

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Dennis Johnson (“Johnson”) and Brumis Imports, Inc. (“Brumis”), with Johnson and Brumis each individually referred to as a “Party” and collectively as the “Parties.” Johnson is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Johnson alleges that Brumis is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Johnson alleges that Brumis manufactures, sells, and/or distributes for sale in California ceramic bowls with exterior designs containing lead. Lead is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Johnson alleges that Brumis failed to provide the health hazard warning required by Proposition 65 for exposures to lead.

1.3 Product Description

The products covered by this Settlement Agreement are specifically defined as ceramic noodle bowls imported, distributed, licensed, offered for sale and/or sold in California by Brumis, including but is not limited to, “*Core Kitchen Noodle Bowl with Chopsticks*” UPC: 840179276697; UPC 840179276758; UPC 840179276628; and UPC 196557018732, (hereinafter referred to as “Products”).

1.4 Notice of Violation

On March 10, 2023, Johnson served Brumis Imports, Inc., The TJX Companies, Inc., and the requisite public enforcement agencies with a 60-Day Notice of Violation, alleging that the notice recipients violated Proposition 65 by failing to warn customers and consumers in California of the health hazards associated with exposures to lead from the Products.

No public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

Brumis denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Brumis of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Brumis of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Brumis. This Section shall not, however, diminish or otherwise affect Brumis' obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean October 15, 2023.

2. INJUNCTIVE RELIEF

2.1 Reformulation/Warning Commitment

As of the Effective Date, Brumis shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless: (i) the Products are Reformulated Products pursuant to Section 2.2 or (ii) Brumis provides a clear and

reasonable warning pursuant to Section 2.3. Before providing a clear and reasonable warning, Brumis shall employ its best efforts to manufacture, import, or otherwise acquire Reformulated Products for sale in the State of California. The Parties agree and intend that compliance with the terms of this Settlement Agreement shall constitute compliance with Proposition 65 with respect to exposures to Lead from the Products.

2.2 Reformulated Products.

“Reformulated Products” are defined as those Products that: (a) contain no more than 90 parts per million (“ppm”) lead in any decoration, colored artwork, designs and/or marking on the surface of the Products when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3050B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance; (b) yield no more than 1.0 microgram of lead on any surface sampled and analyzed pursuant to the NIOSH 9100 testing protocol; and (c) yield a result of non-detect (defined as no more than 25 ppm by weight of lead) for any decorations located in the upper 20 millimeters of a Product, i.e., the “Lip-and-Rim” area when analyzed pursuant to EPA testing methodologies 3050B and 6010B, or equivalent methodologies used by state and federal agencies to determine lead content in a solid substance.

If the decoration is tested after it is affixed to the Product, the percentage of the lead by weight must relate only to the decorating materials and must not include any quantity attributable to non-decorating material (e.g., ceramic substrate).

2.3 Warnings.

To the extent that Products manufactured, imported, or otherwise acquired by Brumis after the Effective Date do not meet the standard for Reformulated Products, a clear and reasonable warning shall be provided, as set forth herein.

2.3.1 Warning Content. For purposes of this Settlement Agreement, the parties agree that a clear and reasonable warning shall consist of either of the following warning statements:

 **WARNING:** Reproductive Harm- www.P65Warnings.ca.gov

OR

 **WARNING:** This product can expose you to chemicals including lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

The above warning statements must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”.

2.3.2 Method of Transmission

Product Labeling. Brumis shall affix one of the foregoing warning statements to the packaging, labeling or directly to a specific Product. The warning statement shall be affixed to the Product, Product’s packaging or labeling and placed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. Where the short-form warning statement is provided on the label, the entire warning must be in a type size no smaller than the largest type size used for other consumer information on the product label. In no case shall the short-form warning statement appear in a type size smaller than six-point type.

Internet. In addition to the product labeling, if Brumis sells Products via its own proprietary internet website to customers located in California, the warning

statement shall appear either: (i) on the same web page on which a Product is displayed and/or described; (ii) on the same page as the price for the Product; or (iii) on one or more web pages displayed to a California purchaser prior to completion of the checkout process. Alternatively, the warning statement shall be provided using a clearly marked hyperlink using the word “WARNING” on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. If the product label warning is provided using the short-form warning statement, the warning provided on the website may use the same content. A warning is not prominently displayed if the purchaser must search for it in the general content of the website.

Catalog. In addition to the product labeling, if Brumis sells Products via its own proprietary catalog to customers located in California, one of the foregoing warnings statements must also be provided in the catalog in a manner that clearly associates it with the *specific* item being purchased. The catalog warning statement shall be placed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase. If a short-form warning is being provided on the label, the warning provided in the catalog may use the same content.

