**(PROPOSED) STIPULATED
CONSENT JUDGMENT**

**(Health & Safety Code §24249, et.
seq.)**

**Complaint filed: June 14, 2023
Trial Date: May 30, 2025**

INTRODUCTION

1.1 The Parties

This Stipulated Consent Judgment (“Stipulated Consent Judgment”) is hereby entered into by and between Keep America Safe And Beautiful (“KASAB”) and DEL DESTINO-ATLANTA CORPORATION (“ATALANTA”). KASAB and ATALANTA are collectively referred to as the “Parties” and sometimes each of them individually as a “Party.” KASAB is a Nonprofit Public Benefit Corporation in California who seeks to promote awareness of exposures

1 to toxic chemicals and improve human health by reducing or eliminating hazardous substances
2 contained in consumer products.

3 **1.2 Allegations and Representations**

4 (a) KASAB alleges that ATALANTA is a person in the course of doing business for
5 purposes of Proposition 65, Cal. Health & Safety Code § 25249.6 et seq., and has offered for sale
6 in the State of California and sold in California “Non Pareil Capers 32oz” that when used as
7 intended exposes consumers to Lead and that such sales have not been accompanied by
8 Proposition 65 warnings. Lead is listed under Proposition 65 as a chemical known to the State of
9 California to cause cancer and reproductive harm. KASAB has cited the “Non Pareil Capers
10 32oz” as a specific example of the product that is the subject of its allegations.

11 (b) ATALANTA does not admit and denies the material, factual, and legal allegations
12 contained in the Notice (defined hereinbelow at Section 1.4) and Complaint (defined hereinbelow
13 at Section 1.5), and maintains that all products sold, distributed, or offered for sale in California
14 by ATALANTA are in compliance with all laws, including, without limitation, Proposition 65.

15 (c) The Parties enter into this Stipulated Consent Judgment to resolve all Proposition 65
16 claims concerning the Products (defined hereinbelow at Section 1.3) set forth in the Notice,
17 including claims against upstream and downstream harvesters, suppliers, manufacturers,
18 distributors, wholesalers, marketplace hosts, licensors, licensees, auctioneers, franchisors,
19 franchisees, dealers, customers, retailers, and affiliates, who allegedly violated Proposition 65 by
20 distributing the Products in California without warnings.

21 **1.3 Covered Products**

22 The products that are covered by this Settlement Agreement are defined as, “Non Pareil
23 Capers 32oz” manufactured, distributed, sold, or offered for sale by ATALANTA in the State of
24 California (the “Products”).

25 **1.4 Notice of Violation**

26 On or about June 30, 2022, KASAB served ATALANTA (erroneously served as DEL
27 DESTINO- ATLANTA CORPORATION), Instacart (“Instacart”) and all public enforcement
28

1 agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of
2 California with a document entitled “60-Day Notice of Violation” (the “Notice”) that provided
3 ATALANTA, Instacart and such public enforcers with notice that alleged that ATALANTA and
4 Instacart were in alleged violation of Proposition 65 for failing to warn consumers and customers
5 that the Products exposed users in California to lead. No public enforcer diligently prosecuted the
6 claims alleged in the Notice within sixty days plus service time relative to the provisions of the
7 Notice to them by KASAB.

8 **1.5 Complaint**

9 On June 14, 2023, KASAB initiated this action by filing a Complaint for Civil Penalties
10 and Injunctive Relief (the “Complaint”) pursuant to Health & Safety Code § 24249.5 et seq.
11 (“Proposition 65”) against ATALANTA and Instacart. In the Complaint, KASAB alleges that the
12 Products contain lead, a chemical listed under Proposition 65 as a carcinogen and reproductive
13 toxin. KASAB alleges that these products expose consumers to lead at a concentration level
14 requiring a Proposition 65 warning. KASAB alleges that ATALANTA qualifies as a “Person”
15 within the meaning of Proposition 65, and that ATALANTA manufactures, distributes, and/or
16 offers for sale its products in the State of California. KASAB has dismissed Instacart from this
17 case.

18 **1.6 No Admission**

19 On September 4, 2024, ATALANTA filed its Answer to the Complaint wherein
20 ATALANTA denied the allegations in the Notice and Complaint and asserted affirmative
21 defenses. ATALANTA continues to deny the material allegations contained in KASAB’s Notice
22 and Complaint and maintains that it has not violated Proposition 65. Nothing in this Stipulated
23 Consent Judgment shall be construed as an admission by ATALANTA of any fact, finding, issue
24 of law, or violation of law, or any other statutory, regulatory, common law, or equitable doctrine;
25 nor shall compliance with this Stipulated Consent Judgment constitute or be construed as an
26 admission by ATALANTA of any fact, finding, conclusion, issue of law, or violation of law, such
27 being specifically denied by ATALANTA. However, this section shall not diminish or otherwise
28

1 affect the obligations, responsibilities, and duties of ATALANTA under this Stipulated Consent
2 Judgment.

3 **1.7 Execution/Effective Date**

4 1.7.1 For purposes of this Stipulated Consent Judgment, the term “Execution Date” shall
5 mean the date this Stipulated Consent Judgment is fully executed by the Parties.

6 1.7.2 For purposes of this Stipulated Consent Judgment, the term “Effective Date” shall
7 mean the date that this Stipulated Consent Judgment has been executed and approved and entered
8 by the Court including implementation of the injunctive relief measures provided at Section 2.
9 herein (“Injunctive Relief”).

10 **1.8 Sell-Through**

11 The injunctive requirements of Section 2 herein shall not apply to Products that are
12 already manufactured, canned, packaged, inventoried, warehoused, or put into the stream of
13 commerce between the Execution Date and one-hundred and twenty (120 days) after the Effective
14 Date (“Sell-Through Products”), which Sell-Through Products are expressly subject to and have
15 the benefit of the releases provided in Sections 6.2 to 6.6 herein. Sell-Through Products may be
16 sold, offered for sale, and distributed in/to California without compliance with the injunctive
17 provisions of Section 2 herein.

18 **2. INJUNCTIVE RELIEF: WARNINGS OR REFORMULATION**

19 **Compliance with Proposition 65 Warning Regulations.** As of the Effective Date, and
20 except for Sell-Through Products, ATALANTA, at its sole discretion, agrees to either (a) cease
21 selling, offering for sale or distributing the Products in California (“Ceases Selling”), (b)
22 manufacture, import, or otherwise source for authorized sale in California only Reformulated
23 Products, as defined pursuant to Section 2.4 hereinbelow, or (c) provide a clear and reasonable
24 Proposition 65 warning on the Products pursuant to Sections 2.1 to 2.3 hereinbelow, to be in
25 compliance with Proposition 65 and this Stipulated Consent Judgment.

A. WARNINGS

2.1 Provide a Proposition 65 Warning Label on the Products. Unless ATALANTA Ceases Selling or complies with Section 2.4 herein, ATALANTA shall provide Proposition 65 warnings on the labels of the Products to consist of either a Warning or an Alternative Warning described in Sections 2.1(a) or (b), respectively, as follows:

(a) The “Warning” shall consist of the following statement:

(i) “**WARNING:** Consuming this product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm.

For more information go to www.P65Warnings.ca.gov/food.”

(ii) “**CALIFORNIA WARNING:** Consuming this product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food”; or

(iii) “**CA WARNING:** Consuming this product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food”; or

(b) ATALANTA may, but is not required to, use the alternative short-form warning as set forth in this Section 2.1(b) (“Alternative Warning”), which shall consist of either one of the following statements:

(i) “**WARNING:** Risk of cancer and reproductive harm from exposure to lead. For more information go to www.P65Warnings.ca.gov/food”; or

(ii) “**WARNING:** Can expose you to lead, a carcinogen and reproductive toxicant. For more information go to www.P65Warnings.ca.gov/food.”

(iii) “**CALIFORNIA WARNING:** Risk of cancer and reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food”;

(iv) “**CALIFORNIA WARNING:** Can expose you to lead, a carcinogen and reproductive toxicant. See www.P65Warnings.ca.gov/food”;

- (v) “**CA WARNING:** Risk of cancer and reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food”; or
- (vi) “**CA WARNING:** Can expose you to lead, a carcinogen and reproductive toxicant. See www.P65Warnings.ca.gov/food.”

