

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between EnviroProtect, LLC (“EP”) on the one hand and Wuhan WEI & WEN Trading Co., LTD (“WUHAN WEI & WEN”) on the other hand, with WUHAN WEI & WEN and EP each individually referred to as a “Party” and collectively as the “Parties.”

1.2 Introduction and General Allegations.

1.2.1 EP is a limited liability company duly organized and existing in the State of California, which seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products.

1.2.2 EP alleges that WUHAN WEI & WEN, JMLE, LLC (“JMLE”), and/or Ros Stores, Inc. (“Ross”), employ ten or more persons, and EP alleges that WUHAN WEI & WEN is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2.3 EP alleges that WUHAN WEI & WEN imported, sold, and/or distributed for sale in California Covered Products, as defined below, that contain Di-(2-ethylhexyl) phthalate (“DEHP”), a chemical pursuant to Proposition 65 listed by the State of California to cause cancer and reproductive toxicity. EP further alleges that WUHAN WEI & WEN failed to provide the health hazard warning required by Proposition 65 for exposures to DEHP from the Covered Products.

1.3 Product Description.

The products covered by this Settlement Agreement are WUHAN WEI & WEN With Sugar Studio Satin Shower Caps and storage bags, with the SKU# 1282470600, which were imported, sold and/or distributed for sale in California (“Covered Products”).

1.4 60 Day Notice of Violation and Exchange of Information.

On March 1, 2022, EP served JMLE, Ross, and the requisite public enforcement agencies with a 60-Day Notice of Violation ("Notice"), related to the Covered Products, alleging that JMLE and Ross violated Proposition 65. The Notice alleged that JMLE and Ross had failed to warn their customers and consumers in California of the health hazards associated with exposures to DEHP from the import, sale and/or distribution of the Covered Products. As the manufacturer of the Covered Products and through contractual indemnity provisions, WUHAN WEI & WEN has assumed the defense of this matter.

EP subsequently provided WUHAN WEI & WEN with test results in EP's possession concerning its allegations. WUHAN WEI & WEN provided EP with sales data related to the Covered Products. To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission.

The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties' and the Covered Products' compliance with Proposition 65. Specifically, EP alleges that WUHAN WEI & WEN imported, manufactured, sold or distributed for sale in the state of California, Covered Products which contained DEHP without first providing the clear and reasonable exposure warning required by Proposition 65. WUHAN WEI & WEN denies that such a warning is required under Proposition 65 or any otherwise applicable law.

WUHAN WEI & WEN further denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has imported, manufactured and/or sold and distributed in California, including the Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by WUHAN WEI & WEN of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute an admission by WUHAN WEI & WEN of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by WUHAN WEI & WEN. This Section shall not,

however, diminish or otherwise affect WUHAN WEI & WEN's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date.

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date the Agreement is fully executed by the Parties.

2. INJUNCTIVE RELIEF: REFORMULATED PRODUCTS

Commencing on the Effective Date, and continuing thereafter, Covered Products that WUHAN WEI & WEN imports, manufactures, ships to be sold or offers for sale or purchase in or into California, or sells in California shall be deemed to comply with Proposition 65, and be exempt from any Proposition 65 warning requirements with respect to DEHP if the Products meet the standard of "Reformulated Products." No Proposition 65 warning for DEHP shall be required as to any Covered Products that are already in the stream of commerce as of the Effective Date.

or for sale in California include a clear and reasonable warning. The warning shall be affixed to the packaging or labeling using language similar to the warnings below:

Each warning shall be provided in a manner such that the consumer or user is reasonably likely to understand to which specific Product the warning applies, so as to minimize the risk of consumer confusion. In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, WUHAN WEI & WEN shall be entitled to use, at its discretion, such other warning text and/or methods of transmission without being deemed in breach of this Agreement

Two separate 1099s shall be issued for the above

assignees, licensors, each manufacturer or other entity supplying WUHAN WEI & WEN with the Covered Products, and each entity to which WUHAN WEI & WEN directly or indirectly distributes, ships or sells the Covered Products, including, but not limited to Ross, its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees and their owners, directors, officers, employees, agents, principals, insurers, accountants, representatives, attorneys, predecessors, successors, and assignees (collectively "Releasees") for any and all claims based on their alleged or actual failure to warn about alleged exposures to DEHP contained in the Covered Products that were allegedly manufactured, imported, distributed, sold and/or offered for sale by WUHAN WEI & WEN, JMLE, and Ross either directly or through the Releasees) in California before the Effective Date. The Release shall also cover any Covered Products that were in the stream of commerce prior to the Effective. its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Covered Products.

5.3 Public Benefit.

It is WUHAN WEI & WEN's contention that the commitments it has agreed to herein, and actions to be taken by WUHAN WEI & WEN under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of WUHAN WEI & WEN that to the extent any other private party initiates any action alleging a violation of Proposition 65 with respect to WUHAN WEI & WEN and/or the Releasees relating to the Covered Products they have manufactured, distributed, sold, or offered for sale in California and that are subject to this Settlement, such private party action would not confer a significant benefit on the general public provided that WUHAN WEI & WEN is in material compliance with this Settlement Agreement.