Languages. Where a label or tag used to provide a warning statement includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

2.3.3 Safe Harbor Warnings. The parties acknowledge that the warnings required by this section are not the exclusive methods of providing Proposition 65 warnings and agree that Brumis may utilize “safe harbor” warning language and methods promulgated by the Office of Environmental Health Hazard Assessment and contained in 27 CCR §§ 25602-25603, applicable to the chemical and Product, in effect on or after the Effective Date, without being deemed in breach of this Settlement

Agreement.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code section 25249.7(b)(2), and as consideration for the releases contained in Sections 4.1 and 4.2 below, Brumis agrees to pay \$1,500 in civil penalties no later than the Effective Date. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Johnson. Brumis will make its payment in two checks, delivered to the address in Section 3.3, as follows: (1) to “OEHHA” in the amount of \$1,125; and (2) to “Dennis Johnson” in the amount of \$375.

3.2 Attorneys’ Fees and Costs

The Parties acknowledge that Johnson and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to his counsel, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Brumis expressed a desire to resolve Johnson’s fees and costs. The Parties reached an accord on the compensation due to Johnson’s counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, on or before the Effective Date, Brumis agrees to pay \$13,500, in the form of a check made payable to “Voorhees & Bailey, LLP,” for all fees and costs incurred investigating, bringing this matter to the attention of Brumis’ management, and negotiating a settlement.

3.3 Payment Address

All payments under this Settlement Agreement shall be delivered to the following address:

Voorhees & Bailey, LLP
990 Amarillo Avenue
Palo Alto, CA 94303

4. CLAIMS COVERED AND RELEASED

4.1 Johnson's Release of Proposition 65 Claims

Johnson acting on his own behalf, and not on behalf of the public, releases Brumis, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, managers, agents employees, attorneys, successors and assignees, licensors and each entity to whom Brumis directly or indirectly distributes or sells Products, including, but not limited to, downstream distributors, wholesalers, customers, retailers (including The TJX Companies, Inc.), franchisees, cooperative members, licensees, and their respective subsidiaries, affiliates, and parents (collectively, "Releasees"), from all claims for violations of Proposition 65 through the Effective Date based on unwarned exposures to lead in the Products. The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Brumis.

4.2 Johnson's Individual Release of Claims

Johnson in his individual capacity only and not in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities, and demands of Johnson of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited

to and arising out of alleged or actual exposures to lead in the Products manufactured, imported, distributed, or sold by Brumis prior to the Effective Date. The Parties further understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Brumis. Nothing in this Section affects Johnson's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Brumis' Products.

4.3 Brumis' Release of Johnson

Brumis, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Johnson and his attorneys and other representatives, for any and all actions taken, or statements made by Johnson and his attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

5. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is deemed by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Brumis may provide written notice to Johnson of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.

7. **NOTICE**

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:

For Brumis:

Alan Bram
42 W. 39th St. 4th Floor
New York, NY 10018

For Johnson:

Dennis Johnson
c/o Voorhees & Bailey, LLP
Proposition 65 Coordinator
839 Emerson Street
Palo Alto, CA 94301

If Johnson alleges that Brumis has failed to comply with this Settlement Agreement, prior to filing an action or motion relating to enforcement, Johnson shall first provide Brumis sixty (60) days' advance written notice of the alleged violation(s). Johnson shall provide testing results, lot numbers, photographs of the Product, and purchase receipts for the Product at issue in the alleged violation, as applicable. Johnson and Brumis shall meet and confer during such sixty (60) day period in an effort to reach agreement on an appropriate cure for the alleged violation without the need for litigation. This section shall also apply to any allegations made by Johnson against Brumis's Releasees as defined in § 4.1 above, for failing to comply with this Settlement Agreement.

Any Party may, from time to time, specify in writing to the other a change of address to which all notices and other communications shall be sent.

8. **COUNTERPARTS; FACSIMILE SIGNATURES**

This Settlement Agreement may be executed in counterparts and by facsimile or portable document format (PDF) signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

9. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

Johnson and his attorneys agree to comply with the reporting form requirements referenced in California Health and Safety Code section 25249.7(f).

10. MODIFICATION

This Settlement Agreement may be modified only by written agreement of the Parties.

11. AUTHORIZATION

The undersigned are authorized to execute this Settlement Agreement on behalf of their respective Parties and have read, understand, and agreed to all of the terms and conditions of this Settlement Agreement.
