7
8 NOW THEREFORE BE IT RESOLVED AND AGREED UPON AS BETWEEN
9 PLAINTIFF ACTING IN THE PUBLIC INTEREST AND DEFENDANT AS FOLLOWS:

10 **INTRODUCTION**

11 1.1. On March 8, 2022, Plaintiff served the Supplemental Notice upon John B.
12 Sanfilippo & Sons, Inc. and on Public Prosecutors. No Public Prosecutors commenced an
13 enforcement action with respect to the Original Notice or the Supplemental Notice. No
14 Public Prosecutor having commenced an enforcement action, Plaintiff proceeded to file
15 its Complaint against Defendant in the present action.

16 1.2. Defendant employs ten (10) or more persons.

17 1.3. For purposes of this Consent Judgment only, Plaintiff and Defendant (the
18 “Parties”) stipulate that: 1) this Court has jurisdiction over the allegations of violation
19 contained in the Complaint, and personal jurisdiction over Defendant as to the acts
20 alleged in the Complaint; 2) venue is proper in the County of Los Angeles; and 3) this
21 Court has jurisdiction to enter this Consent Judgment as a full and final resolution of all
22 claims which were or could have been raised in the Complaint based on the facts alleged
23 therein with respect to the Covered Products, and of all claims which were or could have
24 been raised by any person or entity based in whole or in part, directly or indirectly, on the
25 facts alleged in the Notice, in the present action, or arising therefrom or related thereto,
26 with respect to Covered Products, including any Proposition 65 claim arising out of an
27 exposure to Covered Products (collectively, “Proposition 65 Claims”).

1.4. By stipulating to the entry of this Consent Judgment and agreeing to provide the relief and remedies specified herein, Defendant does not admit that it has violated, or threatened to violate, Proposition 65 or any other law or legal duty. Defendant denies the material, factual, and legal allegations in the Notice and Complaint, and maintains that all of the products it has manufactured, imported, sold, and/or distributed for sale in California, including the Products, have been, and are, in compliance with all laws.

1.5. Nothing in this Consent Judgment shall be construed as an admission of any fact, finding, conclusion of law, issue of law, or violation of law, nor shall compliance with this Consent Judgment be construed as an admission of any fact, finding, conclusion of law, issue of law, or violation of law. This Section shall not, however, diminish or otherwise affect Defendant’s obligations, responsibilities, and duties under this Consent Judgment.

2. DEFINITIONS

2.1. “Effective Date” shall mean, with respect to this Consent Judgment, the date the Consent Judgment has been approved and entered by the Court.

2.2. The “Compliance Date” is the date that is twelve (12) months after the Effective Date.

3. INJUNCTIVE RELIEF

3.1. Reformulation of the Product

Any Products that are manufactured by Defendant on and after the Compliance Date that are thereafter sold in California or distributed for sale in California shall not exceed 410 ppb cadmium on average, as set forth in this Section 2. As used in this Section 2.1, “distributed for sale in California” means to directly ship a Product into California for sale in California or to sell a Product to a distributor that Defendant knows will sell the Product in California.

3.2. Testing

(a) Compliance with the Average Level shall be determined using LC-MS/MS

1
2 (Liquid Chromatograph-Mass Spectrometry), GC/MS (Gas
3 Chromatography/Mass Spectrometry), or any other testing method agreed upon
4 by the Parties. Any testing for purposes of Section 2.1 shall be performed by a
5 laboratory accredited by the State of California, a federal agency, or a
6 nationally recognized accrediting organization.

7 (b) The Average Level is determined by randomly selecting and testing, over
8 no less than a ten-day period, one sample from at least five (5) batches (or from as many
9 batches as are available, if fewer than five) and a maximum of ten (10) batches of
10 Products produced at locations that supply such Products to California (“Sampling Data”).
11 The mean and standard deviation shall be calculated using the Sampling Data. Any data
12 points that are more than three standard deviations outside the mean shall be discarded
13 once, and the mean and standard deviation recalculated using the remaining data points.
14 The arithmetic mean determined in accordance with this procedure shall be deemed the
15 “Average Level.”

16 (c) Defendant shall arrange for testing under Section 2.2 for three (3)
17 consecutive years with the first testing occurring prior to the Compliance Date. No
18 further testing shall be required after the initial three-year compliance period unless
19 Defendant receives notification that the Average Level (calculated as provided for in
20 Section 3.2(b)) of cadmium in its tested Product exceeds 410 ppb, in which case
21 Defendant shall be required to recommence the three-year compliance period.

22 **Sell-Through Period**

23 3.3. Notwithstanding anything else in this Consent Judgment, the Products that were
24 manufactured prior to the Compliance Date shall be subject to the release of liability
25 pursuant to this Consent Judgment, without regard to when such Products were, or are in
26 the future, distributed or sold to customers. As a result, the obligations of Defendant, or
27 any Releases, do not apply to these Products manufactured prior to the Compliance Date.

