

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Clean Product Advocates, LLC and The Run-A-Ton Group, Inc.

This Settlement Agreement is entered into by and between Clean Products Advocates, LLC ("CPA"), on the one hand, and The Run-A-Ton Group, Inc. ("Run-A-Ton"), on the other hand, with CPA and Run-A-Ton collectively referred to as the "Parties."

1.2. General Allegations

CPA alleges that Run-A-Ton manufactured and distributed and offered for sale in the State of California "Gluten Free Pizza Dough" containing Lead, and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* and its implementing regulations ("Proposition 65"). California has identified and listed Lead under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as Gluten Free Pizza Dough that Run-A-Ton has manufactured, imported, sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On 02/06/2023 CPA served The Run-A-Ton Group, Inc.; Instacart and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Run-A-Ton and such public enforcers with notice that Run-A-Ton was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to Lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Run-A-Ton's compliance with Proposition 65. Run-A-Ton denies the material factual and legal allegations contained in CPA's Notice and maintains

that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Run-A-Ton of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Run-A-Ton of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Run-A-Ton. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Run-A-Ton under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Effective Date, Run-A-Ton, at its sole discretion, agrees to either (a) cease selling, offering for sale or distributing the Products in California, (b) manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, or (c) provide a clear and reasonable Proposition 65 warning on the Products pursuant to Section 2.2 below.

2.1. Reformulation Standards

The Products shall be deemed to comply with Proposition 65 with regard to Lead and be exempt from any Proposition 65 warning requirements where Lead in the Products does not exceed 0.5 micrograms of Lead per day ("Reformulated Products"). Products that were supplied or contracted to be supplied to third parties by Run-A-Ton prior to 6 months after the Effective Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

For the Purpose of this Agreement, the amount of Lead a person is exposed to from the Covered Product for purposes of being considered Reformulated Products shall be calculated using the following formula: micrograms of Lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of servings appearing on the product label), which equals micrograms of Lead exposure per day.

2.2. Warning Option

Products that do not meet the warning exemption standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning requirement shall only be required as to Products that are manufactured, distributed, marketed, imported, sold, shipped for sale or offered for sale to consumers by Run-A-Ton in the State of California. No Proposition 65 warning shall be required for any Products that are supplied or contracted to be

supplied to third parties by Run-A-Ton prior to 6 months after the Effective Date, and all such Products are hereby deemed to be exempt from Proposition 65 enforcement.

2.3. Warning Language

(a) Where required to meet the criteria set forth in Section 2.2, Run-A-Ton shall display one of the following warning statements on the packaging label of the Products that do not meet the warning exemption standard set forth in Section 2.1 above:

(1) **WARNING:** Consuming this product can expose you to chemicals including Lead, which [is] are known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information go to "www.P65Warnings.ca.gov/food

(2) **WARNING:** [Cancer and] Reproductive Harm- www.P65Warnings.ca.gov/food

Run-A-Ton may use "cancer and" in the warning at its option. Run-A-Ton may include the names of additional chemicals in the warning if they are present in the Products at a level that Run-A-Ton reasonably believes would require a Proposition 65 warning.

(b) The requirements for warnings, set forth in subsection (a) above, are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations. Run-A-Ton shall be deemed to be in compliance with the warning requirements of this Settlement Agreement by either adhering to this Section 2.3 or by complying with the Proposition 65 warning requirements adopted by the State of California Office of Environmental Health Hazard Assessment ("OEHHA") as of or after the Effective Date.

(c) If Proposition 65 warnings for Lead should no longer be required, Run-A-Ton shall have no further obligations pursuant to this Settlement Agreement.

(d) INTERNET - Product that is sold by The Run-A-Ton Group, Inc. on the Internet to persons located in California shall also provide the warning message by a clearly marked hyperlink on the product display page, or otherwise prominently displayed to the purchaser before the purchaser completes his or her purchase of the Product.
