

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Clean Product Advocates, LLC and Goody Trading Inc.

This Settlement Agreement is entered into by and between Clean Products Advocates, LLC ("CPA"), on the one hand, and Goody Trading Inc. ("Goody"), on the other hand, with CPA and Goody collectively referred to as the "Parties."

1.2. General Allegations

CPA alleges that Goody exposed individuals to lead from its sales of "Seasoning for Spicy Fish with Green Pepper" without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* and its implementing regulations ("Proposition 65"). California has identified and listed Lead under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as Seasoning for Spicy Fish with Green Pepper that Goody has manufactured, imported, sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On November 14, 2022, CPA served Pacific Supermarket, Goody and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Goody and such public enforcers with notice that Goody was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to Lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Goody's compliance with Proposition 65. Goody denies the material factual and legal allegations contained in CPA's Notice and maintains that all products that it has manufactured for sale and distribution in California, including but not limited to the Products, have been and are in compliance with all applicable laws, regulations, standards,

guidance and requirements. Nothing in this Settlement Agreement shall be construed as an admission by Goody of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Goody of any fact, binding, conclusion, issue of law, or violation of law, such being specifically denied by Goody on its behalf. Goody enters into this Settlement Agreement merely to avoid the costs and uncertainty inherent in litigation.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Effective Date, Goody, at its sole discretion, agrees to either (a) manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, or (b) provide a clear and reasonable Proposition 65 warning on the Products pursuant to Section 2.2 below. The warning requirement set forth in Section 2.2. shall not apply to any Reformulated Product. Notwithstanding the foregoing, all Products manufactured prior to the Effective Date shall be deemed a "Reformulated Product" and sold as packaged as of the Effective Date.

2.1. Reformulation Standards

The Products shall be deemed to comply with Proposition 65 with regard to Lead and be exempt from any Proposition 65 warning requirements for Lead in the Products does not exceed 0.5 micrograms of Lead per day ("Reformulated Products") when analyzed pursuant to methodology utilized by federal or state government agencies for purposes of determining Lead in a solid substance. Products that were supplied or contracted to be supplied to third parties by Goody prior to 6 months after the Effective Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

For the Purpose of this Agreement, the amount of Lead a person is exposed to form the Covered Product shall be calculated using the following formula: micrograms of Lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of servings in recommended dosage appearing on the product label), which equals micrograms of Lead exposure per day.

2.2. Warning Option

Products that do not meet the warning exemption standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning requirement shall only be required as to Products that are manufactured, distributed, marketed, imported, sold,

shipped for sale or offered for sale to consumers by Goody in the State of California. No Proposition 65 warning shall be required for any Products that are supplied or contracted to be supplied to third parties by Goody prior to 6 months after the Effective Date, and all such Products are hereby deemed to be exempt from Proposition 65 enforcement.

2.3. Warning Language

(a) Where required to meet the criteria set forth in Section 2.2, Goody shall display one of the following warning statements, enclosed with a box with a black border, on the packaging label of the Products that do not meet the warning exemption standard set forth in Section 2.1 above. The warning shall consist of the following as applicable and based on Goody's sole and absolute discretion:

(1) **WARNING:** Consuming this product can expose you to chemicals including Lead, which [is] are known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food

(2) **WARNING:** [Cancer and] Reproductive Harm- www.P65Warnings.ca.gov/food
Goody may use "cancer and" in the warning at its option. Goody may include the names of additional chemicals in the warning if they are present in the Products at a level that Goody reasonably believes would require a Proposition 65 warning.

(b) The requirements for warnings, set forth in subsection (a) above, are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations. Goody shall be deemed to be in compliance with the warning requirements of this Settlement Agreement by either adhering to this Section 2.3 or by complying with any form of "safe harbor" warning requirements adopted by the State of California Office of Environmental Health Hazard Assessment ("OEHHA") that are adopted at the time it places the Products in the stream of commerce.

(c) If Proposition 65 warnings for Lead should no longer be required, Goody shall have no further obligations pursuant to this Settlement Agreement.

(d) INTERNET - Product that is sold by Goody on the Internet to persons located in California shall also provide the warning message by a clearly marked hyperlink on the product display page, or otherwise prominently displayed to the purchaser before the purchaser completes his or her purchase of the Product.

(e) FOREIGN LANGUAGE - If the Product has consumer information in a foreign language, then the package must also contain the WARNING in the foreign language.

CPA also, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against Goody and the Releasees.

5.2 Goody's Release of CPA

Goody, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against CPA, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by CPA and/or its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code § 1542.

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. CPA on behalf of itself only, on one hand, and Goody, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action thereof. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

CPA and Goody each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65.

The Parties agree that compliance by Goody with this Settlement Agreement constitutes compliance by Goody with Proposition 65 with respect to exposure to Lead from use of the Products.

5.5. Public Benefit.

It is Goody's understanding that the commitments it has agreed to herein, and actions to be taken by Goody under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Goody that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Goody's failure to provide a warning concerning exposure to chemicals subject to this Settlement Agreement prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Goody is in material compliance with this Settlement Agreement.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Goody shall have no further obligations pursuant to this Settlement Agreement.
