

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Michael DiPirro, on the one hand, (“DiPirro”) and Circle Y Saddles, Inc. (“Circle Y”), on the other hand, with DiPirro and Circle Y individually referred to as a “Party” and collectively as the “Parties.” Circle Y and any other noticed violators are collectively referred to as the “Noticed Parties”. DiPirro is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Circle Y employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

DiPirro alleges that the Noticed Parties manufacture, import, sell, or distribute for sale, in the State of California a) Collapsible Feed/Water Buckets containing Diisononyl Phthalate (“DINP”) and b) Hoof Picks with PVC Coated Handles containing Diethylhexylphthalate (“DEHP”) and DINP without first providing the clear and reasonable exposure warning required by Proposition 65. DINP and DEHP (hereinafter the “Listed Chemicals”) are both listed pursuant to Proposition 65 as a chemical that is known to the State of California to cause cancer and DEHP is additionally listed as a reproductive toxin (male).

1.3 Product Description

The Products covered by this Settlement Agreement are a) Collapsible Feed/Water Buckets and b) Hoof Picks with PVC Coated Handles containing the Listed Chemicals that are manufactured, sold, or distributed for sale in California by the Noticed Parties, including, but not limited to a) *Tucker Collapsible Feed and Water Bucket; Item # T106-F1-PS*; and b) *Quick Grip Hoof Pick; G101-G1-AR; 0308050* (the “Products”).

1.4 Notice of Violation

On or about October 13, 2022, DiPirro served Circle Y and certain requisite public enforcement agencies with a “60-Day Notice of Violation” (the “Notice”), a document that informed the recipients of DiPirro’s allegation that it had violated Proposition 65 by failing to warn its customers and consumers in California the Products expose users to the Listed Chemicals. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

The Noticed Parties deny the material, factual, and legal allegations contained in the Notice and maintain that all of the products they have manufactured, sold, or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by the Noticed Parties of any fact, finding, conclusion of law, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by the Noticed Parties of any fact, finding, conclusion of law, issue of law, or violation of law, the same being specifically denied by the Noticed Parties. This section shall not, however, diminish or otherwise affect the Noticed Parties’ obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date of the final signature to this agreement.

2. INJUNCTIVE RELIEF: PRODUCT WARNINGS

2.1 Product Warnings. Within 60 days of the Effective Date, for all Products that contain the Listed Chemicals, and are shipped to a California address for sale by the Noticed Parties, or any agent, distributor, or affiliated company working on behalf of the Noticed Parties,

the Noticed Parties shall provide a clear and reasonable warning on each Product as set forth below in Section 2.3. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which specific Product the warning applies, so as to minimize the risk of consumer confusion.

2.2 Internet Warnings. For all Products that the Noticed Parties offer for sale directly to consumers in California via the internet, they shall provide a warning for such Products by including the warning set forth below in Section 2.3 on one or more of the following: a) on the product display page; b) on the product packaging box, or c) by including a warning in the shipment to the California consumer.

2.3 Text of the Warning. The text of the warning shall be printed in black ink on a light background, in a font that is easy to read and legible, but in no case less than a size 12 font. The Noticed Parties shall use the warning language as set forth below, which shall include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline as shown below (the symbol may be black or white if the color yellow is otherwise not used on the Product's packaging).

WARNING: This product can expose you to DINP, a chemical known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

While the above warning is acceptable for both Products, the *Quick Grip Hoof Pick* may also use either of the following two warnings:

WARNING: This product can expose you to DINP and DEHP, chemicals known to the State of California to cause cancer and reproductive harm (male). For more information go to www.P65Warnings.ca.gov.

OR

WARNING: This product can expose you to DEHP, a chemical known to the State of California to cause cancer and reproductive harm (male). For more information go to www.P65Warnings.ca.gov.

OR

The Noticed Parties may also use the following warning language for both Products:

If this short form warning is used, the text of the warning shall be printed in black ink on a light background, in a font easy to read and legible, but in no case less than a size 6 font. As laws may change, Noticed Parties are responsible to ensure their warnings are in compliance with California Code of Regulations, Title 27, sections 25601-25603.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

3.1 Civil Penalty Payment Pursuant to Health & Safety Code § 25249.7(b). The Noticed Parties shall make a civil penalty payment of \$1,500 (one thousand five hundred dollars), in accordance with this section, within three business days of the Effective Date. The penalty payment will be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty remitted to DiPirro in accordance with Section 3.2 below. The penalty payment shall be remitted in accordance with the procedure set out in Section 3.2.