5. CLAIMS COVERED AND RELEASE

5.1. This Consent Judgment is a full, final, and binding resolution between Plaintiff, on behalf of itself, and acting on behalf of the public interest, and Defendant, and all of Defendant’s officers, directors, members, shareholders, employees, representatives, attorneys, agents, parent companies, subsidiaries, divisions, affiliates, entities under common ownership and the predecessors, successors, and assigns of any of them (collectively the “Defendant Releasees”), as well as all other upstream and downstream entities in the to whom Defendant directly or indirectly distributes, ships, or sells the Covered Products, including but not limited to manufacturers, retailers, suppliers, distributors, marketplace hosts, wholesalers, customers, private label customers, franchisees, licensees, licensors, and cooperative members, and all of their officers, directors, members, shareholders, employees, representatives, attorneys, agents, parent

1
2 companies, subsidiaries, divisions, affiliates, predecessors, successors, and assigns
3 (collectively, the “Released Parties”), for any alleged violation of Proposition 65, and its
4 implementing regulations, for failure to provide Proposition 65 warnings for the Covered
5 Products with respect to cadmium, and fully resolves all claims that have been brought,
6 or which could have been brought in this action up to and including the Effective Date.
7 Plaintiff on behalf of itself, and in the public interest, hereby discharges the Defendant
8 Releasees and Released Parties from any and all claims, actions, causes of action, suits,
9 demands, liabilities, damages, penalties, obligations, debts, losses, fees, costs and
10 expenses asserted with respect to any alleged violation of Proposition 65 arising from the
11 failure to provide Proposition 65 warnings about exposures to cadmium for any or all of
12 the Covered Products. Compliance with the terms of this Consent Judgment constitutes
13 compliance with Proposition 65 by Defendant with respect to any alleged failure to warn
14 about cadmium in Covered Products sold or distributed by Defendant after the Effective
15 Date.

16 5.2. Plaintiff, acting in its individual capacity only, and in consideration of the
17 promises and monetary payments contained herein, hereby releases Defendant Releasees
18 and Released Parties from any alleged claim of failure to provide Proposition 65
19 warnings for the Covered Products that Defendant has sold or caused to be sold in
20 California up to and including the Effective Date. This Consent Judgment is a full, final
21 and binding resolution of all claims that were or could have been asserted against the
22 Defendant and/or the Released Parties for failure to provide warnings for alleged
23 exposures to cadmium contained in the Covered Products.

24 5.3. It is possible that other claims not known to the Parties arising out of the facts
25 contained in the Notice, or alleged in the Complaint, relating to the Covered Products,
26 will hereafter be discovered or developed. Plaintiff, on behalf of itself only, on the one
27 hand, and Defendant, on the other hand, acknowledge that this Consent Judgment is
28 expressly intended to cover and include all such claims through and including the

1
2 Effective Date, including all rights of action thereon. Plaintiff and Defendant
3 acknowledge that the claims released in Sections 5.1 and 5.2 may include unknown
4 claims, and nevertheless intend to release such claims, and in doing so waive California
5 Civil Code § 1542 which reads as follows:
6

7 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE
8 CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO
9 EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE
10 RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE
11 MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE
12 DEBTOR OR RELEASED PARTY.

13 5.4. Plaintiff understands and acknowledges that the significance and consequence of
14 this waiver of California Civil Code § 1542 is that even if Plaintiff suffers future damages
15 arising out of or resulting from, or related directly or indirectly to, in whole or in part, the
16 Covered Products, including but not limited to any exposure to, or failure to warn with
17 respect to exposure to, chemicals in or from the Covered Products, Plaintiff will not be
18 able to make any claim for those damages against any of the Defendant Releasees or the
19 Released Parties.

20 5.5. Compliance by Defendant with the terms of this Consent Judgment shall constitute
21 compliance with Proposition 65 with respect to exposure to cadmium in the Covered
22 Products as set forth in the Notice and/or the Complaint.

23 5.6. If the California Office of Environmental Health Hazard Assessment (OEHHA)
24 promulgates regulations affecting the warning provisions set forth herein or otherwise
25 impacting the terms of this Consent Judgment (including but not limited to the published
26 “no significant risk level” for cadmium set forth at Cal. Code Regs., tit. 27, section
27 25705, subdivision ©(2) or any “alternative risk level” adopted by regulation or court
28 decision), or if OEHHA takes some other final regulatory action that determines that

warnings for cadmium are not required or modifies the standard for warnings for cadmium, then Defendant may comply with those regulations or provisions without being deemed in breach of this Consent Judgment.

5.7. If a court of competent jurisdiction or an agency of the federal government, including, but not limited to, the U.S. Food and Drug Administration, states through any guidance, regulation or legally binding act that federal law has preemptive effect on any of the requirements of this Consent Judgment, then Defendant shall not be obligated to continue any performance that would be in conflict with said federal law.

5.8. If a final decision of a court determines that warnings for cadmium exposures or that enforcement of Proposition 65 claims for cadmium exposures are preempted or otherwise unlawful or unconstitutional, then Defendant shall not be required to continue any performance under this Consent Judgment and may conform to such ruling in order to avoid unfair, inconsistent, or anti-competitive results.

6. COMPLIANCE WITH HEALTH AND SAFETY CODE SECTION 25249.7(F)

13 Upon execution of his Consent Judgment by all Parties, Plaintiff shall prepare and
