1.5 No Admission. Zrike denies the material factual and legal allegations contained in the Notices and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Zrike of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Zrike of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Zrike. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notices, Zrike maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

This Settlement Agreement is a full, final and binding resolution between Enforcers, acting on their own behalf, and Zrike, of any violation of Proposition 65 that was or could have been asserted by Enforcers or on behalf of their past and current agents, representatives, attorneys, successors, and/or assigns ("Releasers") for failure to provide warnings for alleged exposures to lead from use of the Products, and Releasers hereby release any such claims against Zrike and its parents, subsidiaries, affiliated entities, licensors, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Zrike directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to The TJX Companies, Inc., its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the "Releasees"), from all claims for violations of Proposition 65 through the Effective Date based on exposure to lead from use of the Products.
