

# SETTLEMENT AND RELEASE AGREEMENT

## 1. INTRODUCTION

### 1.1 Parties

This Settlement Agreement is entered into by and between Consumer Rights Advocates, LLC (“CRA”) on the one hand, and H & T Seafood, Inc. (“H&T”) on the other hand, with CRA and H&T, each individually referred to herein as a “Party” and collectively as the “Parties.”

### 1.2 General Allegations

CRA alleges that H&T imports, distributes, and/or sells certain Shrimp Cracker products in California containing lead without warning under California Health and Safety Code sections 25249.5 *et seq.* (“Proposition 65”). Lead is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer, birth defects, or other reproductive harm.

### 1.3 Covered Product

The product covered by this Settlement Agreement is defined below. Such item shall be referred to herein as the “Covered Product”

- Crispy Shrimp Cracker BBQ-Seaweed, UPC No. 4-712487361968

### 1.4 Notice of Violation

On June 5, 2023, CRA served H&T and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the State of California, one (1) 60-Day Notice of Violation pursuant to Cal. Health & Safety Code § 25249.5, *et seq.*, Notice of Violation No. 2023-01573 (the “Notice”) alleging that H&T was in violation of Proposition 65 for failing to warn consumers and customers that the Covered Product exposed users in California to unlawful amounts of lead. To the best of the Parties’ knowledge, no public enforcer has commenced or is diligently prosecuting an action to enforce the violations alleged in the Notice.

### 1.5 No Admission

The Parties enter into this Settlement Agreement to settle the disputed claim between them as set forth herein and in the Notice. H&T denies the material factual and legal allegations in the Notice and maintains that all the products they have manufactured and/or distributed for sale in California, including the Covered Product, have been and are in compliance with Proposition 65 and all other applicable statutory, regulatory, common law, or equitable doctrines. Nothing in this Settlement Agreement shall be construed as an admission by H&T or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, licensors, joint venture partners, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by H&T or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, licensors, joint venture partners, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by H&T. Neither the existence nor terms of this Settlement Agreement shall

be offered or admitted as evidence in any administrative or judicial proceeding or litigation in any court, agency, or forum. This Section shall not, however, diminish or otherwise affect H&T's obligations, responsibilities, and duties under this Settlement Agreement.

## **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date on which a complete and fully executed copy of this Settlement Agreement is exchanged by the Parties' counsel.

## **2. INJUNCTIVE RELIEF: WARNINGS AND REFORMULATION**

As of the Effective Date, H&T shall not "distribute into the State of California," or directly sell in the State of California, any Covered Product that expose a person to more than 0.5 micrograms of lead per day based on the recommended serving size on the Covered Product's label, unless the Covered Product bears a warning meeting the warning requirements under Section 2.1 & 2.2.

For the purpose of this Settlement Agreement, exposure level shall be measured in micrograms and shall be calculated using the following formula: micrograms of lead per gram of product, multiplied by grams of product per serving of the product as stated on the label, multiplied by servings of the product per day stated on the label, which equals micrograms of lead exposure per day. If the label contains no recommended daily servings, then the number of recommended daily servings shall be one.

As used in this Settlement Agreement and Release, the term "Distribute into the State of California" shall mean to directly ship the Covered Product into California for sale in California or to sell the Covered Product to a distributor that H&T knows will sell the Covered Product in California.

### **2.1 CLEAR AND REASONABLE WARNINGS**

As of the Effective Date and to the extent that H&T is required to provide a warning, H&T agrees to provide a clear and reasonable warning on the Covered Product in compliance with the requirements of Proposition 65. This requirement shall only be required for Covered Product that is manufactured, distributed, marketed, imported, sold, shipped for sale, or offered for sale to consumers by H&T in the State of California.

The injunctive requirements of this Section shall not apply to any Covered Product that is already in the stream of commerce as of the Effective Date, which Covered Product is expressly subject to the releases provided in Section 4 of this Settlement Agreement.

### **2.2 GENERAL WARNING REQUIREMENTS**

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Product shall consist of a warning affixed to the packaging, label, tag, or directly to each of the Covered Product sold or distributed in California by H&T that contains one of the following warning statements:

**OPTION 1:**

**WARNING:** Consuming this product can expose you to chemicals, including Lead which is known to the State of California to cause birth defects or other reproductive harm. For more information, go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

OR

**OPTION 2:**

**WARNING:** Reproductive Harm – [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food)

The Warning shall be securely affixed to or printed upon the label of each product, and it must be set off from other surrounding information and enclosed in a box. In addition, the same warning shall be posted on any website under the exclusive control of H&T, where the Covered Product is sold directly to consumers located in California. The warning requirements of this section shall be satisfied if the forgoing warning appears either (a) on the same web page on which Covered Product is displayed and/or described by providing a clearly marked hyperlink using the word "WARNING"; (b) on the same page as the price for the Covered Product, or (c) on one or more web pages displayed to a purchaser prior to purchase during the checkout process.

