

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Ramy Eden (“Eden”) and Del Mar Petroleum, Inc. (“DMP”). Eden and DMP are collectively referred to as the “Parties,” and each individually as a “Party.” Eden alleges that DMP is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Eden alleges: DMP exposed individuals to the chemical unleaded gasoline at the service station located at 9020 Edinger Ave. in Fountain Valley, California without first providing individuals the health hazard exposure warning required by Proposition 65. Unleaded gasoline is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer. DMP denies these allegations.

1.3 Description of Subject Location. The location covered by this Settlement Agreement is the service station located at 9020 Edinger Ave. in Fountain Valley, California (“Subject Location”).

1.4 Notice of Violation and Court Action. On June 20, 2023, Eden served DMP and various public enforcement agencies with a notice of violation regarding the Subject Location which was assigned Attorney General Number 2023-01767 (“Notice”). The Notice alleged that DMP was in violation of California Health & Safety Code § 25249.6, for failing to provide the requisite warnings to customers and other individuals who came onto the premises of the Subject Location. To date, no public enforcer has diligently prosecuted the allegations set forth in the Notice. On or around March 18, 2024, Plaintiff filed a court complaint in the Superior Court of the State of California, County of Orange, against DMP alleging that it failed to provide the requisite warnings to customers and other individuals who came onto the premises of the Subject Location (“Complaint”). This court action was assigned court case number 30-2024-01387600-CU-CL-WJC (“Court Action”). DMP denies the allegations contained in the Notice and the Complaint. On August 26, 2024, the Court in the Court Action entered a default against DMP (“Default”).

1.5 No Admission. As stated above, DMP denies the material, factual, and legal allegations contained in the Notice and Complaint and maintains that, to the best of its knowledge, the Subject Location has been, and is, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by DMP of any fact, finding, conclusion, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by DMP of any fact, finding, conclusion,

issue of law or violation of law, such being specifically denied by DMP. However, this section shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, DMP maintains that it has not violated Proposition 65.

1.6 Effective Date. The term “Effective Date” shall mean the later of the date on which the Court approves this Settlement Agreement and the Court enters an order setting aside the Default against Defendant.

2. INJUNCTIVE RELIEF: WARNINGS

2.1 Clear and Reasonable Warning. DMP maintains that it no longer owns or operates a service station at the Subject Location. To the extent that DMP owns or operates a service station at the Subject Location on or after the Effective Date, DMP shall display a clear and reasonable exposure warning as set forth in this section 2.1. The warning shall consist of the following text:

WARNING: Breathing the air in this area or skin contact with petroleum products can expose you to chemicals including benzene, motor vehicle exhaust and carbon monoxide, which are known to the State of California to cause cancer and birth defects or other reproductive harm. Do not stay in this area longer than necessary. For more information go to www.P65Warnings.ca.gov/service-station

The words “**WARNING**” shall be in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the words “**WARNING**” shall be a black exclamation point in a yellow equilateral triangle with a black outline. The symbol must be in a size no smaller than the height of the words “**WARNING**”.

The warning shall be posted on a sign at each gas pump at the Subject Location and the warning must be printed in no smaller than 22-point type and be enclosed in a box. If other signage at the Subject Location is provided for the public in a language other than English, the warning must be provided in English and that other language.

2.2 Compliance with Warning Regulations. The Parties agree that DMP shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2.1 of this Settlement Agreement, providing warnings that comply with Health and Safety Code § 25249.6, or complying with any rules or regulations for warnings applicable to gas stations adopted by the State of California’s Office of Environmental Health Hazard Assessment (“**OEHHA**”) after the Effective Date.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

Pursuant to California Health and Safety Code § 25249.7(b)(2), and in settlement of all the claims alleged in the Notice or referred to in this Settlement Agreement, DMP shall pay a total of \$4,000.00 (four thousand dollars) as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Eden. The Civil Penalty payments shall be delivered to the addresses identified in § 3.2, below.

3.1 Date for Payment of Civil Penalty. Within three (3) days of the later of the Effective Date or receipt of IRS W-9 forms for Eden and OEHHA, DMP shall issue two separate payments for the Civil Penalty payment: one payment made by check payable to “OEHHA” in the amount of \$3,000.00 (three thousand dollars); and one check made payable to (b) “Ramy Eden” in the amount of \$1,000.00 (one thousand dollars). Each of the Civil Penalty payments shall be delivered to the addresses identified in § 3.2, below.

3.2 Payment Procedures.

(a) Issuance of Payments. Payments shall be delivered as follows:

(i) The payment owed to Eden, pursuant to § 3, shall be delivered to address set forth in Eden’s IRS Form W-9.

(b) Copy of Payment to OEHHA. DMP agrees to provide Eden’s counsel with a copy of the check payable to OEHHA, simultaneous with its penalty payments to Eden, which copy shall be

delivered to the address provided in § 8(a), as proof of payment to OEHHA.

(c) Tax Documentation. Eden agrees to provide IRS W-9 forms for, each of the following payees under this Settlement Agreement:

- (iii) “Office of Environmental Health Hazard Assessment” (EIN: 68-0284486) 1001 I Street, Sacramento, CA 95814.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that Eden and his counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Eden and his counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the settlement of this matter. Under these legal principles, DMP shall reimburse Eden’s counsel for fees and costs incurred as a result of investigating and bringing this matter to their attention and negotiating a settlement in the public interest in the total amount of \$17,000.00 (seventeen thousand dollars). Within three (3) days of the later of the Effective Date or receipt of the IRS W-9 form for Jarrett Charo APC, DMP shall issue one check payable to “Jarrett Charo APC” in the amount of \$17,000.00 (seventeen thousand dollars) and deliver it to the address identified in § 8(a), below.

