

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Donatus McCoy (“McCoy”), and K2 Sports, LLC dba Backcountry Access (“K2”). Together, McCoy and K2 are collectively referred to as the “Parties.” McCoy is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. McCoy alleges that K2 is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. McCoy alleges that K2 has exposed individuals to bisphenol A (BPA) from its sales of Backcountry Access B-2 EXT Shovels, and has exposed individuals to di(2-ethylhexyl) phthalate (DEHP) from its sales of BCA Shaxe Speed Avalanche Shovels and BCA Stealth 270 Avalanche Probes without first providing users and consumers of the products with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65.

BPA is listed pursuant to Proposition 65 as a chemical known to the State of California to cause birth defects or other reproductive harm.

DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

BPA and DEHP are collectively referred to herein as the “Listed Chemicals”.

1.3 Product Description. The products covered by this Settlement Agreement are Backcountry Access B-2 EXT Shovels¹, BCA Shaxe Speed Avalanche Shovels², and BCA Stealth 270 Avalanche Probes³ (collectively, the “Products”) that have been imported, distributed, offered for sale and/or sold in California by K2.

¹ Referred to in the respective Notice of Violation as “Backcountry Access B2 EXT Shovel.”

² Referred to in the respective Notice of Violation as “BCA Shaxe Speed Shovel.”

³ Referred to in the respective Notice of Violation as “BCA Stealth 270 Measuring Rods.”

1.4 Notices of Violation. On May 12, 2022⁴, May 19, 2022⁵, and June 16, 2022⁶, McCoy gave notice of alleged violations of Health and Safety Code § 25249.6 (collectively, the “Notices”) alleging that K2 violated Proposition 65 for failing to warn consumers and customers that use of the Products exposes users in California to the Listed Chemicals. No public enforcer has brought an action or is diligently prosecuting the claims alleged in the Notices.

1.5 No Admission. K2 denies the material factual and legal allegations contained in the Notices and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by K2 of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by K2 of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by K2. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notices, K2 maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: REFORMULATION AND/OR WARNINGS

2.1 Reformulation of Products that Expose Users to DEHP⁷. As of the Effective Date, and continuing thereafter, Products that K2 directly manufactures, imports, distributes, sells, or offers for sale in California shall either be: (a) reformulated DEHP Products pursuant to § 2.2, below; or (b) be labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 and 2.4, below. For purposes of this Settlement Agreement, a “Reformulated DEHP Product” is a Product that is in

2.2 Reformulation Standard. “Reformulated DEHP Products” shall mean Products that contain concentrations less than or equal to 0.1% (1,000 parts per million (ppm)) of DEHP when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining the phthalate content in a solid substance.

2.3 Clear and Reasonable Warning. As of the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that K2 manufacturers, imports, distributes, sells, or offers for sale in California that is not a DEHP Reformulated Product, and for any Product that creates and exposure to BPA. There shall be no obligation for K2 to provide an exposure warning for Reformulated DEHP Products or Products that entered the stream of commerce prior to the Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning for Products that Expose Users to DEHP:** The “**Warning**” shall consist of the statement:

 **WARNING:** This product can expose you to chemicals, including di(2-ethylhexyl) phthalate (DEHP), which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(b) **Warning for Products that Expose Users to BPA:** The “**Warning**” shall consist of the statement:

 **WARNING:** This product can expose you to chemicals, including bisphenol A (BPA), which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(c) **Alternative Warning**⁸: K2 may, but is not required to, use the alternative short-form warning as set forth in this § 2.3(b) (“**Alternative Warning**”) as follows:

 **WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

⁸ If the Product creates an exposure to BPA only, the language “Cancer and” shall not appear in the **Alternative Warning**.

2.4 The **Warning** or **Alternative Warning** must comply with the regulations set forth in 27 CCR 25603. A **Warning** or **Alternative Warning** provided pursuant to § 2.3 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”. The **Warning** or **Alternative Warning** shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process, provided that the **Warning** or **Alternative Warning** is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. The **Warning** or **Alternative Warning** may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings.

In addition to affixing the **Warning** or **Alternative Warning** to the Product’s packaging or labeling, the **Warning** or **Alternative Warning** shall be posted on websites where K2 offers Products for sale to consumers in California. The requirements of this Section shall be satisfied if the **Warning** or **Alternative Warning**, or a clearly marked hyperlink using the word “**WARNING,**” appears on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. To comply with this Section, K2 shall (a) post the **Warning** or **Alternative Warning** on its own website and, if it has the ability to do so, on the websites of its third-party internet sellers; and (b) if it does not have the ability to post the **Warning** or **Alternative Warning** on the websites of its third-party internet sellers, provide such sellers with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2. Third-party internet sellers of the Product that have been provided with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2 are not released in Section 5 of this Agreement if they fail to meet the warning requirements of this Section.

2.5 Compliance with Warning Regulations. The Parties agree that K2 shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2 of this Settlement Agreement or by complying with warning requirements adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") applicable to the Product and the exposures at issue after the Effective Date.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

4. **REIMBURSEMENT OF FEES AND COSTS**

The Parties acknowledge that McCoy and his counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to McCoy and his counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, K2 shall reimburse McCoy's counsel for fees and costs incurred as a result of investigating and bringing this matter to K2's attention, and negotiating a settlement in the public interest. Within forty-five (45) days of the Effective Date, K2 shall issue a check payable to "Brodsky & Smith" in the amount of \$28,250.00 for delivery to the address identified in § 3.2(a)(i), above.

5. RELEASE OF ALL CLAIMS

5.1 Release of K2 and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between McCoy, acting on his own behalf, and K2, of any violation of Proposition 65 that was or could have been asserted by McCoy or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns ("Releasers") for failure to provide warnings for alleged exposures to Listed Chemicals from use of the Products, and Releasers hereby release any such claims against K2 and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom K2 directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the "Releasees"), from all claims for violations of Proposition 65 through the Effective Date based on exposure to Listed Chemicals from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, McCoy, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims

that he may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the Listed Chemicals from use of the Products.

5.2 K2's Release of McCoy. K2, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against McCoy, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by McCoy and/or his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notices and relating to the Products will develop or be discovered. McCoy on behalf of himself only, on one hand, and K2, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

McCoy and K2 each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by K2 with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to Listed Chemicals from use of the Products.

5.5. Public Benefit. It is K2's understanding that the commitments it has agreed to herein, and actions to be taken by K2 under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of K2 that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to K2 failure to provide a warning concerning exposure to Listed Chemicals prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that K2 is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, K2 shall provide written notice to McCoy of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

8. NOTICES

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any party by the other party to the following addresses:

Either party, from time to time, may specify in writing to the other party a change of address to which all notices and other communications shall be sent.

9. COUNTERPARTS: SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or .pdf signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

McCoy agrees to comply with the reporting requirements referenced in Health & Safety Code § 25249.7(f).

11. MODIFICATION

This Settlement Agreement may be modified only by a written agreement of the Parties.

12. ENTIRE AGREEMENT

This Settlement Agreement contains the sole and entire agreement of the Parties and any and all prior negotiations and understandings related hereto shall be deemed to have been merged within it.
