

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Green Initiative, LLC and Momentum Brands, Inc.

This Settlement Agreement is entered into by and between Green Initiative, LLC ("Green"), on the one hand, and 99 Cents Only Stores LLC ("99 Cents") and Momentum Brands, Inc. ("Momentum" and together with 99 Cents, "Defendants"), on the other hand, with Green and Defendants collectively referred to as the "Parties" and each, a "Party."

1.2. General Allegations

Green alleges that Defendants manufactured and/or distributed and/or offered for sale in the State of California molded pencil cases containing Di(2-ethylhexyl)phthalate [DEHP], and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as molded pencil cases containing Di(2-ethylhexyl)phthalate [DEHP], that Defendants have manufactured, sold, offered for sale, or distributed in California. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On September 22, 2022, Green served Momentum, 99 Cents Only Stores LLC, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation"

("Notice") that provided Defendants and such public enforcers with notice that Defendants were allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Defendants' compliance with Proposition 65. Specifically, Defendants deny the material factual and legal allegations contained in Green's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Defendants of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Defendants of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Defendants. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Defendants under this Settlement Agreement.