2.2 The **Warning or Alternative Warning (collectively the “Warnings”)** provided pursuant to Section 2.1(a) or (b) must have the term “**CA WARNING**” or “**CALIFORNIA WARNING**” or “**WARNING:**” printed in all capital letters and in bold print. The Warnings shall be prominently displayed on the Products’ label, labeling or sign and displayed with such conspicuousness, as compared with other words, statements, or designs or devices on the label, labeling, or sign as to render the Warning likely to be seen, read and understood by an ordinary individual under customary conditions of purchase or use.

2.3 Internet Warnings

Consistent with this Stipulated Consent Judgment, including Section 2.4 below, if, after the Effective Date, and except for Sell-Through Products, ATALANTA sells the Products to consumers located in California, via the internet, on each of their own respective proprietary internet websites, or any affiliated websites or a third-party website over which either ATALANTA has control to post warnings, that ATALANTA shall provide warnings for each Product both on the Product label in accordance with Section 2.2 – if testing in accordance with Section 2.4 inclusive herein (including Section 2.4; Section 2.4(a)-(d)) finds that a consumer’s average daily consumption of lead from the Product or Products, has exceeded 0.5 micrograms per day or such other safe harbor level adopted by OEHHA from time to time – by prominently displaying the warning on each of its own proprietary internet websites, or any affiliated websites or third party website over which ATALANTA has control to post warnings, to the California consumer during the purchase of the Products for delivery within California without requiring customers to seek out the warning (the “Internet Warning”). If required, ATALANTA will ensure this Internet Warning or a clearly marked hyperlink to the warning using the words “CA WARNING” or “CALIFORNIA WARNING” or “WARNING” given in conjunction with the sale of the Products via the company’s

1 internet to California customers appears on the same web page on which the Products are displayed
2 in California or is otherwise prominently displaying the warning to the customer prior to completing
3 the purchase. To the extent that the current Proposition 65 requirements for Internet Warnings are
4 changed, ATALANTA may elect to adhere to any such changes in lieu of that which is set forth
5 herein. Where ATALANTA sells, ships, or distributes the Products to third-party retailers or e-
6 commerce marketplaces for resale of the Products in California, ATALANTA will advise them, in
7 writing, of the Internet Warning requirements, if applicable, under this Stipulated Consent
8 Judgment.

9 B. TESTING

10 **2.4 Testing the Product for Lead.** In the alternative to Warnings and/or the Internet
11 Warning, and except for Sell-Through Products, ATALANTA may sell or distribute (and/or cause
12 to be sold) Products, including Products sold/supplied directly to retailers or via the internet,
13 without the Warnings and Internet Warnings described in Sections 2.1-2.3 if it tests the Products
14 including the Products subject to the Notice and Complaint for the presence of lead, and if the test
15 results show that 0.5 micrograms per day of lead is not exceeded by a consumer's average daily
16 consumption of the Products, or such other safe harbor level adopted by OEHHA from time to time,
17 as determined by Sections 2.4(a)-2.4(d).

18 (a) Calculation of Lead Average Daily Exposure Levels

19 A Product subject to the Notice of Violation for the presence of lead in Products
20 covered by this Stipulated Consent Judgment for which the average daily exposure level does not
21 exceed 0.5 micrograms of lead per day, is determined by the formula, testing and quality control
22 methodology described in Sections 2.4(b)-2.4(d). For purposes of determining if a warning is
23 required pursuant to Sections 2.1-2.3, the average concentration utilizing the geometric mean of
24 lead detection results of at least five (5) and up to ten (10) samples of the relevant Product, randomly
25 selected and tested by or at the direction of ATALANTA, shall be controlling.

26 ////

27 ////

1 **(b) Calculation Formula**

2 For purposes of this Stipulated Consent Judgment, average daily exposure levels
3 shall be measured in micrograms per day and shall be calculated using the following formula: the
4 average concentration level of lead in the Product in micrograms per gram, multiplied by grams of
5 Product per serving of the Product (using the serving size appearing on the Product label),
6 multiplied by a frequency of consumption of once every fourteen (14) days (i.e. 1/14).

