

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Audrey Kallander (“Kallander”) and Enchante Accessories, Inc. (“Enchante”). Kallander and Enchante shall each be referred to as a “Party” and collectively as the “Parties.” Kallander is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Enchante is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Kallander alleges that Enchante manufactures, sells, and distributes for sale in California, ceramic mugs with lids containing lead. Lead is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Kallander alleges that Enchante failed to provide the health hazard warning required by Proposition 65 for exposures to lead.

1.3 Product Description

The products covered by this Settlement Agreement are specifically identified as, and limited to, (i) *Enchante Cobwebs and Cauldrons Ceramic Mug With Lid; Dept.: 31; Style: 688894; Type: 1; Cat.: 8360*, manufactured, sold, or distributed for sale in California by Enchante; (ii) *Enchante Plaid Ceramic Mug, UPC: 8 40104 93664 1*, manufactured, sold, or distributed for sale in California by Enchante; (iii) *Enchante “Hug in a Mug” Ceramic Mug, UPC: 8 40104 93416 6*, manufactured, sold, or distributed for sale in California by Enchante; and (iv) *Enchante “Grandmas Are Hugs Waiting To Happen” Ceramic Mug, UPC: 8 40104 93656 6*, manufactured, sold, or distributed for sale in California by Enchante (hereinafter collectively referred to as the “Products”).

1.4 Notices of Violation

On March 10, 2023, Kallander served Enchante, The TJX Companies, Inc., and the requisite public enforcement agencies with a 60-Day Notice of Violation (“Notice”), alleging that the notice recipients violated Proposition 65 by failing to warn their customers and consumers in California of the health hazards associated with exposures to lead from the Cobwebs and Cauldrons ceramic mug.

On March 27, 2023, Kallander served Enchante, Kohl’s, Inc., and the requisite public enforcement agencies with a 60-Day Notice of Violation (“Notice”), alleging that the notice recipients violated Proposition 65 by failing to warn their customers and consumers in California of the health hazards associated with exposures to lead from the Plaid ceramic mug and the “Grandma’s are Hugs Waiting To Happen” ceramic mug.

No public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notices.

1.5 No Admission

Enchante denies the material, factual, and legal allegations contained in the Notices and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Enchante of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Enchante of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Enchante. This Section shall not, however, diminish or otherwise affect Enchante’s obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean June 2, 2023.

2. INJUNCTIVE RELIEF: REFORMULATION/WARNING

2.1 Reformulation Standards

“Reformulated Products” are defined as those Products that: (a) contain no more than 90 parts per million (“ppm”) lead in any decoration, colored artwork, designs and/or marking on the surface of the Products when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3050B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance; (b) yield no more than 1.0 microgram of lead on any surface sampled and analyzed pursuant to the NIOSH 9100 testing protocol; and (c) yield a result of non-detect (defined as no more than 25 ppm by weight of lead) for any decorations located in the upper 20 millimeters of a Product, i.e., the “Lip-and-Rim” area when analyzed pursuant to EPA testing methodologies 3050B and 6010B, or equivalent methodologies used by state and federal agencies to determine lead content in a solid substance.

If the decoration is tested after it is affixed to the Product, the percentage of the lead by weight must relate only to the decorating materials and must not include any quantity attributable to non-decorating material (e.g., ceramic substrate).

2.2 Reformulation/Warning Commitment

As of the Effective Date, Enchante shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless they are Reformulated Products pursuant to Section 2.1 or bear a warning pursuant to Section 2.3 below. The Parties agree and intend that compliance with the terms of this Settlement Agreement shall constitute compliance with Proposition 65 with respect to exposures to lead from the Products. Notwithstanding the foregoing, Products that were supplied to third parties by Enchante prior to the Effective Date shall be deemed exempted from the requirements of Sections 2.2 and 2.3 and shall be permitted to be sold through as previously manufactured, packaged and labeled, as they were included in the calculation of civil penalties due pursuant to Section 3.1.

2.3 Warnings

As of the Effective Date, the Products Enchante sells or distributes to third parties for sale in California that do not qualify as Reformulated Products, shall bear a clear and reasonable warning pursuant to this Section. Enchante further agrees that the warning shall be prominently placed with such conspicuousness when compared with other words, statements, designs or devices as to render it likely to be read and understood by an ordinary individual under customary conditions of use. For purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall consist of a warning affixed directly to the product or product packaging, label, or tag, for Products sold in California and containing one of the following statements:

 **WARNING:** Reproductive Harm- www.P65Warnings.ca.gov

OR

 **WARNING:** This product can expose you to chemicals, including lead, which are known to the State of California to cause birth defects and other reproductive harm. For more information go to www.P65Warnings.ca.gov

The above warning statements shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING.”

2.4 Internet Warnings

In the event that Enchante sells Products via its own proprietary internet website to customers located in California, the warning requirements of this section shall be satisfied if the foregoing warning appears either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same page as the price for the Product; (c) on one or more web pages displayed to a California purchaser prior to completion of the checkout process. Alternatively, a symbol consisting of a black exclamation point in a yellow or

white equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Product, if the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the product(s) to which the warning applies.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code section 25249.7(b)(2), and as consideration for the releases contained in Sections 4.1 and 4.2 below, Enchante agrees to pay, no later than the Effective Date, \$4,000 in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Kallander, and delivered to the address in Section 3.3 herein. Enchante will provide its payment, on or before the Effective Date, in two checks as follows: (1) “OEHHA” in the amount of \$3,000; and (2) “Audrey Kallander” in the amount of \$1,000.

3.2 Attorneys’ Fees and Costs

The Parties acknowledge that Kallander and her counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Enchante expressed a desire to resolve Kallander’s fees and costs. The Parties reached an accord on the compensation due to Kallander’s counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, Enchante agrees to pay, no later than the Effective Date, \$25,900, in the form of a check made payable to

“Voorhees & Bailey, LLP,” for all fees and costs incurred investigating, bringing this matter to the attention of Enchante’s management, and negotiating a settlement.

3.3 Payment Address

All payments under this Settlement Agreement shall be delivered to the following address:

Voorhees & Bailey, LLP
990 Amarillo Avenue
Palo Alto, CA 94303

Kallander, in her individual capacity only and *not* in her representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys’ fees, damages, losses, claims, liabilities, and demands of Kallander of any nature, character, or kind, whether known or unknown, suspected or unsuspected, arising

out of alleged or actual exposures to lead in the Products manufactured, imported, distributed, sold, or placed into the stream of commerce by Enchante prior to the Effective Date. The Parties further understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Enchante.

4.3 Enchante's Release of Kallander

Enchante, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Kallander and her attorneys and other representatives, for any and all actions taken or statements made by Kallander and her attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.
