

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1. Green Initiative, LLC and Kennedy International, Inc.

This Settlement Agreement is entered into by and between Green Initiative, LLC ("Green"), on the one hand, and Kennedy International, Inc. ("Kennedy"), on the other hand, with Green and Kennedy collectively referred to as the "Parties."

#### 1.2. General Allegations

Green alleges that Kennedy manufactured and/or distributed and/or offered for sale in the State of California luggage tags and pet car seat covers with cases containing Di(2-ethylhexyl)phthalate [DEHP] and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

#### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as luggage tags and pet car seat covers with cases that contain DEHP that Kennedy has sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

#### 1.4. Notice of Violation

On October 10, 2022, Green served Kennedy and T.J. Maxx of CA, LLC, and on November 1, 2022, Green served Kennedy and Marshall's of CA, LLC, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation" ("Notice") that

provided Kennedy and such public enforcers with notice that Kennedy was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Kennedy's compliance with Proposition 65. Specifically, Kennedy denies the material factual and legal allegations contained in Green's Notices and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Kennedy of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Kennedy of any fact, finding, conclusion, issue of law, or violation of law, all of the foregoing being specifically denied by Kennedy. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Kennedy under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

**2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS**

As of the Effective Date, Kennedy shall manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, unless such Products are labeled with a clear and reasonable Proposition 65 warning pursuant to Section 2.2 below. Products that were supplied to third parties by Kennedy prior to the Effective Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

**2.1. Reformulation Standards**

“Reformulated Products” are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other methodology utilized by federal or state agencies for the purpose of determining the DEHP content in a solid substance.

**2.2. Warning Language**

Where required, Kennedy shall provide Proposition 65 warnings on the Product’s label as follows:

(a) Kennedy may use either of the following warning statements in full compliance with this Section:

(1) **WARNING:** This product can expose you to chemicals including DEHP, which are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

(2) **WARNING:** Cancer and Reproductive Harm –

[www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(b) If Kennedy uses either of the above warning statements to effectuate its compliance, it shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label is not printed using the color yellow, the symbol may be printed in black and white.

The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING."

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP should no longer be required, Kennedy shall have no further obligations pursuant to this Settlement Agreement.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, Kennedy shall pay a total of \$250 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Green. Green's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

**4. REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Green and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Kennedy shall reimburse Green's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Kennedy's attention. Kennedy shall pay Green's counsel \$11,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notices.

Green acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Green, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of