The Warning shall be at least the same size as the largest of any other health or safety warnings also appearing on the website or on the label, and the word "WARNING" shall be in all capital letters and in bold print. No statements intended to or likely to have the effect of diminishing the impact of the Warning on the average layperson shall accompany the Warning. Further, no statements may accompany the Warning that state or imply that the source of the listed chemical has an impact on or results in a less harmful effect of the listed chemical. If the consumer information in the product is in a foreign language, the warning must also be in the foreign language.

**2.3. CHANGES IN WARNING REGULATIONS, STATUTES OR OTHER GOVERNING AUTHORITY**

In the event that (a) the Office of Environmental Health Hazard Assessment or another authorized agency promulgates one or more regulations, (b) legislation is enacted by the California legislature, United States Congress or the voters, or (c) a published opinion is issued by a court of competent jurisdiction in the State of California, requiring, permitting or establishing warning text and/or methods of transmission different than those set forth above or an alternative means of calculating exposure for purposes of Proposition 65 other than that set forth herein, H&T shall be entitled to use, at its discretion, such other warning text, method of transmission, or means of calculating exposure, without being deemed in breach of this Agreement. If regulations, legislation, or judicial rulings are enacted or issued providing that a Proposition 65 warning for the product is no longer required, a lack of warning will not thereafter be a breach of this Agreement.

## **4. CLAIMS COVERED AND RELEASED**

### **4.1 Release of H&T, Downstream Customers, and Upstream Vendors**

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Section 3 herein, CRA, on behalf of itself and its respective owners, principals, shareholders, officers, directors, employees, parents, subsidiaries, its past and current agents, representatives, attorneys, successors and/or assignees (collectively, the "Releasers"), hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and fully releases all claims relating to the Covered Product, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively, the "Claims"), against all of the following: (i) H&T, including, without limitation, its owners, subsidiaries, affiliates, doing-business-as entities (i.e., "DBAs"), sister and related companies, (ii) each of H&T's downstream distributors, and any other upstream or downstream entities in the distribution chain for the Covered Product, including, but not limited to, manufacturers, wholesalers, vendors, licensors, licensees, auctioneers, retailers, franchisees, dealers, shareholders, cooperative members, customers, owners, purchasers, third-party re-sellers, and users, and (iii) all employees, agents, indemnitees, shareholders, officers, directors, members, managers, equity owners, insurers, attorneys, predecessors, successors and assigns of the entities identified in subsections (i) and (ii) of this section 4.1. The persons and entities described in subsections (i), (ii), and (iii) of this section 4.1 are collectively referred to herein as the "Releasees."

CRA and its attorneys represent and warrant that they have not filed and are not contemplating filing, that they are not aware of any other person who has filed or is contemplating filing, and that they have not engaged and do not intend to engage in any advertising or solicitation to locate additional persons to file, any form of complaint against the Releasees.

#### **4.2 CRA's California Civil Code Section 1542 Waiver**

CRA, on behalf of itself and all other Releasors, acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

CRA, on behalf of itself and all other Releasors, expressly waives and relinquishes any and all rights and benefits that they may have under, or which may be conferred on them, by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that Releasors may lawfully waive such rights or benefits pertaining to the released matters. The Parties agree that compliance with the terms of this Settlement Agreement shall constitute compliance by any Releasee with Proposition 65.

#### **4.3 H&T's Release of CRA**

H&T waives any and all claims against CRA, its attorneys, and other representatives for any and all actions taken or statements made (or those that could have been taken or made) by CRA and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Covered Product.

#### **4.4 Binding Settlement Agreement**

This Settlement Agreement shall apply to, be binding upon, and inure to the benefit of CRA and the Releasees.

#### **4.5 Public Benefit**

It is the Parties' belief that the terms of this Settlement Agreement confer a significant benefit to the general public as set forth in California Code of Civil Procedure section 1021.5 and California Administrative Code title 11, section 3201. As such, it is the intent of the Parties that to the extent any other private party initiates an action alleging that the Covered Product is somehow in violation of Proposition 65, such private party action would not confer a significant benefit on the general public, so long as H&T is in material compliance with the terms of this Settlement Agreement.

### **5. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California

and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Covered Product, then H&T shall have no further obligations pursuant to this Settlement Agreement
