

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Dennis Johnson (“Johnson”) and Creedence Holdings LLC dba The WCN Group (“Creedence Holdings”), with Johnson and Creedence Holdings each individually referred to as a “Party” and collectively as the “Parties.” Johnson is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Johnson alleges that Creedence Holdings is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Johnson alleges that Creedence Holdings manufactures, sells, and/or distributes for sale in California enamel mugs and glassware with exterior designs containing lead. Lead is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Johnson alleges that Creedence Holdings failed to provide the health hazard warning required by Proposition 65 for exposures to lead.

1.3 Product Description

“Products” shall mean the products covered by this Settlement Agreement, which are specifically defined as and limited to the following: (i) “Together We Are Stronger” 17 oz. Campfire Mugs, UPC: 8 88568 86821 4, that are manufactured, sold, or distributed for sale in California by Creedence Holdings; and (ii) the Guinness Tulip Glass Set, UPC: 8 88568 11190 7, that are manufactured, sold, or distributed for sale in California by Creedence Holdings (hereinafter collectively referred to as the “Products”).

1.4 Notices of Violation

On June 10, 2022, Johnson served Creedence Holdings, Save Mart Supermarkets LLC, and the requisite public enforcement agencies with a 60-Day Notice of Violation, alleging that they violated Proposition 65 when they failed to warn their customers and consumers in California of the health hazards associated with exposures to lead from the ceramic mug products. No public enforcer has commenced and is diligently prosecuting the allegations set forth in the June 10, 2022 Notice.

On November 3, 2022, Johnson served Creedence Holdings, Bevmo! Inc., and the requisite public enforcement agencies with a 60-Day Notice of Violation, alleging that they violated Proposition 65 when they failed to warn their customers and consumers in California of the health hazards associated with exposures to lead from the glassware products. No public enforcer has commenced and is diligently prosecuting the allegations set forth in the November 3, 2022 Notice.

The June 10, 2022 and November 3, 2022 Notices of Violation shall hereinafter be referred to collectively as the “Notices.”

1.5 No Admission

Creedence Holdings denies the material, factual, and legal allegations contained in the Notices and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Creedence Holdings of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Creedence Holdings of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Creedence Holdings. This Section shall not, however, diminish or otherwise affect Creedence Holdings’ obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean April 6, 2023.

2. INJUNCTIVE RELIEF

2.1 Reformulation Standards

“Reformulated Products” are defined as those Products that: (a) contain no more than 90 parts per million (“ppm”) lead in any decoration, colored artwork, designs and/or marking on the surface of the Products when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3050B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance; (b) yield no more than 1.0 microgram of lead on any surface sampled and analyzed pursuant to the NIOSH 9100 testing protocol; and (c) yield a result of non-detect (defined as no more than 25 ppm (0.0025%) by weight of lead) for any decorations located in the upper 20 millimeters of a Product, i.e., the “Lip-and-Rim” area when analyzed pursuant to EPA testing methodologies 3050B and 6010B, or equivalent methodologies used by state and federal agencies to determine lead content in a solid substance.

If the decoration is tested after it is affixed to the Product, the percentage of the lead by weight must be related only to the decorating materials and must not include any quantity attributable to non-decorating material (e.g., substrate).

2.2 Reformulation/Warning Commitment

As of the Effective Date, Creedence Holdings shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless they are Reformulated Products pursuant to Section 2.1 or bear a warning pursuant to Section 2.3.

2.3 Warnings

As of the Effective Date, all Products that Creedence Holdings sells and/or distributes for sale in California that do not qualify as Reformulated Products, shall bear a

clear and reasonable warning pursuant to this Section. Creedence Holdings further agrees that the warning will be prominently placed with such conspicuousness when compared with other words, statements, designs or devices as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. For purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall contain one of the following statements:

 **WARNING:** Reproductive Harm- www.P65Warnings.ca.gov

OR

 **WARNING:** This product can expose you to chemicals including lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

The above warning statements shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING.” In compliance with this Settlement Agreement, Creedence Holdings may alternatively utilize any other safe harbor warning promulgated or adopted by OEHHA at the time of Creedence Holding’s sale or distribution for sale of the Products into California.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code section 25249.7(b)(2), and as consideration for the releases contained in Sections 4.1 and 4.2 below, Creedence Holdings agrees to pay \$3,500 in civil penalties no later than the Effective Date. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Johnson. Creedence Holdings will make its payment in two

checks, delivered to the address in Section 3.3, as follows: (1) to “OEHHA” in the amount of \$2,625; and (2) to “Dennis Johnson” in the amount of \$875.

3.2 Attorneys’ Fees and Costs

The Parties acknowledge that Johnson and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to his counsel, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Creedence Holdings expressed a desire to resolve Johnson’s fees and costs. The Parties reached an accord on the compensation due to Johnson’s counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, on or before the Effective Date, Creedence Holdings agrees to pay \$24,000, in the form of a check made payable to “Voorhees & Bailey, LLP,” for all fees and costs incurred investigating, bringing this matter to the attention of Creedence Holdings’ management, and negotiating a settlement.

3.3 Payment Address

All payments under this Settlement Agreement shall be delivered to the following address:

Voorhees & Bailey, LLP
990 Amarillo Avenue
Palo Alto, CA 94303

4. CLAIMS COVERED AND RELEASED

4.1 Johnson’s Release of Proposition 65 Claims

Johnson acting on his own behalf, and not on behalf of the public, releases Creedence Holdings, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, agents, employees, attorneys, and each entity to whom

Creedence Holdings directly or indirectly distributes or sells Products, including but not limited to, downstream distributors, wholesalers, customers, and retailers including, but not limited to Save Mart Supermarkets LLC and Bevmo! Inc., franchisees, cooperative members, and licensees (collectively, "Releasees"), from all claims for violations of Proposition 65 through the Effective Date based on unwarned exposures to lead in the Products manufactured, imported, distributed, or sold by Creedence Holdings. The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Creedence Holdings.

4.2 Johnson's Individual Release of Claims

Johnson in his individual capacity only and not in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities, and demands of Johnson of any nature, character, or kind, whether known or unknown, suspected or unsuspected, including but not limited to all failure to warn claims, arising out of alleged or actual exposures to lead in the Products manufactured, imported, distributed, or sold by Creedence Holdings prior to the Effective Date. The Parties further understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Creedence Holdings. Nothing in this Section affects Johnson's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Creedence Holdings' Products.

4.3 Creedence Holdings' Release of Johnson

Creedence Holdings, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all

claims against Johnson and his attorneys and other representatives, for any and all actions taken, or statements made by Johnson and his attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Creedence Holdings may provide written notice to Johnson of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.
