

## **SETTLEMENT AGREEMENT**

### **1. INTRODUCTION**

#### **1.1 Parties**

This Settlement Agreement is entered into by and between EnviroProtect, LLC (“EP”) on the one hand and Gina Concepts LLC, having an address at 10 West 33<sup>rd</sup> Street, Suite 306, New York, New York 10001 (“GINA”) on the other hand, with GINA and EP each individually referred to as a “Party” and collectively as the “Parties.”

#### **1.2 Introduction and General Allegations.**

1.2.1 EP is a limited liability company duly organized and existing in the State of California, which seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products.

1.2.2 EP alleges that GINA employs ten or more persons, and EP alleges that GINA is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2.3 EP alleges that GINA imported, sold, and/or distributed for sale in California Covered Products, as defined below, that contain Di-(2-ethylhexyl) phthalate (“DEHP”), a chemical pursuant to Proposition 65 listed by the State of California to cause cancer and reproductive toxicity. EP further alleges that GINA failed to provide the health hazard warning required by Proposition 65 for exposures to DEHP from the Covered Products.

#### **1.3 Product Description.**

The products covered by this Settlement Agreement are the GINA Beauty Sponges and bags and the Gina Pride Cosmetic Bag, which were imported, sold and/or distributed for sale in California by GINA (“Covered Products”).

#### **1.4 60 Day Notices of Violation and Exchange of Information.**

On March 2, 2022 and August 2, 2022, EP served GINA, Burlington Stores, Inc. (“Burlington”), and the requisite public enforcement agencies with two separate 60-Day Notices of Violation (“Notices”), related to the Covered Products, alleging that GINA and Burlington violated Proposition 65. The Notices alleged that GINA and Burlington had failed to warn their customers and consumers in California of the health hazards associated with exposures to DEHP from the import, sale and/or distribution of the Covered Products.

EP subsequently provided GINA with test results in EP’s possession concerning its allegations. GINA provided EP with test results in GINA’s possession concerning the allegations. GINA provided EP with sales data related to the Covered Products. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notices.

#### **1.5 No Admission.**

The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties’ and the Covered Products’ compliance with Proposition 65. Specifically, EP alleges that GINA imported, manufactured, sold or distributed for sale in the state of California, Covered Products which contained DEHP without first providing the clear and reasonable exposure warning required by Proposition 65. GINA denies that such a warning is required under Proposition 65 or any otherwise applicable law.

GINA further denies the material, factual, and legal allegations contained in the Notices and maintains that all of the products that it has imported, manufactured and/or sold and distributed in California, including the Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by GINA of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by GINA of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by GINA. This Section shall not, however, diminish or otherwise affect GINA’s obligations, responsibilities, and duties under this Settlement Agreement.

## 1.6 **Effective Date.**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date the Agreement is fully executed by the Parties.

## 2. **INJUNCTIVE RELIEF: REFORMULATED PRODUCTS**

2.1 **Reformulation Standard.** Commencing on the Effective Date, and continuing thereafter, Covered Products that GINA imports, manufactures, ships to be sold or offers for sale or purchase in or into California, or sells in California shall be deemed to comply with Proposition 65, and be exempt from any Proposition 65 warning requirements with respect to DEHP if the Products meet the standard of "Reformulated Products." "Reformulated Products" shall mean Covered Products containing less than or equal to 1,000 parts per million (0.1%) DEHP in each Accessible Component when analyzed pursuant to Environmental Protection Agency testing methodologies 3580A and 8270C, CPSC-CH-C1001-09.3 or equivalent methodologies utilized by federal or state agencies for the purpose of determining DEHP content in a solid substance ("Reformulation Standard"). Covered Products, currently in the channels of distribution with distributors and retailers may continue to be sold-through. However, as of the Effective Date, GINA may not distribute or sell new Covered Products in California that are not Reformulated Products or do not contain the warnings set forth in Paragraph 2.3.

2.2 **Warning Option.** Covered Products that are not reformulated or do not meet the Reformulation Standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning shall only be required as to Covered Products that are sold or shipped out to consumers, retailers, or distributors in California after the Effective Date. No Proposition 65 warning for DEHP shall be required as to any Covered Products that are already in the stream of commerce as of the Effective Date.

2.3 **Warning Language.** Commencing on the Effective Date, GINA shall ensure that any unreformulated Covered Products that it ships to California retailers or for sale in California include a clear and reasonable warning. The warning shall be affixed to the packaging or labeling using language similar to the warnings below:

▲ **WARNING:** This product can expose you to chemicals including Di-(2-ethylhexyl) phthalate (DEHP), which are known to the State of California to cause cancer and

birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

OR

⚠ **WARNING:** Cancer and Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

The warning shall be prominently displayed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user is reasonably likely to understand to which specific Product the warning applies, so as to minimize the risk of consumer confusion. In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, GINA shall be entitled to use, at its discretion, such other warning text and/or methods of transmission without being deemed in breach of this Agreement

**2.4 Accessible Component.** The term “Accessible Component” shall mean any component of the Covered Product that could be touched by a person during reasonably foreseeable use.

**2.5 Compliance with Warning Regulations.** GINA shall be deemed to be in compliance with this Settlement Agreement by either adhering to §§ 2.2 and 2.3 of this Settlement Agreement or by complying with warning requirements adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”) after the Effective Date.

