

# SETTLEMENT AGREEMENT

## **1. INTRODUCTION**

### **1.1 Parties**

This settlement agreement ("Settlement Agreement") is entered into by and between Keep America Safe and Beautiful, Inc., ("KASB"), on the one hand, and Mr. S Leather Co., Inc., ("MSLC" or "Defendant") on the other hand, with KASB and MSLC each individually referred to as a "Party" and collectively as the "Parties."

### **1.2 General Allegations**

KASB alleges in a 60-Day Notice of Violation dated January 20, 2023, that MSLC sells and/or distributes the "Replacement Inflation Bulb (UPC# R400)" in California that contains Di(2-ethylhexyl) Phthalate (DEHP) without a warning required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65") (collectively the "Notice"). DEHP is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm.

### **1.3 Product Description**

The product covered by this Settlement Agreement is defined as, and expressly limited to "Replacement Inflation Bulb (UPC# R400)" (hereinafter the "Product") that contains DEHP and that is manufactured, sold or distributed for sale in California by MSLC.

### **1.4 Notice of Violation**

On January 20, 2023, KASB served the Notice on MSLC, the California Attorney General and the other requisite public enforcers, alleging that MSLC and others violated Proposition 65 when they failed to consumers in California of the alleged exposures to DEHP from the Product.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

### **1.5 No Admission**

MSLC denies the material, factual and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Product, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by MSLC or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by MSLC or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by MSLC. This Section shall not, however, diminish or otherwise affect MSLC's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date on which a complete and fully executed copy of this Settlement Agreement is exchanged by the Parties' counsel.

## 2. INJUNCTIVE RELIEF

### 2.1 Clear and Reasonable Warnings

For Product manufactured thirty (30) days or more after the Effective Date, and Shipped for Sale in California, such Covered Product shall either bear a warning as set forth in Paragraphs 2.2 or have a maximum concentration of less than 0.1 (1,000.00 parts per million) DEHP when analyzed by a laboratory accredited by the State of California, a federal agency, or a nationally recognized accrediting organization. For purposes of compliance with this reformulation standard, testing samples shall be performed by using a laboratory method that is approved by the Consumer Product Safety Commission ("CPSC"), U.S. Environmental Protection Agency ("USEPA"), or other federal or state government agency approved testing method.

"Shipped for Sale in California" means the Product that MSLC either directly ships to California for sale in California, or that it sells to a distributor or retailer who MSLC knows will sell the Covered Product to consumers in California.

### 2.2 General Warning Requirements

MSLC agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Product shall consist of a warning affixed to the packaging, label, tag, or directly to each of the Product sold or distributed in California by MSLC that contains one of the following statements:

1)  WARNING: This product can expose you to DEHP, which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

2)  WARNING: Cancer and Reproductive Harm-[www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

The warning shall be offset in a box with black outline. The same warning shall be posted on any websites where the Product is sold in California either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same page as the price for the Product; (c) on one or more web pages displayed to a purchaser prior to purchase during the checkout process; or (d) with the word WARNING as a hyperlink, in proximity to the product on the product display page, with the hyperlink taking the consumer to the warning provided on the Products or Products' packaging. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Product, if the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the product(s) to which the warning applies.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set

forth above, MSLC shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the product is no longer required, a lack of warning will not thereafter be a breach of this Agreement.

### **2.3 Grace Period for Existing Inventory of Products**

The injunctive requirements of Section 2 shall not apply to Product that is already in the stream of commerce prior to thirty (30) days after the Effective Date, which Product is expressly subject to the releases provided in Section 4.1.

## **3. MONETARY SETTLEMENT TERMS**

### **3.1 Total Settlement Payment**

In full satisfaction of all potential civil penalties, attorneys' fees, and costs, MSLC shall make a total settlement payment of Twenty-Two Thousand Five Hundred Dollars (**\$22,500.00**) ("Total Settlement Amount"). The Total Settlement Amount shall be apportioned into a Civil Penalty and Attorney's Fees and Costs as set forth in Sections 3.2 and 3.3 below.

The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty amount retained by KASB. **4. CLAIMS COVERED AND RELEASED**

**4.1 KASB's Release of MSLC**

KASB, acting on its own behalf and not on behalf of the public, fully releases and discharges MSLC and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors (the

“Defendant Releasees”) and all entities to which Defendant Releasees directly or indirectly distribute or sell the Product, and any other distributors, wholesalers, customers, retailers, franchisees, licensors, and licensees, (collectively, the "Released Parties" and individually, a “Released Party”). KASB, on behalf of itself and its officers, directors, shareholders, employees, agents, parent companies, subsidiaries and divisions hereby fully releases and discharges the Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted based on or related to the handling, use, sale, distribution or consumption of the Product in California, as to any alleged violation of Proposition 65 or its implementing regulations, including without limitation any failure to provide Proposition 65 warnings on the Product with respect to exposures to DEHP.

**4.2 MSLC’s Release of KASB**

MSLC on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all claims against KASB and its attorneys and other representatives, for any and all actions taken, or statements made by KASB and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Product.

**4.3 California Civil Code Section 1542**

It is possible that other claims not known to the Parties, arising out of the Notice or relating to the Products, will develop or be discovered. KASB on behalf of itself only, and MSLC on behalf of itself only, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through and including the Effective Date, including all rights of action therefore. KASB and MSLC acknowledge that the claims released in Sections 4.1 and 4.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

**5. SEVERABILITY**

In the event that any of the provisions of this Settlement Agreement are held by a court of competent jurisdiction to be unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.

**6. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California, without regard to its conflicts of law principals.

**7. NOTICE**

When any Party is entitled to receive any notice under this Settlement Agreement, the notice shall be sent by first class mail or electronic mail to the address set forth in this Paragraph. Any Party may modify the person and address to whom the notice is to be sent by sending the other Party notice by certified mail, return receipt requested.
