

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Anthony Ferreiro (“Ferreiro”) and Sumitomo Rubber Industries, Ltd. and its wholly owned subsidiary Roger Cleveland Golf Company, Inc. (collectively “Sumitomo”). Together, Ferreiro and Sumitomo are collectively referred to as the “Parties.” Ferreiro is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Ferreiro alleges that Sumitomo is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Ferreiro alleges that Sumitomo has exposed individuals to chromium (hexavalent compounds) (“CrVI”) from its sales of *Srixon*® all weather gloves, UPC # 6 53427 10636 9, sold in California that expose users to CrVI, without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. CrVI is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3 Product Description. The products covered by this Settlement Agreement are *Srixon*® all weather gloves, UPC # 6 53427 10636 9, (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Sumitomo that expose users to CrVI.

1.4 Notice of Violation. On April 13, 2023, Ferreiro served Dunlop Sports Co. Ltd., Worldwide Golf Shops LLC, Sumitomo, and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Notice”). The Notice provided Sumitomo and such others, including public enforcers, with notice that alleged that Sumitomo was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to CrVI. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. Sumitomo denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Sumitomo of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Sumitomo of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Sumitomo. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Sumitomo maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: WARNINGS

2.1 Clear and Reasonable Warning. Commencing within One hundred twenty (120) days after the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.1 and 2.2 must be provided for all *Srixon*® all weather gloves, UPC # 6 53427 10636 9 (“Products”) that Sumitomo manufacturers, imports, distributes, sells, or offers for sale in California. There shall be no obligation for Sumitomo to provide an exposure warning for Products that entered the stream of commerce prior to the Effective Date or within 120 days after the Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.1(a) or (b), respectively:

(a) **Warning.** The “Warning” shall consist of the statement:

⚠ WARNING: This product can expose you to chemicals including chromium (hexavalent compounds), which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(b) **Alternative Warning:** Sumitomo may, but is not required to, use the alternative short-form warning as set forth in this § 2.1(b) (“**Alternative Warning**”) as follows:

 **WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

2.2 A **Warning** or **Alternative Warning** provided pursuant to § 2.1 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”. The **Warning** or **Alternative Warning** shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process, provided that the **Warning** or **Alternative Warning** is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. The **Warning** or **Alternative Warning** may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings.

In addition to affixing the **Warning** or **Alternative Warning** to the Product’s packaging or labeling, the **Warning** or **Alternative Warning** shall be posted on websites where Sumitomo offers Products for sale to consumers in California. The requirements of this Section shall be satisfied if the **Warning** or **Alternative Warning**, or a clearly marked hyperlink using the word “**WARNING,**” appears on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. To comply with this Section, Sumitomo shall (a) post the **Warning** or **Alternative Warning** on its own website and, if it has the ability to do so, on the websites of its third-party internet sellers; and (b) if it does not have the ability to post the **Warning** or **Alternative Warning** on the websites of its third-party internet sellers, provide such sellers with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2. Third-party internet sellers of the Product that have been provided with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2 are not released in Section 5 of this Agreement if they fail to meet the warning requirements of this Section.

2.3 Compliance with Warning Regulations. The Parties agree that Sumitomo shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2 of this Settlement Agreement or by complying with warning requirements adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") applicable to the Product and the exposures at issue after the Effective Date or within 120 days after the Effective Date. If "consumer information," as that term is defined in Title 27, California Code of Regulations, Section 25600.1(c) as it may be amended from time to time, is provided in a foreign language, Sumitomo shall provide the **Warning** or **Alternative Warning** in the foreign language in accordance with applicable warning regulations adopted by OEHHA.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Sumitomo shall pay \$2,000.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Ferreiro. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below. For all amounts due and owing that are not received within the payment times set forth below, Sumitomo shall pay a late civil penalty payment fee equal to \$100/day to be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) and (d).

3.1 Civil Penalty. Within ten (10) days of the Effective Date, Sumitomo shall issue two (2) separate checks for the Civil Penalty payment to (a) "OEHHA" in the amount of \$1,500.00; and to (b) "Anthony Ferreiro" in the amount of \$500.00. 4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that Ferreiro and his counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Ferreiro and his counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Sumitomo shall reimburse Ferreiro's counsel for fees and costs incurred as a result of investigating and bringing this matter to the attention of Sumitomo, and negotiating a settlement in the public interest. Within ten (10) days of the Effective Date, Sumitomo shall issue a check payable to "Brodsky Smith" in the amount of \$23,000.00 for delivery to the address identified in § 3.2(a)(i), above.

5. RELEASE OF ALL CLAIMS

5.1 Release of Sumitomo and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Ferreiro, acting on his own behalf, and Sumitomo, of any violation of Proposition 65 that was or could have been asserted by Ferreiro or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns ("Releasers") for failure to provide warnings for alleged exposures to CrVI from use of the Products, and Releasers hereby release any such claims against Sumitomo and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Sumitomo directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Worldwide Golf Shops LLC, and its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees, and each entity from whom Sumitomo directly or indirectly receives the Products (collectively, the "Releasees"), from all claims for violations of Proposition 65 through the Effective Date, or within 120 days after the Effective Date, based on exposure to CrVI from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Ferreiro, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that he may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical CrVI from use of the Products.

5.2 Sumitomo's Release of Ferreiro. Sumitomo, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Ferreiro, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ferreiro and/or his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to CrVI from use of the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Ferreiro on behalf of himself only, on one hand, and Sumitomo, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, or within 90 days after the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HIS, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Ferreiro and Sumitomo each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Sumitomo with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to CrVI from use of the Products. The Parties agree that after the Effective Date, should compliance with Proposition 65 with respect to CrVI from use of the Products be governed by operation of law (*i.e.*, Court Order regarding CrVI in leather products, or other regulatory exemption) Sumitomo may choose to comply with such operation of law and such action would not be a breach or violation of this Settlement Agreement.

5.5. Public Benefit. It is Sumitomo's understanding that the commitments it has agreed to herein, and actions to be taken by Sumitomo under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Sumitomo that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Sumitomo's failure to provide a warning concerning exposure to CrVI prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Sumitomo is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Sumitomo shall provide written notice to Ferreiro of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

8. NOTICES

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any party by the other party to the following addresses:

9. COUNTERPARTS: SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or .pdf signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

Ferreiro agrees to comply with the reporting requirements referenced in Health & Safety Code § 25249.7(f).

11. MODIFICATION

This Settlement Agreement may be modified only by a written agreement of the Parties.

12. ENTIRE AGREEMENT
