

# SETTLEMENT AGREEMENT

## 1. INTRODUCTION

### 1.1 Parties

This Settlement Agreement is entered into by and between Dennis Johnson (“Johnson”) and Tarash Designs Private Limited (“TARASH”), with Johnson and TARASH each individually referred to as a “Party” and collectively as the “Parties.” Johnson is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Johnson alleges that TARASH is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.*

### 1.2 General Allegations

Johnson alleges that TARASH manufactures, sells, and distributes for sale in California, pet bowls with exterior decorations containing lead. Lead is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Johnson alleges that TARASH failed to provide the health hazard warning required by Proposition 65 for exposures to lead.

### 1.3 Product Description

The products covered by this Settlement Agreement are specifically defined as, and limited to, the *HomeGoods Pet Bowl With Wooden Bottom; Dept.: 22; Style: 625101; Type 8; Cat: 2295; FLI 0721*, that are manufactured, sold, or distributed for sale in California by TARASH (hereinafter referred to as “Products”).

### 1.4 Notice of Violation

On March 25, 2022, Johnson served The TJX Companies, Inc. and the requisite public enforcement agencies with a 60-Day Notice of Violation, alleging that it violated Proposition 65 when it failed to warn their customers and consumers in California of the

health hazards associated with exposures to lead from the Products. Thereafter, TARASH was identified as the manufacturer/supplier of the Products, and TARASH indicated that it wanted to resolve certain claims contained in the Notice. No public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

### **1.5 No Admission**

TARASH denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by TARASH of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by TARASH of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by TARASH. This Section shall not, however, diminish or otherwise affect TARASH's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean June 16, 2022.

## **2. INJUNCTIVE RELIEF**

### **2.1 Reformulation Standards**

"Reformulated Products" are defined as those Products that: (a) contain no more than 90 parts per million ("ppm") lead in any decoration, colored artwork, designs and/or marking on the surface of the Products when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3050B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance; and (b) yield no more than 1.0 microgram of lead on any surface sampled and analyzed pursuant to the NIOSH 9100 testing protocol.

If the decoration is tested after it is affixed to the Product, the percentage of the lead by weight must related only to the decorating materials and must not include any quantity attributable to non-decorating material (e.g., ceramic substrate).

## **2.2 Reformulation/Warning Commitment**

As of the Effective Date, TARASH shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless they are Reformulated Products pursuant to Section 2.1 or bear a warning pursuant to Section 2.3.

## **2.3 Warnings**

As of the Effective Date, all Products TARASH sells and/or distributes for sale in California that do not qualify as Reformulated Products, shall bear a clear and reasonable warning pursuant to this Section. TARASH further agrees that the warning will be prominently placed with such conspicuousness when compared with other words, statements, designs or devices as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. For purposes of this Consent Judgment, a clear and reasonable warning for the Products shall contain one of the following statements:

 **WARNING:** Reproductive Harm- [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

OR

 **WARNING:** This product can expose you to chemicals including lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

## **3. MONETARY SETTLEMENT TERMS**

### **3.1 Civil Penalty Payment**

Pursuant to Health and Safety Code section 25249.7(b)(2), and as consideration for the releases contained in Sections 4.1 and 4.2 below, TARASH agrees to pay \$1,000 in civil penalties no later than the Effective Date. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health

Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Johnson and delivered to the address in Section 3.3 herein. TARASH will provide its payment in two checks as follows: (1) “OEHHA” in the amount of \$750; and (2) “Dennis Johnson” in the amount of \$250.

### **3.2 Attorneys’ Fees and Costs**

The Parties acknowledge that Johnson and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, TARASH expressed a desire to resolve Johnson’s fees and costs. The Parties reached an accord on the compensation due to Johnson’s counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, on or before the Effective Date, TARASH agrees to pay \$10,000, in the form of a check made payable to “Voorhees & Bailey, LLP,” for all fees and costs incurred investigating, bringing this matter to the attention of TARASH’s management, and negotiating a settlement.

### **3.3 Payment Address**

All payments under this Settlement Agreement shall be delivered to the following address:

Voorhees & Bailey, LLP  
990 Amarillo Avenue  
Palo Alto, CA 94303

## **4. CLAIMS COVERED AND RELEASED**

### **4.1 Johnson’s Release of Proposition 65 Claims**

Johnson acting on his own behalf, and not on behalf of the public, releases TARASH, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, agents employees, attorneys, and each entity to whom TARASH directly or indirectly distributes or sells Products, including, but not limited to, downstream

distributors, wholesalers, customers, retailers including, but not limited to The TJX Companies, Inc., franchisees, cooperative members, and licensees (collectively, “Releasees”), from all claims for violations of Proposition 65 through the Effective Date based on unwarned exposures to lead in the Products. The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to TARASH.

#### **4.2 Johnson’s Individual Release of Claims**

Johnson, in his individual capacity only and not in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys’ fees, damages, losses, claims, liabilities, and demands of Johnson of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of alleged or actual exposures to lead in the Products manufactured, imported, distributed, or sold by TARASH prior to the Effective Date. The Parties further understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to TARASH. Nothing in this Section affects Johnson’s right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve TARASH’s Products.

#### **4.3 TARASH’s Release of Johnson**

TARASH, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Johnson and his attorneys and other representatives, for any and all actions taken, or statements made by Johnson and his attorneys and other representatives, whether in the

course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

**5. SEVERABILITY**

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is deemed by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

**6. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then TARASH may provide written notice to Johnson of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.
