

## SETTLEMENT AGREEMENT

### **1. INTRODUCTION**

#### **1.1 Parties**

This settlement agreement ("Settlement Agreement") is entered into by and between CalSafe Research Center, Inc., ("CRC"), on the one hand, and El Super Leon Ponchin Snacks, Inc., ("ESLP") on the other hand, with CRC and ESLP each individually referred to as a "Party" and collectively as the "Parties."

#### **1.2 General Allegations**

CRC alleges in a 60-Day Notice of Violation dated March 31, 2023, that ESLP sells and/or distributes "El Super Leon, Baked Coconut Macaroon Candy (UPC# 852605002022)", "El Ponchin, Dulce De Leche Milk Candy (UPC# 8522605000707)" and "El Super Leon, Coconut Candy (UPC# 852605000240)" in California containing lead without a warning as required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65") (the "Notice"). Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm.

#### **1.3 Product Descriptions**

The products covered by this Settlement Agreement are defined as, and expressly limited to "El Super Leon, Baked Coconut Macaroon Candy (UPC# 852605002022)", "El Ponchin, Dulce De Leche Milk Candy (UPC# 8522605000707)," and "El Super Leon, Coconut Candy (UPC# 852605000240)" (collectively, the "Product") that contain lead and that are manufactured, sold or distributed for sale in California by ESLP.

#### **1.4 Notice of Violation**

On April 13, 2023, CRC served the Notice on ESLP, the California Attorney General and the other requisite public enforcers, alleging that ESLP and others violated Proposition 65 when they failed to warn consumers in California of the alleged exposures to lead from the Product.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

#### **1.5 No Admission**

ESLP denies the material, factual and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Product, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by ESLP or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by ESLP or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by ESLP. This Section shall not, however, diminish or otherwise affect ESLP's obligations, responsibilities, and duties under this Settlement Agreement.

## 1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date on which a complete and fully executed copy of this Settlement Agreement is exchanged by the Parties' counsel.

## 2. INJUNCTIVE RELIEF

### 2.1 Clear and Reasonable Warnings

Beginning on the Effective Date, ESLP shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, Product that exposes a person to an exposure level of more than 0.5 micrograms of lead per serving, with serving size measured by the serving size specified on the product label of the Product, unless it meets the warning requirements under Section 2.2.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship the Product into California for sale in California or to sell the Product to a distributor that ESLP knows or has reason to know will sell the Product in California.

### 2.2 General Warning Requirements

ESLP agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For the purposes of this Settlement Agreement, a clear and reasonable warning for the Product shall consist of a warning affixed to the packaging, label, tag, or directly to each of the Product sold or distributed in California by ESLP that contains one of the following statements:

1) **WARNING:** Consuming this product can expose you to lead which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food);

2) **WARNING:** Reproductive Harm-[www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

The warning shall be offset in a box with black outline.

For internet purchases, the warning must also be provided by including either the warning or a clearly marked hyperlink using the word "**WARNING**" on the Product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase.

For Product that ESLP provides for a downstream entity to sell on the internet, ESLP shall include an instruction that the entity comply with the warning requirements of this section.

Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, ESLP shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the Product is no longer required, a lack of warning will not thereafter be a breach of this Agreement.

**2.3 Grace Period for Existing Inventory of Products**

The injunctive requirements of Section 2 shall not apply to Product that is already in the stream of commerce as of the Effective Date, which Product is expressly subject to the releases provided in Section 4.1.

**3. MONETARY SETTLEMENT TERMS**

**3.1 Total Settlement Payment**

In full satisfaction of all potential civil penalties, attorneys' fees, and costs, ESLP shall make a total settlement payment of Fifty Thousand Dollars (**\$50,000.00**) ("Total Settlement Amount"). The Total Settlement Amount shall be apportioned into a Civil Penalty and Attorney's Fees and Costs as set forth in Sections 3.2 and 3.3 below.

**3.2 Civil Penalty Payment**

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, ESLP agrees to pay Five Thousand Dollars (**\$5,000.00**) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty amount retained by CRC. Within ten (10) days of the Effective Date, ESLP shall issue a check to "OEHHA" in the amount of Three Thousand Seven Hundred and Fifty Dollars (**\$3,750.00**) and shall, pursuant to the instructions below, wire to CRC the amount of One Thousand Two Hundred and Fifty Dollars (**\$1,250.00**).

All payments owed to OEHHA (EIN: 68-0284486) pursuant to this Section shall be delivered directly to OEHHA (Memo Line "Prop 65 Penalties") at the following addresses:

The Parties acknowledge that ESLP cannot issue any settlement payments pursuant to Section 3 above until after ESLP receives the requisite W-9 forms from CRC's counsel.

**4. CLAIMS COVERED AND RELEASED**

**4.1 CRC's Release of ESLP**

CRC, acting on its own behalf and not on behalf of the public, fully releases and discharges ESLP and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors (the "Defendant Releasees") and all entities to which Defendant Releasees directly or indirectly distribute or sell the Product, and any

other distributors, wholesalers, customers, retailers, franchisees, licensors, and licensees, (collectively, the "Released Parties" and individually, a "Released Party"). CRC, on behalf of itself and its officers, directors, shareholders, employees, agents, parent companies, subsidiaries and divisions hereby fully releases and discharges the Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted based on or related to the handling, use, sale, distribution or consumption of the Product in California, as to any alleged violation of Proposition 65 or its implementing regulations, including without limitation any failure to provide Proposition 65 warnings on the Product with respect to exposures to lead.

**4.2 ESLP's Release of CRC**

ESLP on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all claims against CRC and its attorneys and other representatives, for any and all actions taken, or statements made by CRC and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Product.

**4.3 California Civil Code Section 1542**

It is possible that other claims not known to the Parties, arising out of the Notice or relating to the Product, will develop or be discovered. CRC on behalf of itself only, and ESLP on behalf of itself only, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through and including the Effective Date, including all rights of action therefore. CRC and ESLP acknowledge that the claims released in Sections 4.1 and 4.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

**5. SEVERABILITY**

In the event that any of the provisions of this Settlement Agreement are held by a court of competent jurisdiction to be unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.

**6. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California, without regard to its conflicts of law principals.

**7. NOTICE**

When any Party is entitled to receive any notice under this Settlement Agreement, the notice shall be sent by first class mail or electronic mail to the address set forth in this paragraph. Any Party may modify the person and address to whom the notice is to be sent by sending the other Party notice by certified mail, return receipt requested.
