

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Daiso California LLC

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Daiso California LLC ("Daiso"), on the other hand, with Ecological and Daiso collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that Daiso manufactured and distributed and offered for sale in the State of California monotone mugs, happy flower mugs, and sushi teacups containing Lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed Lead under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as monotone mugs with product code 4549131260236; happy flower mugs with product code 4549131355550; and sushi teacups with product code 4549131932997, that Daiso has sold, offered for sale or distributed in California and that contain Lead. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On September 27, 2022, Ecological served Daiso and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation" ("Notice") that provided Daiso

and such public enforcers with notice that Daiso was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to Lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Daiso's compliance with Proposition 65. Specifically, Daiso denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has placed for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Daiso of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Daiso of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Daiso. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Daiso under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: WARNING

2.1. Warning

Products shall be accompanied by a warning as described in Section 2.2 below, no later than 90 days after the Effective Date. The warning requirements set forth in Section 2.2 below

shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Daiso places into the stream of commerce within 90 days of the Effective Date.

2.2. Warning Language

Where required, Daiso shall provide Proposition 65 warnings as follows:

(a) Daiso may use any of the following warning statements in full compliance with this Section:

(b) If Daiso elects to use the warning statements identified in either 2.2(a)(1) or (2), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) For the purposes of this Settlement Agreement, the parties deem proper the warning language set forth in Subsection (a) above. The Parties recognize that the suggested warnings in Subsection (a) are not the exclusive methods of

providing a warning under Proposition 65 and its implementing regulations. If Daiso elects to use alternate or additional warnings that comply with Proposition 65 regulations, then such warnings shall be deemed proper warnings pursuant to the terms of this Settlement Agreement.

(d) If Proposition 65 warnings for Lead should no longer be required, Daiso shall have no further obligations pursuant to this Settlement Agreement.

Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. **REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Daiso shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Daiso's attention. Daiso shall pay Ecological's counsel \$16,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.