7 **(c) Testing and Quality Control Methodology**

8 All lead concentration testing pursuant to this Agreement shall be performed by or
9 at the direction of ATALANTA using a laboratory method that complies with the performance and
10 quality control factors appropriate for the method used, including limit of detection, limit of
11 quantification, accuracy, and precision and meets the following criteria: Inductively Coupled
12 Plasma-Mass Spectrometry (ICP-MS) achieving a limit of quantification of less than or equal to
13 0.010 mg/kg, any future method or improvement that becomes the industry standard for lead
14 concentration testing (as evidenced by advancements in technology or changes in regulatory or
15 industry guidance), or any other testing method subsequently agreed upon in writing by the Parties.

16 **(d) Testing Schedule**

17 ATALANTA shall not be required to engage in testing pursuant to this Stipulated
18 Consent Judgment unless ATALANTA distributes into California any Product without a warning.
19 Except for Sell-Through Products referenced in Section 1.8 above, Product testing shall be
20 performed by or at the direction of ATALANTA on and after the date that is one-hundred and
21 twenty (120) days after the Effective Date, and testing shall continue thereafter at least once per
22 year for a period of five (5) years after the Effective Date, after which Atalanta may have the option
23 to test the Products at its discretion, and the test results shall be controlling. ATALANTA shall
24 have the continuing option of commencing or halting labeling at any time consistent with the terms
25 of this Stipulated Consent Judgment.

26 **2.5 Compliance with Regulations.** ATALANTA shall be deemed to comply with this
27 Stipulated Consent Judgment by either adhering to Sections 2.1-2.4 of this Stipulated Consent
28

Judgment or by complying with warning requirements and/or safe harbor levels adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA").

2.6 Entry of Consent Judgment. Upon execution of this Stipulated Consent Judgment by the Parties, KASAB shall file and notice a Motion for Court Approval of this Consent Judgment and, within ten (10) days of approval of the Consent Judgment by the Court, comply with the requirements set forth in California Health & Safety Code § 25249.7(f).

2.7 Attorney General Objection. If the California Attorney General objects to any term in this Consent Judgment, the Parties shall use their best efforts to resolve the concern in a timely manner, and if possible, prior to the hearing on the motion.

2.8 Void if Not Approved. If this Stipulated Consent Judgment is not approved by the Court, it shall be void and have no force or effect.

3. CIVIL PENALTY & REIMBURSEMENT OF FEES AND COSTS

3.1 Payment pursuant to Health & Safety Code Section 25249.7(b). ATALANTA shall pay a Civil Penalty of \$500.00 to be apportioned in accordance with California Health & Safety Code § 25192, with 75% of these funds remitted to the State of California's Office of Environmental Health Hazard Assessment (CCR Title 11 Div 4-Proposition 65 Private Enforcement) and the remaining 25% of the penalty remitted to KASAB, as provided by California Health & Safety Code § 25249.7. The Civil Penalty payment(s) shall be delivered to the addresses identified in Section 3.3, below. For all amounts due and owing that are not received within the payment times set forth below, ATALANTA shall pay a late civil penalty payment fee equal to \$100/day to be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) and (d).

3.2 Civil Penalty. ATALANTA shall issue two separate checks for the Civil Penalty payment to (a) "OEHHA" in the amount of \$375.00 (75%); and to (b) "Law Offices of Stephanie Sy" in the amount of \$125.00 (25%). The Civil Penalty payment(s) shall be delivered to the

14 3.5 The Law Offices of Stephanie Sy agree to provide ATALANTA with tax
15 identification information, including W-9 information, within two (2) business days following the
16 Effective Date.

17 3.6 Other than the payment specified herein, each side is to bear its own attorneys’
18 fees and costs.

19 **4. RETENTION OF JURISDICTION**

20 4.1 This Court shall retain jurisdiction over this matter to enforce, modify, or
21 terminate this Stipulated Consent Judgment.

22 **5. MODIFICATION OF CONSENT JUDGMENT**

23 5.1 This Stipulated Consent Judgment may be modified only as to the injunctive terms
24 by (A) written stipulation of the Parties and upon entry by the Court of a modified consent
25 judgment, or (B) by motion of either Party pursuant to this Section 5 and upon entry by the Court
26 of a modified consent judgment.

