

**PROPOSITION 65 SETTLEMENT AGREEMENT**  
**(Susan Davia AG Notice 2022-01860)**

**1. INTRODUCTION**

**1.1 The Parties**

This settlement agreement (“Agreement” or “Settlement Agreement”) is entered into by and between noticing party Susan Davia (“Davia”) and noticed party Paris Presents Incorporated and PPI Beauty (collectively “PPI”), with Davia and PPI each referred to as a “Party” and collectively referred to as the “Parties.”

**1.2 Davia**

Davia is an individual residing in the State of California who seeks to promote awareness of exposure to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products.

**1.3 PPI**

Each Paris Presents Incorporated and PPI Beauty is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§ 25249.6 *et seq.* (“Proposition 65”).

**1.4 General Allegations**

Davia alleges that PPI is responsible for the design, manufacture, distribution and/or sale, in the State of California, of Spa Solutions shower accessory products with vinyl cases that expose users to di(2-ethylhexyl)phthalate (“DEHP”) and diisononyl phthalate (“DINP”) without first providing “clear and reasonable warning” under Proposition 65. Pursuant to Proposition 65, DEHP is listed as a carcinogen and reproductive toxin and DINP is listed as a carcinogen. DEHP and DINP shall be referred to collectively hereinafter as “Listed Chemicals.”

**1.5 Notice of Violation**

On August 16, 2022, Davia served PPI and various public enforcement agencies with a document entitled “60-Day Notice of Violation” that provided public enforcers and the noticed entities with notice of alleged violations of Health & Safety Code § 25249.6 for failing to warn

consumers of the presence of DEHP and DINP found in the travel bottle & tube set products with vinyl cases sold in California (AG Notice 2022-01860). This August 16, 2022, Notice of Violation shall hereafter be referred to as “Notice.” PPI represents that, as of the date it executes this Agreement, it is not aware of any public enforcer that is diligently prosecuting a Proposition 65 enforcement action related to DEHP or DINP in the travel bottle & tube set products as identified in the Notice.

### **1.6 No Admission**

This Agreement resolves claims that are denied and disputed by PPI. The Parties enter into this Agreement pursuant to a full and final settlement of any and all claims between the Parties for the purpose of avoiding prolonged litigation. PPI denies the material factual and legal allegations contained in the Notice, maintains that it did not knowingly or intentionally expose California consumers to the Listed Chemicals through the reasonably foreseeable use of the Covered Products and otherwise contends that, all Covered Products it has manufactured, distributed and/or sold in California have been and are in compliance with all applicable laws and regulations, including Proposition 65. Nothing in this Agreement shall be construed as an admission by PPI of any fact, finding, issue of law, or violation of law, nor shall compliance with this Agreement constitute or be construed as an admission by PPI of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by PPI. However, notwithstanding the foregoing, this section shall not diminish or otherwise affect PPI’s obligations, responsibilities, and duties under this Agreement.

### **1.7 Consent to Jurisdiction**

For purposes of this Agreement only, the Parties stipulate that the Marin County Superior Court has jurisdiction over PPI as to this Agreement, that venue for any action to enforce this Agreement is proper in Marin County, that this Agreement shall be construed as made pursuant to Code of Civil Procedure Section 664.6 and the Marin County Superior Court shall be considered to have jurisdiction to enforce the provisions of this Agreement until performance in full of the terms of the settlement.

## **2. DEFINITIONS**

**2.1** “Covered Product” shall mean all daylogic travel bottle & tube set products with vinyl cases, including, but not limited to, daylogic 3 oz. 4 pc. travel bottle set (0 11822 01064 1), and daylogic 3 oz. travel tube set (0 11822 01066 6).

