

# SETTLEMENT AGREEMENT

## 1. INTRODUCTION

### 1.1 Parties

This Settlement Agreement is entered into by and between Dennis Johnson (“Johnson”) and Enchante Accessories, Inc. (“Enchante”). Johnson and Enchante shall each be referred to as a “Party” and collectively as the “Parties.” Johnson is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Enchante is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

### 1.2 General Allegations

Johnson alleges that Enchante manufactures, sells, and distributes for sale in California, storage containers with PVC components containing the phthalate chemical di(2-ethylhexyl) phthalate (“DEHP”). DEHP is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Johnson alleges that Enchante failed to provide the health hazard warning required by Proposition 65 for exposures to DEHP.

### 1.3 Product Description

The products covered by this Settlement Agreement are storage containers with PVC components including, but not limited to, the *Nicole Miller Storage Box With Drawstring Liner; SKU: 52 35 269437 001699 26; Batch#/Lot#: 202105/24028* manufactured, sold, or distributed for sale in California by Enchante (hereinafter the “Products”).

### 1.4 Notice of Violation

On March 25, 2022, Johnson served Enchante, The TJX Companies, Inc., and the requisite public enforcement agencies with a 60-Day Notice of Violation (“Notice”),

alleging that the notice recipients violated Proposition 65 by failing to warn their customers and consumers in California of the health hazards associated with exposures to DEHP from the Products. No public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

### **1.5 No Admission**

Enchante denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Enchante of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Enchante of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Enchante. This Section shall not, however, diminish or otherwise affect Enchante's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean June 17, 2022.

## **2. INJUNCTIVE RELIEF: REFORMULATION/WARNING**

### **2.1 Reformulation Standards**

"Reformulated Products" are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C, or any other methodologies utilized by federal or state agencies for the purpose of determining the DEHP content in a solid substance.

### **2.2 Reformulation/Warning Commitment**

As of the Effective Date, Enchante shall not sell or offer the Products for sale in the State of California unless they are Reformulated Products pursuant to Section 2.1 or

contain a warning as set forth in Section 2.3 below. The Parties agree and intend that compliance with the terms of this Settlement Agreement shall constitute compliance with Proposition 65 with respect to exposures to DEHP from the Products. Notwithstanding the foregoing, Products that were supplied to third parties by Enchante prior to the Effective Date shall be deemed exempted from the requirements of Sections 2.2 and 2.3 and shall be permitted to be sold through as previously manufactured, packaged and labeled, as they were included in the calculation of civil penalties due pursuant to Section 3.1.

### **2.3 Warnings**

As of the Effective Date, the Products Enchante sells or distributes to third parties for sale in California that do not qualify as Reformulated Products, shall bear a clear and reasonable warning pursuant to this Section. Enchante further agrees that the warning shall be prominently placed with such conspicuousness when compared with other words, statements, designs or devices as to render it likely to be read and understood by an ordinary individual under customary conditions of use. For purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall consist of a warning affixed directly to the product or product packaging, label, or tag, for Products sold in California and containing one of the following statements:

 **WARNING:** Reproductive Harm- [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

OR

 **WARNING:** This product can expose you to chemicals, including DEHP, which are known to the State of California to cause birth defects and other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

The above warning statements shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING.”

### **3. MONETARY SETTLEMENT TERMS**

#### **3.1 Civil Penalty Payment**

Pursuant to Health and Safety Code section 25249.7(b)(2), and as consideration for the releases contained in Sections 4.1 and 4.2 below, Enchante agrees to pay, no later than the Effective Date, \$2,000 in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Johnson, and delivered to the address in Section 3.3 herein. Enchante will provide its payment, on or before the Effective Date, in two checks as follows: (1) “OEHHA” in the amount of \$1,500; and (2) “Dennis Johnson” in the amount of \$500.

#### **3.2 Attorneys’ Fees and Costs**

The Parties acknowledge that Johnson and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Enchante expressed a desire to resolve Johnson’s fees and costs. The Parties reached an accord on the compensation due to Johnson’s counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, Enchante agrees to pay, no later than the Effective Date, \$14,500, in the form of a check made payable to “Voorhees & Bailey, LLP,” for all fees and costs incurred investigating, bringing this matter to the attention of Enchante’s management, and negotiating a settlement.

#### **3.3 Payment Address**

All payments under this Settlement Agreement shall be delivered to the following address:

Voorhees & Bailey, LLP  
990 Amarillo Avenue
