Commencing within ninety (90) days of the Effective Date, So French shall ensure that any unreformulated Covered Products that it ships to California retailers or for sale in California include a clear and reasonable warning. The warning shall include a triangle with a yellow body and black exclamation point and be affixed to the packaging or labeling using the language in the warnings below:

⚠ **WARNING:** This product can expose you to chemicals including Di-(2-ethylhexyl) phthalate (DEHP), which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

OR

⚠ **WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

The warning shall be prominently displayed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user is reasonably likely to understand to which specific Product the warning applies, so as to minimize the risk of consumer confusion. If the product contains consumer information in a language other than English, the company must provide the warning in the other language(s). In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, So French shall be entitled to use, at its discretion, such other warning text and/or methods of transmission without being deemed in breach of this Agreement.