**2.2** “Phthalate Free” Covered Products shall mean any accessible component of any Covered Product contains less than or equal to 1,000 parts per million (“ppm”) of DEHP, DINP, di-n-butyl phthalate (“DBP”), di-isodecyl phthalate (“DIDP”), di-n-hexyl phthalate (“DnHP”) and butyl benzyl phthalate (“BBP”) as determined by a minimum of duplicate quality controlled test results using Environmental Protection Agency (“EPA”) testing methodologies 3580A and 8270C or equivalent methodologies utilized by federal or state agencies to determine the presence and measure the quantity of phthalates in solid substances.

**2.3** “Effective Date” shall mean February 15, 2023.

## **3. INJUNCTIVE-TYPE RELIEF**

### **3.1 Products No Longer in PPI’s Control**

No later than the Effective Date, PPI shall send a letter, electronic or otherwise (“Notification Letter”) to the manager for any retail entity to which PPI has distributed or sold Covered Products since September 1, 2020, and to any operations manager for any ecommerce retail website that PPI understands or believes offers Covered Products for sale to consumers with a ship to address in California. The Notification Letter shall advise the recipient that Covered Products “have been tested for the presence of phthalates and found to contain DEHP and DINP, chemicals known to the State of California to cause cancer and reproductive harm,” and request that the recipient either pull all Covered Products from inventory in or to California or label the Covered Products remaining in inventory for sale in or to California with a label that complies with Section 3.3. The Notification Letter shall request a response from the recipient within 15 days, confirming that the letter was received. PPI shall maintain records of all correspondence or other communications generated pursuant to this Section for two years after the Effective Date and shall promptly produce copies of such records upon Davia’s written request.

### **3.2 Product Reformulation Commitment**

**3.2.1** No later than the Effective Date, should PPI continue to order the Covered Product, it shall provide the Phthalate Free concentration standards of Section 2.2 to its then-current vendors or manufacturers of any Covered Product and instruct such entities not to incorporate any raw or component materials that do not meet the Phthalate Free concentration standards of Section 2.2 into any Covered Product or to supply any Covered Product to PPI that is not Phthalate Free. PPI shall maintain copies of all vendor correspondence relating to the Phthalate Free concentration standards and shall produce such copies to Davia within fifteen (15) days of receipt of written request from Davia.

**3.2.2** After the Effective Date, PPI shall provide the Phthalate Free concentration standards of Section 2.2 to any new vendors or manufacturers of any Covered Product and instruct such entities not to incorporate any raw or component materials that do not meet the Phthalate Free concentration standards of Section 2.2 into any Covered Product. Prior to purchase and acquisition of any Covered Product from any new vendor, PPI shall obtain a written confirmation and accompanying laboratory test result from the new vendor demonstrating compliance with the Phthalate Free concentration standard in all materials comprising the Covered Product. For every Covered Product PPI manufactures, causes to be manufactured, orders, causes to be ordered or otherwise obtains from a new vendor after the Effective Date, PPI shall maintain copies of all testing of such products demonstrating compliance with this section, shall maintain copies of all vendor correspondence relating to the Phthalate Free concentration standards for two (2) years from the Effective Date and shall produce such copies to Davia within fifteen (15) business days of receipt of written request from Davia. For every Covered Product PPI contends meets the Phthalate Free concentration standards and intends to offer for sale without a warning pursuant to Section 3.3 below, PPI shall maintain copies of all vendor correspondence relating to the Phthalate Free concentration standards for two (2) years from the Effective Date and shall produce such copies to Davia within fifteen (15) business days of receipt of written request from Davia.

**3.2.3** As of the Effective Date, PPI shall not distribute any Covered Product unless such Covered Product meets the Phthalate Free concentration standards of this Agreement or is labelled with a warning as described in Section 3.3.

### **3.3 Covered Product Warnings**

**3.3.1** For any in Covered Product that is not confirmed to be Phthalate Free, PPI shall not distribute, sell or ship, or cause to be distributed, sold or shipped, any such Covered Product unless such Covered Product is shipped with product package label as set forth hereafter.

Each such warning utilized by PPI for any Covered Product shall be prominently placed either on the product, its labeling or its packaging with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions *before* purchase or use.

