

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This settlement agreement ("Settlement Agreement") is entered into by and between CalSafe Research Center, Inc., ("CRC"), on the one hand, and Pacific Coast Producers, ("PCP" or "Defendant") on the other hand, with CRC and PCP each individually referred to as a "Party" and collectively as the "Parties."

1.2 General Allegations

CRC alleges in a 60-Day Notice of Violation dated February 16, 2022, that PCP sells and/or distributes Sliced Bartlett Pears in California that contain lead without a warning required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65") (the "Notice"). Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm

1.3 Description of PCP

PCP is an agricultural marketing cooperative owned by 165 family farmers, which packages fresh fruits from its owners into shelf stable products for sale to consumers and foodservice distributors throughout the United States.

1.4 Product Description

The product covered by this Settlement Agreement is defined as, and expressly limited to, First Street, Sliced Bartlett Pears, (hereinafter collectively the "Product") that allegedly contains lead and that is manufactured, sold or distributed for sale in California by PCP.

1.5 Notice of Violation

On February 16, 2022, CRC served the Notice on PCP, the California Attorney General and the other requisite public enforcers, alleging that PCP and others violated Proposition 65 when they failed to consumers in California of the alleged exposures to lead from the Product.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

1.6 No Admission

PCP denies the material, factual and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Product, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by PCP or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by PCP or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by PCP. This Section shall not, however, diminish or otherwise affect PCP's obligations, responsibilities, and duties under this Settlement Agreement.

1.7 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date on which a complete and fully executed copy of this Settlement Agreement is exchanged by the Parties' counsel.

2. INJUNCTIVE RELIEF

2.1 Beginning on the Effective Date, PCP shall not manufacture for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, any Product that exposes a person to an exposure level of more than 0.5 micrograms of lead per day, unless it meets the warning requirements under Section 2.2. The calculation of the level of lead pursuant to this Settlement Agreement and for the purpose of measuring against the Proposition Safe Harbor Level shall be performed in a manner consistent with the following protocol: by multiplying (a) the average level of lead in Product, (b) the average amount consumed per eating occasion by the average consumer, and (c) the average number of eating occasions per day for the average consumer.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship Product into California for sale in California or to sell Product to a distributor that PCP knows or has reason to know will sell the Product in California. The injunctive relief in Section 2 does not apply to Product that has left the possession and is no longer under the control of PCP prior to the Effective Date and all claims as to such Product is released in this Settlement Agreement.

2.2 "Shipped for sale in California" means the Product that Defendant either directly ships into California for sale in California or that it sells to a distributor or retailer who Defendant knows will sell the Product to consumers in California. Where a retailer or distributor sells products both in California and other states, Defendant shall take commercially reasonable steps to ensure Product sold in California is either (i) the Product for which Defendant has complied with Paragraph 2.1, or (ii) the Product for which Defendant has complied with Paragraphs 2.3 and 2.4.

2.3 Clear and Reasonable Warnings

If PCP is not in compliance with Paragraph 2.1, and PCP still desires to manufacture for sale, purchase for sale, import for sale, or distribute for sale in or into California, PCP agrees to only manufacture for sale, purchase for sale, import for sale, or distribute for sale in or into California (in person or online) the Product that contains a warning as provided for in paragraph 2.4.

2.4 General Warning Requirements

PCP agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Product shall consist of a warning affixed to the packaging, label, tag, or directly to each of the Product sold or distributed in California by PCP that contains one of the following statements:

- 1) WARNING: Consuming this product can expose you to chemicals including Lead which

is known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food;

2) WARNING: Cancer and Reproductive Harm-www.P65Warnings.ca.gov/food.

The warning shall be offset in a box with black outline. The same warning shall be posted on any websites where the Product is sold in California.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment or another authorized agency promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, or legislation is enacted by the California legislature, United States Congress or voters with such requirements or permission, PCP shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations, legislation or judicial rulings are enacted or issued providing that a Proposition 65 warning for the product is no longer required, a lack of warning will not thereafter be a breach of this Agreement.

2.5 Grace Period for Existing Inventory of Products

The injunctive requirements of Section 2 shall not apply to Product that is already in the stream of commerce as of the Effective Date, which Product is expressly subject to the releases provided in Section 4.1.

3. MONETARY SETTLEMENT TERMS

3.1 Total Settlement Payment

In full satisfaction of all potential civil penalties, attorneys' fees, and costs, PCP shall make a total settlement payment of twenty-three thousand dollars (**\$23,000.00**) ("Total Settlement Amount"). PCP on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all claims against CRC and its attorneys and other representatives, for any and all actions taken, or statements made by CRC and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Product.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties, arising out of the Notice or relating to the Products, will develop or be discovered. CRC on behalf of itself only, and PCP on behalf of itself only, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through and including the Effective Date, including all rights of action therefore. California Civil Code section 1542 reads as follows:
