

# SETTLEMENT AGREEMENT

## **1. INTRODUCTION**

### **1.1 Parties**

This settlement agreement ("Settlement Agreement") is entered into by and between CalSafe Research Center, Inc., ("CRC"), on the one hand, and Fine Food Dittmann, Inc., ("Fine Food Dittmann") on the other hand, with CRC and Fine Food Dittmann each individually referred to as a "Party" and collectively as the "Parties."

### **1.2 General Allegations**

CRC alleges in a 60-Day Notice of Violation dated July 8, 2022 (2022-01510), that Fine Food Dittmann sells and/or distributes stuffed pepperoncinis in California that contain lead without a warning required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65") (the "Notice"). Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm.

### **1.3 Product Description**

The product covered by this Settlement Agreement is defined as, and expressly limited to, Dittmann, Pepperoncini Stuffed with cheese Filling, (hereinafter collectively the "Product") that contains lead and that is manufactured, sold or distributed for sale in California by Fine Food Dittmann.

### **1.4 Notice of Violation**

On July 8, 2022, CRC served the Notice on Fine Food Dittmann, the California Attorney General and the other requisite public enforcers, alleging that Fine Food Dittmann and others violated Proposition 65 when they failed to consumers in California of the alleged exposures to lead from the Product.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

### **1.5 No Admission**

Fine Food Dittmann denies the material, factual and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Product, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Fine Food Dittmann or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Fine Food Dittmann or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Fine Food Dittmann. This Section shall not, however, diminish or otherwise affect Fine Food Dittmann's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date on which a complete and fully executed copy of this Settlement Agreement is exchanged by the Parties' counsel.

## 2. INJUNCTIVE RELIEF

### 2.1 Clear and Reasonable Warnings; Compliance Date

Beginning on a date fourteen months from the Effective Date, which date shall be referred to as the "Compliance Date", unless it meets the warning requirements under Sections 2.3, Fine Food Dittmann shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California" (in person or online), purchasing for sale or directly selling in the State of California, any Product that exposes a person to an exposure level of more than 0.5 micrograms of lead per serving, with serving size measured by the serving size specified on the label of the Product.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship Product into California for sale in California or to sell Product to a distributor that Fine Food Dittmann knows or has reason to know will sell the Product in California. The injunctive relief in Section 2 does not apply to Product that has left the possession and is no longer under the control of Fine Food Dittmann prior to the Compliance Date and all claims as to such Product is released in this Settlement Agreement.

### 2.2 General Warning Requirements

Fine Food Dittmann agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Product shall consist of a warning affixed to the packaging, label, tag, or directly to each of the Product sold or distributed in California by Fine Food Dittmann that contains one of the following statements:

- 1) WARNING: Consuming this product can expose you to chemicals including Lead which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food);
- 2) WARNING: Cancer and Reproductive Harm-[www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

The warning shall be offset in a box with black outline. The same warning shall be posted on any websites where the Product is sold in California.

#### (i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment or another authorized agency promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, or legislation is enacted by the California legislature, United States Congress or voters with such requirements or permission, Fine Food Dittmann shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations, legislation or judicial rulings are enacted or issued providing that a Proposition 65 warning for the product is no longer required, a lack of warning will not thereafter be a breach of this Agreement.

### **2.3 Grace Period for Existing Inventory of Products**

The injunctive requirements of Section 2 shall not apply to Product that is already in the stream of commerce as of the Effective Date, which Product is expressly subject to the releases provided in Section 4.1.