Each warning shall either be printed directly on the Covered Product consumer cardboard packaging or shall be affixed to the consumer cardboard packaging. Each warning shall include the yellow triangle with an internal exclamation point and state:

 **WARNING:** The vinyl case material of this product can expose you to chemicals including [list included chemicals], which [are][is] known to the State of California to cause [cancer and] [birth defects or other reproductive harm]. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

or

 **WARNING:** [Cancer [and] [Reproductive Harm]]. - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

Any warning required shall be modified by parentheses depending on content of product and shall comply with requirements of 27 CCR 25603.

### **3.4 Internet Ecommerce Covered Product Warnings**

A warning must be given in conjunction with the sale, or offer of sale, by PPI of any Covered Product not confirmed by PPI to be Phthalate Free via any ecommerce website owned,

operated, managed or controlled by PPI. A warning will satisfy this requirement if it appears either: (a) on the same web page on which a Covered Product is displayed; (b) on the same web page as the order form for a Covered Product; (c) on the same page as the price for any Covered Product; or (d) on one or more web pages displayed to a purchaser during the checkout process. One of the following warning statements shall be used and shall appear in any of the above instances adjacent to or immediately following the display, description, or price of the Covered Product for which it is given, or through a hyperlink using the word "WARNING", in the same type size or larger than the Covered Product description text:

**⚠WARNING:** This product can expose you to chemicals including [list included chemicals], which [are][is] known to the State of California to cause [cancer] [and] [birth defects or other reproductive harm]. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

Alternatively, the following "short form" warning may be used on the ecommerce website, but only if the same warning language also appears on the product label or consumer packaging of the Covered Product itself.

**⚠WARNING:** [Cancer] [and] [Reproductive Harm] - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

Any warning required shall be modified by parentheticals depending on content of product and shall comply with requirements of 27 CCR 25603.

## **4. MONETARY PAYMENTS**

### **4.1 Civil Penalty**

As a condition of settlement of all the claims referred to in this Agreement, PPI shall pay a total of \$3,600 in civil penalties in accordance with California Health & Safety Code § 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental

Health Hazard Assessment ("OEHHHA") and the remaining 25% of the penalty remitted to Davia.

#### **4.2 Augmentation of Penalty Payments**

For purposes of the penalty assessment under this Agreement, Davia is relying entirely upon PPI for accurate, good faith reporting to Davia of the nature and amounts of relevant sales activity. If within nine (9) months of the Effective Date, Davia discovers and presents evidence to counsel for PPI that the Covered Products have been distributed in California in sales volumes materially different (more than 25%) than those identified by PPI prior to execution of this Agreement, and PPI does not provide Davia with competent and credible evidence to dispute this claim, then PPI shall be liable for an additional penalty amount of \$10,000.00. Davia agrees to provide counsel for PPI with a written demand for all such additional penalties and attorney fees under this Section. After service of such demand, PPI shall have thirty (30) days to either present evidence to counter this claim or to agree to the amount of fees and penalties owed by PPI and submit such payment to Davia in accordance with the method of payment of penalties and fees identified in Sections 4.1 and 4.4. Should this thirty (30) day period pass without any such resolution between the parties and payment of such additional penalties and fees, Davia shall be entitled to file a formal legal claim for the additional civil penalties pursuant to this Section and the prevailing party to such action shall be entitled to all reasonable attorney fees and costs relating to such claim.

#### **4.3 Reimbursement of Davia's Fees and Costs**

The Parties acknowledge that Davia and her counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving this fee issue to be resolved after the material terms of the agreement had been settled. PPI expressed a desire to resolve the fee and cost issue shortly after the other settlement terms had been finalized. The Parties then attempted to (and did) reach an accord on the compensation due to Davia and her counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure section 1021.5, for all work performed in this matter, except

fees that may be incurred on appeal. Under these legal principles, PPI shall pay Davia's counsel the amount of \$29,000 for fees and costs incurred investigating, litigating and enforcing this matter.

