

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1. Ecological Alliance LLC and International Pet Supplies and Distribution, Inc.

This Settlement Agreement is entered into by and between Ecological Alliance LLC ("Alliance"), on the one hand, and Sunnypet Products Co. Ltd ("Sunnypet"), on the other hand, with Alliance and Sunnypet collectively referred to as the "Parties."

#### 1.2. Pet Supplies Allegations

Alliance alleges that Sunnypet manufactured and distributed and offered for sale in the State of California pet carriers containing Diisononyl phthalate [DINP], and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DINP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

#### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as pet carriers containing DINP that Sunnypet has sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

#### 1.4. Notice of Violation

On August 24, 2022, Alliance served International Pet Supplies and Distribution, Inc., Petco Animal Supplies Stores, Inc. (referred to collectively herein as "Petco"), and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that

provided Petco and such public enforcers with notice that Petco was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DINP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Petco's compliance with Proposition 65. Petco and Sunnypet deny the material factual and legal allegations contained in Alliance's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Petco or Sunnypet of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Petco or Sunnypet of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Petco and Sunnypet on their behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Sunnypet under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

## 2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Effective Date, Sunnypet shall manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, unless such Products are labeled with a clear and reasonable Proposition 65 warning pursuant to Section 2.2 below. Products that were supplied to third parties by Pet Supplies shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled. The injunctive requirements of Section 2 shall not apply to Products that are already in the stream of commerce as the Effective Date, which Products are expressly subject to the releases provided in Section 6.

### 2.1. Reformulation Standards

“Reformulated Products” are defined as those Products containing DINP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other methodology utilized by federal or state agencies for the purpose of determining the DINP content in a solid substance.

### 2.2. Warning Language

Where required, Sunnypet shall provide Proposition 65 warnings on the Product’s label as follows:

(a) Sunnypet may use either of the following warning statements in full compliance with this Section:

- (1) **WARNING:** This product can expose you to chemicals including DINP, which are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

(2) **WARNING: Cancer and Reproductive Harm** –

(b) If Sunnypet uses either of the above warning statements to effectuate its compliance, it shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING.”

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DINP should no longer be required, Sunnypet shall have no further obligations pursuant to this Settlement Agreement.

3. **PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement and because it previously began to implement Proposition 65 warnings for the Products, Sunnypet shall pay a total of \$500 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty remitted to Alliance. Alliance's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. **REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Alliance and its counsel under the private attorney doctrine and principles of contract law. Under these legal principles, Sunnypet shall reimburse Alliance's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Sunnypet's attention. Sunnypet shall pay Alliance's counsel \$15,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. **PAYMENT INFORMATION**

By January 25, 2023, Sunnypet shall pay a total payment of Fifteen Thousand Five Hundred Dollars (\$15,500) for the civil penalties and attorney's fees / costs by wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

Alliance acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

Alliance, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal
