

# SETTLEMENT AGREEMENT

## 1. INTRODUCTION

### 1.1 Parties

This Settlement Agreement is entered into by and between Audrey Kallander (“Kallander”) and Dior International Limited. (“Dior”), with Kallander and Dior each individually referred to as a “Party” and collectively as the “Parties.” Kallander is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Kallander alleges that Dior is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

### 1.2 General Allegations

Kallander alleges that Dior manufactures, sells, and/or distributes for sale in California, metal and glass terrariums containing lead. Lead is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Kallander alleges that Dior failed to provide the health hazard warning required by Proposition 65 for exposures to lead.

### 1.3 Product Description

The products covered by this Settlement Agreement are specifically defined as, and limited to, the “*At Home 6 x 4 Gold Glass Terrarium*” UPC: 1 91607 56419 1 (hereinafter referred to as the “Products”).

### 1.4 Notice of Violation

On March 27, 2023, Kallander served At Home Stores LLC and the requisite public enforcement agencies with a 60-Day Notice of Violation, alleging that the notice recipients violated Proposition 65 by failing to warn their customers and consumers in

California of the health hazards associated with exposures to lead from the Products. At Home Stores subsequently identified Dior as the supplier of the Products.

On June 30, 2023, Kallander served Dior International Limited, At Home Stores LLC, and the requisite public enforcement agencies with a 60-Day Notice of Violation, alleging that the notice recipients violated Proposition 65 by failing to warn their customers and consumers in California of the health hazards associated with exposures to lead from the Terrarium Products.

No public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

### **1.5 No Admission**

Dior denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Dior of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Dior of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Dior. This Section shall not, however, diminish or otherwise affect Dior's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean September 8, 2023.

## **2. INJUNCTIVE RELIEF**

### **2.1 Reformulation Standards**

"Reformulated Products" are defined as those Products that: (a) contain no more than 90 parts per million ("ppm") lead in any accessible component of the Products when

analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3050B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance; and (b) yield no more than 1.0 microgram of lead on any surface sampled and analyzed pursuant to the NIOSH 9100 testing protocol.

## **2.2 Reformulation/Warning Commitment**

As of the Effective Date, Dior shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless they are Reformulated Products pursuant to Section 2.1 or contain appropriate health hazard warnings pursuant to Section 2.3 below. The Parties agree and intend that compliance with the terms of this Settlement Agreement shall constitute compliance with Proposition 65 with respect to exposures to Lead from the Products.

## **2.3 Product Warnings**

As of the Effective Date, all Products Dior sells and/or distributes for sale in California that do not qualify as Reformulated Products, shall bear a clear and reasonable warning pursuant to this Section. Dior further agrees that the warning shall be prominently placed with such conspicuousness when compared with other words, statements, designs or devices as to render it likely to be read and understood by an ordinary individual under customary conditions of use. For purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall consist of a warning affixed directly to the product or product packaging, label, or tag, for Products sold in California, and contain one of the following statements:

 **WARNING:** Reproductive Harm- [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

**OR**

 **WARNING:** This product can expose you to chemicals including lead, which are known to the State of California to cause birth defects and other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

The above warning statements shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING.”

If Dior sells Products via its own proprietary internet website to customers located in California, the warning requirements of this section shall be satisfied if the foregoing warning appears either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same page as the price for the Product; (c) on one or more web pages displayed to a California purchaser prior to completion of the checkout process. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Product, if the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the product(s) to which the warning applies.

The parties acknowledge that the warnings required by this section are not the exclusive methods of providing Proposition 65 warnings and agree that Dior may utilize “safe harbor” warning language and methods of transmission promulgated by the Office of Environmental Health Hazard Assessment without being deemed in breach of this Settlement Agreement.

### **3. MONETARY SETTLEMENT TERMS**

#### **3.1 Civil Penalty Payment**

Pursuant to Health and Safety Code section 25249.7(b)(2), and as consideration for the releases contained in Sections 4.1 and 4.2 below, Dior agrees to pay \$2,500.00 in civil penalties no later than the Effective Date. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with

75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Kallander. Dior will make its payment in two checks, delivered to the address in Section 3.3, as follows: (1) to “OEHHA” in the amount of \$1,875.00; and (2) to “Audrey Kallander” in the amount of \$625.00.

### **3.2 Attorneys’ Fees and Costs**

The Parties acknowledge that Kallander and her counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to her counsel, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Dior expressed a desire to resolve Kallander’s fees and costs. The Parties reached an accord on the compensation due to Kallander’s counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, on or before the Effective Date, Dior agrees to pay \$14,500.00, in the form of a check made payable to “Voorhees & Bailey, LLP,” for all fees and costs incurred investigating, bringing this matter to the attention of Dior’s management, and negotiating a settlement.

### **3.3 Payment Address**

All payments under this Settlement Agreement shall be delivered to the address appearing below or shall be wired to Voorhees & Bailey, LLP’s trust account. If Dior elects to wire the settlement funds, Voorhees & Bailey, LLP shall disburse the funds in accordance with sections 3.1 and 3.2.

#### **4. CLAIMS COVERED AND RELEASED**

##### **4.1 Kallander's Release of Proposition 65 Claims**

Kallander acting on her own behalf, and not on behalf of the public, releases Dior, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, agents employees, attorneys, and each entity to whom Dior directly or indirectly distributes or sells the Products, including, but not limited, to downstream distributors, wholesalers, customers, retailers (including, but not limited to, At Home Stores LLC and all of its parents' affiliates and subsidiaries), franchisees, cooperative members, importers, and licensees (collectively, "Releasees"), from all claims for violations of Proposition 65 through the Effective Date based on unwarned exposures to lead in the Products. The Parties understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Dior.

##### **4.2 Kallander's Individual Release of Claims**

Kallander, in her individual capacity only and not in her representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities, and demands of Kallander of any nature, character, or kind, whether known or unknown, suspected or unsuspected, including but not limited to all failure to warn claims, arising out of alleged or actual exposures to lead in the Products manufactured, imported, distributed, or sold by Dior prior to the Effective Date. The Parties understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Dior. Nothing in this Section affects Kallander's right to

commence or prosecute an action under Proposition 65 against a Releasee that does not involve Dior's Products.

#### **4.3 Dior's Release of Kallander**

Dior, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Kallander and her attorneys and other representatives, for any and all actions taken or statements made by Kallander and her attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

#### **5. SEVERABILITY**

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is deemed by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

#### **6. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Dior may provide written notice to Kallander of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.