#### **4.4 Payment Procedures**

PPI shall satisfy their obligation to pay civil penalties pursuant to Section 4.1 by delivery of a civil penalty check payable to "OEHHA" (EIN: 68-0284486, Memo line "Prop 65 Penalties, 2022-01860"), in the amount of \$2,700 and a civil penalty check payable to "Susan Davia" (Tax ID to be supplied, Memo line "Prop 65 Penalties, 2022-01860") in the amount of \$900.

PPI shall satisfy their obligation to pay attorney fees and costs pursuant to Section 4.3 by delivery of a check payable to "Sheffer Law Firm" (EIN 55-08-58910, Memo line "2022-01860") in the amount of \$29,000.

All civil penalty and attorney fee/cost payments shall be delivered to plaintiff's counsel at the following address within 10 business days after execution of this Agreement:

Sheffer Law Firm  
Attn: Proposition 65 Controller  
232 E. Blithedale Ave., Suite 210  
Mill Valley, CA 94941

PPI shall be liable for payment of interest, at a rate of 10% simple interest, for all amounts due and owing from it under this Section that are not received by Sheffer Law Firm within five business days of the due date for such payment.

While the obligations of this Agreement are binding upon execution, the Release of PPI shall not become effective until after all monetary payments have been made by PPI and all funds have cleared.

PPI shall also pay any augmented civil penalties pursuant to Section 4.2, on or before the date agreed upon by the Parties or ordered by the Court pursuant to Section 4.2, with civil penalty checks payable to "OEHHA" (Memo line "Prop 65 Penalties, 2022-01860") and "Susan Davia" (Memo line "Prop 65 Penalties, 2022-01860") in the amount agreed to by the Parties or ordered by the Court pursuant to Section 4.2 and as divided pursuant to California Health & Safety Code § 25249.12(c)(1) & (d).

PPI shall also pay attorney fees and costs pursuant to Section 4.2, on or before the date agreed upon by the Parties or ordered by the Court pursuant to Section 4.2, with a check payable to "Sheffer Law Firm" (Memo line "2022-01860") in the amount agreed upon by the Parties or ordered by the Court pursuant to Section 4.2.

All Section 4.2 payments shall be delivered to plaintiff's counsel at the following address:

Sheffer Law Firm  
Attn: Proposition 65 Controller  
232 E. Blithedale Ave., Suite 210  
Mill Valley, CA 94941

PPI shall also be liable for payment of interest, at a rate of 10% simple interest, for all amounts due and owing from it under Section 4.2 that are not received by Sheffer Law Firm within ten (10) business days of the due date for such payment.

#### **4.5 Issuance of 1099 Forms**

After this Agreement has been executed and the settlement funds have been transmitted to Davia's counsel, PPI shall issue three separate 1099 forms, as follows:

- (a) issued to the Office of Environmental Health Hazard Assessment, P.O. Box 4010, Sacramento, CA 95814 (EIN: 68-0284486) in the amount paid pursuant to Sections 4.1 and 4.2;
- (b) issued to Davia in the amount paid pursuant to Sections 4.1 and 4.2, whose address and tax identification number shall be furnished upon request; and
- (c) issued to the Sheffer Law Firm (EIN: 55-08-58910) in the amount paid pursuant to Sections 4.2 and 4.3.

#### **4.6 Dismissal**

Upon payment of all accounts in this Section, as a result of the release of downstream entity Rite Aid Corporation, Davia shall dismiss with prejudice *Davia v. Rite Aid Corp.*, No. CIV2200045, Marin County.