5. RELEASE OF ALL CLAIMS

5.1 Release of DMP and affiliated entities. This Settlement Agreement is a full, final and binding resolution between Eden, acting solely on his own behalf, and DMP of any violation of Proposition 65 that was or could have been asserted by Eden or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns (“Releasers”) against DMP and its respective parents, subsidiaries, assigns, predecessors, successors, affiliated entities, directors, officers, members, marketplaces, employees, agents, and attorneys (“Releasees”), based on the alleged failure to warn about exposures to unleaded gasoline under Proposition 65 at the Subject Location up through the Effective Date, as alleged in the Notice and/or Complaint.

Compliance with the terms of this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposures to unleaded gasoline at the Subject Location, as set forth in the Notice and/or Complaint. Releasors hereby waive any and all claims against Releasees, for any and all actions taken or statements made (or those that could have been taken or made) by Releasees, relating to enforcement of Proposition 65 concerning exposure to Unleaded Gasoline (Wholly Vaporized) at the Subject Location.

5.2 Release of Eden. DMP on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors and/or assignees, hereby waive any and all claims against Eden, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Eden and/or his attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against them in this matter, or with respect to the Subject Location.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to alleged violations of Proposition 65 at the Subject Location will develop or be discovered. Eden on behalf of himself only, on one hand, and DMP, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Eden and DMP each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.5. Public Benefit. It is DMP's understanding that the commitments it has agreed to herein, and actions to be taken by it under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in California Code of Civil Procedure § 1021.5 and California Code of Regulations tit. 11, § 3201. As such, it is the intent of DMP that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to DMP's alleged failure to provide Proposition 65 service station warnings at the

Subject Location, such private party action would not confer a significant benefit on the general public as to the Subject Location addressed in this Settlement Agreement, provided that DMP is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed, preempted, or is otherwise rendered inapplicable or limited by reason of law generally, or as to unleaded gasoline, then DMP may seek modification of its warning obligations set forth in Section 2 of this Settlement Agreement by following the modification procedures set forth in Section 13 of this Settlement Agreement.

8. NOTICES

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement to any Party shall be in writing and personally delivered or sent to that Party—via: (i) email; (ii) first-class registered or certified mail with return receipt requested; or (iii) overnight or two-day courier—at the following addresses:

9. COUNTERPARTS: SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile, .pdf signature, or Docusign signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f), COURT APPROVAL, AND RETENTION OF JURISDICTION

Eden agrees to comply with the reporting requirements referenced in California Health & Safety Code § 25249.7(f). Eden shall file in the Court Action a motion for court approval of the Settlement Agreement. Pursuant to California Code of Civil Procedure section 664.6, the Parties hereby stipulate that the court, in the Court Action, shall retain jurisdiction over the Parties to enforce this Settlement Agreement. Should the Court not approve the Settlement Agreement and/or set aside the Default then the Settlement Agreement shall be void.

11. SATISFACTION OF FULL PAYMENT OBLIGATION PRECONDITION TO RELEASORS' RELEASE OF RELEASEES AND DISMISSAL OF THE COURT ACTION

Releasors' release of Releasees set forth in Section 5.1 above shall not become effective unless and until the payment obligations set forth in Sections 3 and 4 above are fully satisfied. Additionally, the Court Action shall not be dismissed unless and until the payment obligations set forth in Sections 3 and 4 above are fully satisfied. Within three (3) days of the full satisfaction of the payment obligations under Sections 3 and 4 above, Eden shall cause to be filed a request for dismissal of the Complaint, with prejudice.

12. STIPULATION TO SET ASIDE DEFAULT AND DEFAULT JUDGMENT AND DMP'S APPEARANCE IN THE COURT ACTION THROUGH COUNSEL

In conjunction with the execution of this Settlement Agreement, the Parties shall execute a stipulation that stipulates and requests that the Court in the Court Action set aside the Default against DMP and vacates Eden's Request for Entry of Default Judgment ("Stipulation"). Within three (3) court days of the Stipulation's full execution, Defendant shall file the Stipulation with the Court (and, if it has not already done so, contemporaneously with the filing of the Stipulation Defendant shall enter an appearance in this matter through counsel and pay its first appearance fee to the Court). Within sixty (60) days of entry of the Court's order approving the Stipulation, DMP shall file a responsive pleading in the Court Action. However, DMP shall be excused from filing a responsive pleading if the Court Action is dismissed with prejudice pursuant to the terms of the Settlement Agreement within sixty (60) days of the Court's order approving the Stipulation.

13. MODIFICATION

This Settlement Agreement may be modified only by a written agreement of the Parties and approval by the Court.

14. ENTIRE AGREEMENT

This Settlement Agreement contains the sole and entire agreement of the Parties and any and all prior negotiations and understandings related hereto shall be deemed to have been merged within it. No representations or terms of agreement other than those contained herein exist or have been made by any Party with respect to the other Party or the subject matter hereof.

15. AUTHORIZATION

The undersigned are authorized to execute this Settlement Agreement and have read, understood, and agree to each of the terms and conditions contained of this Settlement Agreement.
