

SETTLEMENT AND RELEASE AGREEMENT

1. **INTRODUCTION**

1.1. **Berj Parseghian and Joya Inc.:**

This Settlement Agreement is entered into by and between Berj Parseghian (“Parseghian”), represented by his attorneys KJT Law Group, LLP on the one hand, and Joya Inc. (“Joya”), on the other hand, with Parseghian and Joya collectively referred to as the “Parties.”

1.2. **General Allegations**

Parseghian alleges that Joya distributed and offered for sale in the State of California Products, containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* (“Proposition 65”). California has identified and listed lead under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. **Product Description**

The product covered by this Settlement Agreement is defined as “Joya – Focus – Daily Functional Superblend – Matcha; UPC #: 8 08432 20011 7”, that Joya has sold, offered for sale, manufactured, or distributed in California and that contain lead. All such items shall be referred to herein as the “Covered Product.”

1.4. **Notice of Violation**

On May 30, 2023, Parseghian served Joya and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled “60-Day Notice of Violation” (“Notice”) that provided Joya and such public

enforcers with notice that Joya was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Covered Product exposed users in California to lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. **No Admission**

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Joya compliance with Proposition 65.

Specifically, Joya denies the allegations contained in Parseghian's Notice and maintains that all products that it has placed for sale and distribution in California, including the Covered Product, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Joya of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Joya of any fact, finding, conclusion, issue of law, or violation of law. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Joya under this Settlement Agreement.

1.6. **Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed by the two Parties.

2. **INJUNCTIVE RELIEF:**

2.1 Beginning on the Effective Date, Joya shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, any Covered Product that expose a person to a "Daily Lead Exposure

Level” of more than 0.5 micrograms of lead per day, unless it meets the warning requirements under Section 2.2.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that Joya knows or has reason to know will sell the Covered Product in California. The injunctive relief in Section 2 does not apply to any Covered Product that has left the possession of Joya prior to the Effective Date and all claims as to such Covered Products are released in this Settlement Agreement.

For purposes of this Settlement Agreement, "Daily Lead Exposure Level" shall be measured in micrograms, and shall be calculated using the following formula: micrograms of lead per gram of product, multiplied by grams of product per serving of the product as stated on the label, multiplied by servings of the product per day stated on the label, which equals micrograms of lead exposure per day. If the label contains no recommended daily servings, then the number of recommended daily servings shall be one.

2.2 Clear and Reasonable Warnings

If Joya is required to provide a warning pursuant to Section 2.1 one of the following warnings must be utilized ("Warning").

Option 1:

⚠ WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/Food

Option 2:

⚠ WARNING: [Cancer and] Reproductive Harm – www.P65Warnings.ca.gov/Food

Joya shall use the phrase "cancer and" in the Warning if the exposure level is greater than 15 micrograms of lead per day. If consumer information on the package is in a foreign language, the warning must also be provided in the foreign language.

Notwithstanding the above, the content and method of transmission shall be provided in any form as authorized by Proposition 65 law or regulation, applicable to the Covered Product and chemical at issue, effective on or after the Effective Date.

3. CONSIDERATION

In settlement of all the claims referred to in this Settlement Agreement, the Parties reached an accord on the compensation due, under the private attorney general doctrine and principles of contract law. Under these legal principles, Joya shall pay \$15,000.00 as settlement and for fees and costs, incurred as a result of investigating and bringing this matter to Joya's attention.

(and its direct predecessor Mushroom Store, LLC) – for any alleged violations of Proposition 65, or any other alleged violations of statutory or common law, arising from alleged exposure to lead in relation to the Covered Product, up through the Effective Date.

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Product will develop or be discovered. This Settlement Agreement is expressly intended to cover and include all such claims up through the Effective

Date. Parseghian, in his capacity, expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.