## **5. RELEASES**

### **5.1 DAVIA'S RELEASE OF PPI AND DOWNSTREAM ENTITIES INCLUDING RITE AID**

5.1.1 This Settlement Agreement is a full, final and binding resolution between Davia and PPI of any violation of Proposition 65 that was or could have been asserted by Davia, individually and on behalf of herself and her past and current representatives, agents, attorneys, successors and/or assigns ("Releasors") against PPI, and each of their directors, officers, employees, attorneys, agents, parents, subsidiaries, and any downstream entity that may come into possession or sell Covered Products including but not limited to distributors and retailers (including Rite Aid Corporation) ("Releasees"), based on their failure to warn about alleged exposures to DEHP and DINP contained in the Covered Products that were manufactured, distributed, sold or offered for sale by PPI before the Effective Date. Compliance with the terms of this Agreement constitutes compliance with Proposition 65 by PPI with regard to the alleged or actual failure to warn about exposure to DEHP and DINP from Covered Products distributed by PPI before the Effective Date.

5.1.2 In further consideration of the promises and agreements herein contained, and for so long as PPI remains in compliance with the terms of this Agreement, Davia on behalf of herself, her past and current representatives, agents, attorneys, successors and/or assigns hereby waives all Davia's rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims that Davia may have, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses -- including, but not limited to, investigation fees, expert fees, and attorneys' fees -- limited to and arising under Proposition 65 with respect to the alleged presence of DEHP and DINP in the Covered Products distributed by PPI before the Effective Date (collectively "claims"), against PPI and Releasees.

5.1.3 Davia also, in her individual capacity and on behalf of her past and current representatives, agents, attorneys, successors and/or assigns, provides a general release herein

which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of Davia, of any nature, character or kind, known or unknown, suspected or unsuspected, arising out of the subject matter of the Notice as to Covered Products manufactured, distributed or sold by PPI or Releasees before the Effective Date. Davia acknowledges that she is familiar with Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Davia, in her individual capacity and on behalf of her past and current representatives, agents, attorneys, successors and/or assigns expressly waives and relinquishes any and all rights and benefits that she may have under, or which may be conferred on her by the provisions of Section 1542 of the California Civil Code as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that she may lawfully waive such rights or benefits pertaining to the released matters. In furtherance of such intention, excepting Section 4.2, the release hereby given shall be and remain in effect as a full and complete release notwithstanding the discovery or existence of any such additional or different claims or facts arising out of the released matters.

This Section 5.1 release shall not extend upstream to any entities, other than PPI, that manufactured the Covered Products or any component parts thereof, or any distributors or suppliers who sold the covered products or any component parts thereof to PPI.

## **5.2 PPI's Release of Davia**

The Release by Davia is mutual. PPI, each on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Davia and her attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Davia and her attorneys and other

representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Products. PPI acknowledges that it is familiar with Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASING PARTY.

PPI expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Section 1542 of the California Civil Code as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters. In furtherance of such intention, the release hereby given shall be and remain in effect as a full and complete release notwithstanding the discovery or existence of any such additional or different claims or facts arising out of the released matters.

## **6. ENFORCEMENT**

Prior to bringing any motion, order to show cause, or other proceeding to enforce Proposition 65 or any terms of this Agreement relating to the alleged sale in California of any Covered Product without a warning and which is alleged to not be Phthalate Free, in actual or alleged violation of this Agreement, Davia shall provide a Notice of Violation ("NOV") to PPI. The NOV shall include, for each Covered Product alleged to be in violation of this Agreement: the date of alleged violations(s), place of sale, date and proof of purchase (if relevant), and any test data obtained by Davia regarding each such Covered Product. Davia shall take no further action regarding any alleged violation nor seek any monetary recovery for herself, her agents or her counsel if, within 30 days of receiving such NOV, PPI demonstrates (1) that the Covered Product was distributed by PPI before the Effective Date; or (2) that PPI directed the retailer or distributor of the Covered Product to take corrective action by placing an appropriate warning

on the Covered Product(s) compliant with Section 3.3 of this Agreement following service of the NOV; or (3) that the Covered Products are Phthalate Free.

## **7. SEVERABILITY**

If any of the provisions of this Agreement are found by a court to be unenforceable, the validity of the enforceable provisions remaining, after express agreement of the Parties, shall not be adversely affected, unless the Court finds that any unenforceable provision is not severable from the remainder of the Agreement.

## **8. GOVERNING LAW**