3.2 Payments. All payments shall be delivered within three business days of the Effective Date to the bank account of Jeremy Fietz, Attorney at Law (via Zelle, wire transfer, or ACH payment; number provided upon settlement) OR to the office of Jeremy Fietz, Attorney at

Law, 1510 Fourth Street, Santa Rosa CA 95404 and received by the due date. For the latter option, payment shall be in the form of three checks for the following amounts made payable to:

- (a) “Jeremy Fietz, Attorney at Law” in the amount of \$1,125 for payment of 75% of the civil penalty to OEHHA. Counsel for DiPirro agree to forward such funds to OEHHA in a timely manner. Alternatively, at Defendant’s option, it can choose to deliver a certified or cashier’s check made payable to “Office of Environmental Health Hazard Assessment.”
- (b) “Jeremy Fietz, Attorney at Law ” in the amount of \$375, as payment of 25% of the civil penalty to Michael DiPirro. Counsel for DiPirro agree to forward such funds in a timely manner. Alternatively, at Defendant’s option, it can choose to deliver a certified or cashier’s check made payable to “Michael DiPirro.”
- (c) “Jeremy Fietz, Attorney at Law ” in the amount of \$60,500 as payment for attorneys’ fees and costs pursuant to Section 4 below.

For any payment that is returned for any reason, including insufficient funds, a payment for the entire and service fee must be made by Circle Y in form of a cashier’s check within three (3) calendar days of notification of insufficient funds. The service fee shall be 10% of the delinquent amount and paid as a service fee paid to DiPirro’s attorneys. Also, any payment that is not actually received "in-hand" by the due date must pay a 10% late fee to DiPirro's attorneys.

3.3 Issuance of 1099 Forms. The Noticed Parties shall provide DiPirro’s counsel with a separate 1099 form for each of its payments under this Agreement to:

- (a) “Office of Environmental Health Hazard Assessment”, P.O. Box 4010, Sacramento, CA 95814 (EIN: 68-0284486) for civil penalties paid;
- (b) “Michael DiPirro,” whose address and tax identification number shall be furnished upon request after this Agreement has been fully executed by

the Parties for his portion of the civil penalties paid; and
(c) “Jeremy Fietz, Attorney at Law” for fees and costs reimbursed pursuant to Section 4.

4. REIMBURSEMENT OF FEES AND COSTS

The parties acknowledge that DiPirro and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving this fee issue to be resolved after the material terms of the agreement had been settled. The Noticed Parties then expressed a desire to resolve the fee and cost issue shortly after the other settlement terms had been finalized. The parties then attempted to (and did) reach an accord on the compensation due to DiPirro and his counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. The Noticed Parties shall together pay a total of \$60,500 (sixty thousand five hundred dollars) for fees and costs incurred as a result of investigating, bringing this matter to the Noticed Parties’ attention, and negotiating a settlement in the public interest. The Noticed Parties shall issue a separate 1099 for fees and costs, shall make the check payable to “Jeremy Fietz, Attorney at Law” and shall deliver payment within three business days of the Effective Date to the address listed in Section 3.2 above.

5. CLAIMS COVERED AND RELEASED

5.1 DiPirro’s Release of Circle Y

This Settlement Agreement is a full, final, and binding resolution between DiPirro and the Noticed Parties of any violation of Proposition 65 that was or could have been asserted by DiPirro, on behalf of himself, or on behalf of his past and current agents, representatives, attorneys, successors, and assignees, against either of the Noticed Parties, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, employees, attorneys, and each entity to whom either Noticed Party directly or indirectly distributes or sells the Products (“Releasees”), including its downstream distributors and retailers, including

TABcom, LLC, for unwarned exposures to the Listed Chemicals from the Products manufactured, distributed, sold or distributed for sale in California by the Noticed Parties prior to the Effective Date.

In further consideration of the promises and agreements herein contained, DiPirro, on his own behalf and on behalf of his past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action, and releases all claims that he may have against the Noticed Parties and Releasees, including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses, including, without limitation, investigation fees, expert fees, and attorneys' fees arising under Proposition 65 for exposures to the Listed Chemicals from Products distributed, sold, or distributed for sale in California by the Noticed Parties prior to the Effective Date.

5.2 Noticed Parties Release of DiPirro

Each Noticed Party, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims that it may have against DiPirro and his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by DiPirro and his attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then the

Noticed Parties may provide written notice to DiPirro of any asserted change in the law, and have no further obligations pursuant to this Settlement Agreement, with respect to, and to the extent that, the Products are so affected. Nothing in this Settlement Agreement shall be interpreted to relieve Defendant from any obligation to comply with any pertinent state or federal toxics control laws.