27 5.2 If ATALANTA seeks to modify this Stipulated Consent Judgment, then
28

1 ATALANTA must provide written notice to KASAB of its intent (“Notice of Intent”). If KASAB
2 seeks to meet and confer regarding the proposed modification in the Notice of Intent, then
3 KASAB shall provide written notice of intent to meet and confer to ATALANTA within thirty
4 (30) days of receiving the Notice of Intent. The Parties shall then meet and confer in good faith in
5 person, via telephone, or via video conference within thirty (30) days of KASAB’s written notice
6 of intent to meet and confer. Within thirty (30) days of such a meeting, if KASAB disputes the
7 proposed modification, KASAB shall provide ATALANTA a written basis for its opposition. The
8 Parties shall continue to meet and confer for an additional thirty (30) days in an effort to resolve
9 any remaining disputes. Should it become necessary, the Parties may agree in writing to different
10 deadlines for the meet-and-confer period.

11 5.3 In the event that ATALANTA initiates or otherwise requests a modification under
12 this Section 5 for reasons other than enactment of regulations, legislation or judicial rulings
13 providing that a Proposition 65 warning for the Covered Products is no longer required, and the
14 meet and confer process under Section 5.1 leads to a motion or application for a modification of
15 the Stipulated Consent Judgment, ATALANTA shall reimburse KASAB its costs and reasonable
16 attorney fees for the time spent in the meet-and-confer process and filing and arguing the motion.

17 **6. CLAIMS COVERED AND RELEASED**

18 **6.1 Binding Effect, Release of All Claims, Claims Released**

19 This Stipulated Consent Judgment shall have no application to any Product that is
20 distributed or sold exclusively outside the State of California and/or that is not used by California
21 consumers. Nothing in this Stipulated Consent Judgment is intended to apply to any occupational
22 or environmental exposures arising under Proposition 65.

23 6.2 This Stipulated Consent Judgment is a full, final, and binding resolution between
24 KASAB, on behalf of itself and its respective officers, directors, shareholders, employees, agents,
25 parent companies, subsidiaries, divisions, and affiliates and on behalf of the public interest, and
26 ATALANTA and its respective officers, directors, shareholders, owners, members, partners,
27 marketers, employees, agents, principals, parent companies, subsidiaries, divisions, affiliates,
28

1 franchisors, franchisees, licensors, licensees, customers, suppliers, distributors, wholesalers, or
2 retailers, purchasers, users, and all other upstream and downstream persons and entities in the
3 distribution chain of the Products including, but not limited to, Instacart and the predecessors,
4 successors, assigns and affiliates of any of them (collectively, the “Released Parties”).

5 **6.3** Compliance with the terms of this Stipulated Consent Judgment shall be deemed to
6 constitute compliance with Proposition 65 by any of the Released Parties regarding alleged
7 exposures to lead from the Products as set forth in the Notice and Complaint.

8 **6.4 KASAB Release of ATALANTA.** KASAB, on behalf of itself and its respective
9 officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, and
10 affiliates and on behalf of the public interest fully releases and discharges Released Parties from
11 any and all claims, actions, cause of action, suits, demands, liabilities, damages, penalties, fees
12 costs, and expenses asserted, or that could have been asserted based on or related to the handling,
13 use, sale, distribution, or consumption of the Products in California, as to any alleged violation of
14 Proposition 65 or its implementing regulations up through the Effective Date, based on a failure
15 to provide Proposition 65 warnings on the Products with respect to lead as set forth in the Notice
16 and Complaint.

17 **6.5** KASAB on its own behalf only, and ATALANTA on its own behalf only, further
18 waives and releases any and all claims they, their attorneys, or their representatives may have
19 against each other for all actions or statements made or undertaken in the course of seeking or
20 opposing enforcement of Proposition 65 in connection with the Notice and Complaint up through
21 and including the Effective Date, provided, however, that nothing in this Section shall affect or
22 limit any Party’s right to seek to enforce the terms of this Stipulated Consent Judgment.

