

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Ramy Eden (“Eden”) and Santiago Hills Auto Spa (“Santiago”). Eden and Santiago are collectively referred to as the “Parties.” Eden is an individual who resides in the State of California and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances present at commercial establishments as well as those contained in consumer products. Eden alleges that Santiago is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Eden alleges: Santiago exposed individuals to the chemical unleaded gasoline at the service station located at 8544 E. Chapman Avenue, in Orange, California without first providing individuals the health hazard exposure warning required by Proposition 65. Unleaded gasoline is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer.

1.3 Description of Subject Location. The location covered by this Settlement Agreement is the service station located at 8544 E. Chapman Avenue, in Orange, California (“Subject Location”).

1.4 Notice of Violation. On June 8, 2023, Eden served Santiago and various public enforcement agencies with a notice of violation regarding the Subject Location which was assigned Attorney General Number 2023-01632 (“Notice”). The Notice alleged that Santiago was in violation of California Health & Safety Code § 25249.6, for failing to provide the requisite warnings to customers and other individuals who came onto the premises of the Subject Location. To date, no public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. Santiago denies the material, factual, and legal allegations contained in the Notice and maintains that, to the best of its knowledge, the Subject Location has been, and is, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Santiago of any fact, finding, conclusion, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Santiago of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Santiago. However, this section shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Santiago maintains that it has not violated Proposition 65.

1.6 Effective Date. The term “Effective Date” shall mean the date on which Eden executes and returns this Settlement Agreement to Santiago.

2. INJUNCTIVE RELIEF: WARNINGS

2.1 Clear and Reasonable Warning. As of the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this § 2.1 must be provided at the Subject Location so long as Santiago is “doing business” (as that term is used in California Health and Safety Code section 25249.6) there. The warning shall consist of the following text:

 **WARNING:** Breathing the air in this area or skin contact with petroleum products can expose you to chemicals including benzene, motor vehicle exhaust and carbon monoxide, which are known to the State of California to cause cancer and birth defects or other reproductive harm. Do not stay in this area longer than necessary. For more information go to www.P65Warnings.ca.gov/service-station

The words “**WARNING:**” shall be in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the words “**WARNING:**” shall be a black exclamation point in a yellow equilateral triangle with a black outline. The symbol must be in a size no smaller than the height of the words “**WARNING:**”.

The warning shall be posted on a sign at each gas pump at the Subject Location and the warning must be printed in no smaller than 22-point type and be enclosed in a box. If other signage at the Subject Location is provided for the public in a language other than English, the warning must be provided in English and that other language.

2.2 Compliance with Warning Regulations. The Parties agree that Santiago shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2.1 of this Settlement Agreement or by providing warnings that comply with Health and Safety Code § 25249.6 or by complying with warning requirements adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”) after the Effective Date.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

Pursuant to California Health and Safety Code § 25249.7(b)(2), and in settlement of all the claims alleged in the Notice or referred to in this Settlement Agreement, Santiago shall pay \$3,000.00 (three thousand dollars) as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA

and the remaining 25% of the Penalty remitted to Eden. The Civil Penalty payments shall be delivered to the addresses identified in § 3.2, below.

Within thirty (30) days of the Effective Date, Santiago shall issue two additional checks to complete the Civil Penalty payment: another check made payable to “OEHHA” in the amount of \$1,125.00 (one thousand one hundred twenty-five dollars); and another check made payable to (b) “Ramy Eden” in the amount of \$375.00 (three hundred seventy-five dollars). 4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that Eden and his counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Eden and his counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the settlement of this matter. Under these legal principles, Santiago shall each reimburse Eden’s counsel for fees and costs incurred as a result of investigating and bringing this matter to Santiago’s attention and negotiating a settlement in the public interest in the total amount of sixteen thousand dollars (\$16,000.00). Within three (3) days of the Effective Date, Santiago shall issue one check payable to “Jarrett Charo APC” in the amount of eight thousand dollars (\$8,000.00) and deliver it to the address identified in § 8(a), below. Within thirty (30) days of the Effective Date, Santiago shall issue a second check payable to “Jarrett Charo APC” in the amount of eight thousand dollars (\$8,000.00) and deliver it to the address identified in § 8(a), below.

5. RELEASE OF ALL CLAIMS

5.1 Release of Santiago and affiliated entities. This Settlement Agreement is a full, final and binding resolution between Eden, acting solely on his own behalf, and Santiago of any violation of Proposition 65 that was or could have been asserted by Eden or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns (“Releasors”) against Santiago and each of its respective parents, subsidiaries, assigns, predecessors, successors, affiliated entities, directors, officers, members, marketplaces, employees, agents, and attorneys (“Releasees”), based on the alleged failure to warn about exposures to unleaded gasoline under Proposition 65 at the Subject Location up through the Effective Date, as alleged in the Notice.

Compliance with the terms of this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposures to unleaded gasoline at the Subject Location, as set forth in the Notice.

5.2 Santiago's Release of Eden. Santiago, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Eden, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Eden and/or his attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against them in this matter, or with respect to the Subject Location.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to alleged violations of Proposition 65 at the Subject Location will develop or be discovered. Eden on behalf of himself only, on one hand, and Santiago, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Eden, and Santiago acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.5. Public Benefit. It is Santiago's understanding that the commitments it has agreed to herein, and actions to be taken by it under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in California Code of Civil Procedure § 1021.5 and California Code of Regulations tit. 11, § 3201. As such, it is the intent of Santiago that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Santiago's alleged failure to provide Proposition 65 service station warnings at the Subject Location, such private party action would not confer a significant benefit on the general public as to the Subject Location addressed in this Settlement Agreement, provided that Santiago is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed, preempted, or is otherwise rendered inapplicable or limited by reason of law generally, or as to unleaded gasoline, then Santiago may provide written notice to Eden of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Subject Location is so affected.

8. NOTICES
