/or method of transmission without being deemed in breach of this Agreement.

(f) The Parties agree that Premiere shall be deemed in compliance with this Settlement Agreement by either adhering to Sections 2.1 and 2.2 of this Settlement Agreement or by complying with warning requirements adopted by OEHHA applicable to the products and the exposures at issue after the Effective Date.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement and because it previously began to implement Proposition 65 warnings for the Products, Premiere shall pay a total of \$100 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the OEHHA and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

**4. REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Premiere shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Premiere's attention. Premiere shall pay Ecological's counsel \$7,400 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice. Payment shall be made in the installments set forth in the next section.

**5. PAYMENT INFORMATION**

By March 31, 2023, Premiere shall make a total payment of Seven Thousand Five Hundred Dollars (\$7,500) for the civil penalties and attorney's fees by wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

Bank: Bank of America, N.A.

Routing No.: 026009593

Account No.: 325149324377

Beneficiary: Custodio & Dubey LLP

Other than this payment, each side is to bear its own attorneys' fees and costs.

**6. RELEASE OF ALL CLAIMS**

**6.1. Release of Premiere, Downstream Customers and Upstream Vendors**

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ecological, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims relating to the Products, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, including Proposition 65 claims, whether known or unknown, fixed or contingent (collectively "Claims"), against (a) Premiere, (b) each of Premiere's downstream distributors (including but not limited to Homegoods, Inc.), wholesalers, manufacturers, vendors, licensors, licensees, auctioneers, retailers, franchisees, dealers, shareholders, cooperative members, customers, owners, purchasers, users, and (c) Premiere's parent companies, corporate

affiliates, subsidiaries, and their respective officers, directors, attorneys, representatives, shareholders, agents, and employees, and sister and parent entities (collectively "Releasees"). This release extends to all Products currently in the stream of commerce.

Ecological also, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against Premiere and the Releasees. Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

**6.2. Premiere's Release of Ecological**

Premiere waives any and all claims against Ecological, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ecological and its attorneys and other representatives, whether in the course of

investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.

**6.3 Deemed in Compliance with Proposition 65**

The Parties agree that compliance by Premiere with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DEHP in the Product.

**6.4 Public Benefit.**

It is the Parties' understanding that the commitments it has agreed to herein, and actions to be taken by Premiere under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Premiere that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Premiere failure to provide a warning concerning exposure to lead prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Premiere is in material compliance with this Settlement Agreement.

**7. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Premiere shall have no further obligations pursuant to this Settlement Agreement.

**8. NOTICES**

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class, (registered or certified mail) return receipt requested; or (ii) overnight courier on any party by the other party at the following addresses:

**10. COMPLIANCE WITH HEALTH & SAFETY CODE SECTION 25249.7(f)**

Ecological agrees to comply with the reporting form requirements referenced in California Health & Safety Code § 25249.7(f).

**11. ENTIRE AGREEMENT**

No other agreements, oral or otherwise, exist to bind either of the Parties.