23 **6.6 California Civil Code Section 1542.** It is possible that other claims not known to
24 the Parties, arising out of the facts alleged in the Notice and Complaint, and relating to the
25 Products, will develop or be discovered. KASAB on behalf of itself only, and ATALANTA on
26 behalf of itself only, acknowledge that this Stipulated Consent Judgment is expressly intended to
27 cover and include all such claims up through and including the Effective Date, including all rights
28

1 of action therefore. KASAB and ATALANTA acknowledge that the claims released in Sections
2 6.2, 6.4, and 6.5 above may include unknown claims, and nevertheless waive California Civil
3 Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:
4

5 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE
6 CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO
7 EXIST IN HIS OR HER FAVOR, AT THE TIME OF EXECUTING THE
8 RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE
9 MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR
10 OR RELEASED PARTY.

11 This release relates to the Products only. KASAB releases no other products or claims as to other
12 products ATALANTA may sell in California.

13 6.7 **ATALANTA Release of KASAB**

14 Aside from any potential dispute relating to this Stipulated Consent Judgment.
15 ATALANTA waives all claims against KASAB, its attorneys and other representatives, for all
16 actions taken, or statements made by KASAB and its attorneys and other representatives in the
17 course of investigating the claims or otherwise seeking enforcement of Proposition 65 against it
18 in this matter and as alleged in the Notice and Complaint with respect to the Products.

19 7. **SEVERABILITY AND MERGER**

20 If after the Effective Date of this Stipulated Consent Judgment any of the provisions of
21 this document are held by a court to be unenforceable, the validity of the enforceable provisions
22 remaining shall not be adversely affected.

23 This Stipulated Consent Judgment contains the sole and entire agreement of the Parties,
24 and all prior negotiations and understandings related hereto shall be deemed to have been merged
25 within it. No representations or terms of agreement other than those contained herein exist or
26 have been made by any Party with respect to the other Party or the subject matter hereof.

27 8. **GOVERNING LAW**

28 8.1 The terms and conditions of this Stipulated Consent Judgment shall be governed
by and construed in accordance with the laws of the State of California. In the event that
Proposition 65 is repealed, or is otherwise rendered inapplicable, amended, or clarified for

1 reasons, including but not limited to changes in the law, then ATALANTA may file a motion or
2 request to the court to amend, modify or terminate this Stipulated Consent Judgment to provide
3 that a Proposition 65 warning on the Products is no longer required, and KASAB shall not oppose
4 the motion unless it believes under the law that the amendment, modification or termination of
5 this Stipulated Consent Judgment is not justified by the repeal of Proposition 65 or the
6 amendment, change, clarification, or inapplicability of the law pertaining to Proposition 65 as it
7 relates to this Stipulated Consent Judgment. Upon the granting of any such motion, this
8 Stipulated Consent Judgment shall be null and void and ATALANTA shall have no further
9 injunctive obligations pursuant to this Stipulated Consent Judgment effective the Effective Date
10 of the repeal, amendment, clarification or change in the law with respect to, and to the extent that,
11 the Covered Products are so affected. In the event the California Office of Health Hazard
12 Assessment adopts a regulation or safe use determination, or issues an interpretive guideline that
13 exempts Covered Products from meeting the requirements of Proposition 65; or if lead cases are
14 permanently enjoined by a court of competent jurisdiction; or if Proposition 65 is determined to
15 be preempted by federal law or a burden on First Amendment rights with respect to lead in
16 Covered Products or Covered Products substantially similar to Covered Products, then
17 ATALANTA shall have the right to file a motion with the court to be relieved of its obligations to
18 comply with Section 2 herein, effective the effective date of the regulation, safe use
19 determination, interpretive guideline, injunction, preemption or First Amendment rights
20 determination, and KASAB shall not oppose the motion unless it believes a granting of the
21 motion is not justified under the law.

22 8.2 This Stipulated Consent Judgment shall apply to and be binding upon KASAB and
23 ATALANTA, and their parents, divisions, subdivisions, subsidiaries, and affiliates, if any, and
24 the Parties' predecessors, successors and assigns.

25 8.3 The Parties, including their counsel, have participated in the preparation of this