### **3. CIVIL PENALTY PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)**

GINA shall pay a civil penalty of \$1,000 to be apportioned in accordance with California Health & Safety Code §§25249.12(c) & (d), with 75% of these funds remitted to the State of California's Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty remitted to EP. GINA or an affiliate thereof shall issue two separate checks for the penalty payment: (a) one check made payable to the Kawahito Law Group in Trust for the State of California's Office of Environmental Health Hazard Assessment (“in Trust for OEHHA”) in the amount of \$750 representing 75% of the initial civil penalty and (b) one check to “Kawahito

Law Group in Trust for EnviroProtect” in the amount of \$250, representing 25% of the initial civil penalty. Two separate 1099s shall be issued for the above payments: The first 1099 shall be issued to OEHHA, P.O. Box 4010, Sacramento, CA 95814 (EIN: 68-0284486). The payment shall be delivered on or before November 21, 2022 to the following address:

James Kawahito, Esq.  
Kawahito Law Group APC  
300 Corporate Pointe Ste 340  
Culver City, CA 90230

Payment may also be made by wire or ACH or wire transfer. Instructions will be provided separately upon request.

**4. REIMBURSEMENT OF FEES AND COSTS**

The Parties acknowledge that EP and its counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving any fee reimbursement issue to be resolved by and between EP and its counsel after the material terms of the agreement had been settled, which agreement or lack thereof will not in any way affect this Settlement Agreement. The parties reached an accord on the compensation due to EP and its counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure (CCP) § 1021.5, for all work performed through the mutual execution of this agreement. More specifically, GINA shall pay the total amount of \$25,000 for fees and costs incurred by EP as a result of investigating, bringing this matter to the attention of GINA, and negotiating a settlement. Except as set forth herein, GINA shall not owe any amount to EP or its counsel. GINA or an affiliate thereof shall wire the funds (instructions will be provided upon request) or make payment by check payable to “Kawahito Law Group APC.” The payment shall be delivered on or before November 21, 2022 to the following address:

James Kawahito, Esq.  
Kawahito Law Group APC  
300 Corporate Pointe Ste 340  
Culver City, CA 90230

**5. RELEASE OF ALL CLAIMS**

**5.1 Full, Final and Binding Resolution of Proposition 65 Allegations.**

EP, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, releases GINA of any violation of Proposition 65 that was or could have been asserted by EP against GINA, Burlington, and their owners, parents, subsidiaries, affiliated entities that are under common ownership, members, directors, officers, employees, agents, principals, insurers, accountants, representatives, attorneys, predecessors, successors, assignees, licensors, each manufacturer or other entity supplying GINA with the Covered Products, and each entity to which GINA directly or indirectly distributes, ships or sells the Covered Products, including, but not limited to Burlington, its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees and their owners, members, directors, officers, employees, agents, principals, insurers, accountants, representatives, attorneys, predecessors, successors, and assignees (collectively "Releasees") for any and all claims, whether known or unknown, based on their alleged or actual failure to comply with Proposition 65 or to otherwise warn about alleged exposures to DEHP contained in the Covered Products that were allegedly manufactured, imported, distributed, sold and/or offered for sale by GINA and Burlington either directly or through the Releasees) in California before the Effective Date. The Release shall also cover any Covered Products that were in the stream of commerce prior to the Effective Date. However, as of the Effective Date, no new Products shall be shipped to or distributed in California that are not Reformulated Products or contain the warnings set forth in Sections 2.2 and 2.3. This release is provided in EP's individual capacity and is not a release on behalf of the public.

In further consideration of the promises and agreements herein contained, EP on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, also hereby waives all of its rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims against GINA and Releasees including, but not limited to Burlington, that it or they may have including, without limitation, all actions, and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, expenses, investigative fees, expert fees, and attorneys' fees for any and all claims arising under Proposition 65, and regarding the alleged or actual failure to warn about exposures to DEHP in the Covered Products allegedly manufactured, sold, or distributed for sale before the Effective Date by GINA or Releasees.

## **5.2 GINA'S Release of EP.**

GINA on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against EP, its attorneys and other representatives, for any and all actions taken or statements made by EP and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Covered Products.

## **5.3 Public Benefit.**

It is GINA's contention that the commitments it has agreed to herein, and actions to be taken by GINA under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of GINA that to the extent any other private party initiates any action alleging a violation of Proposition 65 with respect to GINA and/or the Releasees relating to the Covered Products they have manufactured, distributed, sold, or offered for sale in California and that are subject to this Settlement, such private party action would not confer a significant benefit on the general public provided that GINA is in material compliance with this Settlement Agreement.

**5.4 California Civil Code § 1542.** It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products or alleged Proposition 65 violations relating to the Covered Products will develop or be discovered. Gina, on one hand, and EP, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR**

**HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

GINA and EP each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

**5.5 Enforcement of Settlement Agreement.**

Any party may file suit before the Superior Court of the County of Los Angeles to enforce the terms and conditions contained in this Settlement Agreement. The prevailing party shall be entitled to its reasonable attorneys' fees and costs associated with such enforcement.

**5.6 Deemed Compliance.** Compliance by GINA with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DEHP from use of the Covered Products.

**6. SEVERABILITY**

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is deemed by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

**7. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

**8. NOTICE**

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; (c) a recognized overnight courier; or (d) by email to designated agent of Party indicated below, to the other Party at the following addresses:
