

## SETTLEMENT AGREEMENT

### **1. INTRODUCTION**

#### **1.1 Parties**

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and Good To-Go, Inc. (“Good To-Go”), on the other hand, with EHA and Good To-Go each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that Good To-Go is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

#### **1.2 General Allegations**

EHA alleges that Good To-Go manufactures, sells, and/or distributes for sale in California, dehydrated meals products that contain lead and cadmium and that it does so without first providing the health hazard warning required by Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm. Cadmium is listed pursuant to Proposition 65 as a chemical known to cause birth defects or other reproductive harm.

#### **1.3 Product Description**

The products covered by this Settlement Agreement are defined as, and expressly limited to dehydrated meals, including but not limited to Kale and White Bean Stew, Smoked Three Bean Chili, and Pasta Marinara (“Covered Products”), that are manufactured, sold or distributed for sale in California by Good To-Go.

#### **1.4 Notice of Violation**

On or around July 24, 2023, EHA served Good To-Go, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (“Notice”) alleging that Covered Products sold in California caused an exposure to lead and cadmium without providing a Proposition 65 warning.

On or around July 27, 2023, EHA served Good To-Go, the California Attorney General, and certain other public enforcement agencies with an amended 60-Day Notice of Violation of Proposition 65 alleging that Covered Products sold in California cause an exposure to lead and cadmium without providing a Proposition 65 warning (the “Amended Notice”). Collectively, the Notice and the Amended Notice are referred to hereafter as the “Notices.”

To the best of the parties’ knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notices.

### **1.5 No Admission**

Good To-Go denies the material, factual, and legal allegations in the Notices and maintains that all of the products it sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Good To-Go of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Good To-Go of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Good To-Go. This Section shall not, however, diminish or otherwise affect Good To-Go's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Settlement Agreement is executed by the Parties.

### **1.7 Compliance Date**

For purposes of this Settlement Agreement, the term “Compliance Date” shall mean ninety (90) days following the execution of this Settlement Agreement by the Parties.

## **2. INJUNCTIVE RELIEF**

### **2.1 Reformulation Standards**

Beginning on the Compliance Date, Good To-Go shall be permanently enjoined from manufacturing, distributing, or directly selling in the State of California any Covered Product that exposes a person to a “Daily Lead Exposure Level” of more than 0.5 micrograms of lead per day or a “Daily Cadmium Exposure Level” of more than 4.1 micrograms of cadmium per day, using tests

performed by a laboratory accredited by the State of California, a federal agency, or a nationally recognized accrediting organization using LC-MS/MS (Liquid Chromatograph-Mass Spectrometry), unless such Covered Products comply with the warning requirements of Section 2.2. As used in this Section 2, “distributing for sale in California” means to directly ship Covered Products into California or to sell Covered Products to a distributor Good To-Go, Inc. knows will sell Covered Products in California.

## **2.2 General Warning Requirements**

Commencing on the Compliance Date, Good To-Go agrees that any Covered Product sold that does not or may not satisfy the Reformulation Standards in Section 2.1 shall contain a Proposition 65 warning.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning provided via a link on the packaging of each Covered Product sold in California by Good To-Go. The link shall directly take consumers to a webpage on which a Proposition 65 warning is provided. The web page shall provide one of the following statements:

**1) WARNING:** Consuming this product can expose you to chemicals including lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

OR

**2) WARNING:** Cancer and Reproductive Harm – [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

The link to the warning shall be prominently displayed on the Covered Products, on the packing of the Covered Products, or on a placard, shelf tag, or sign provided that the statement is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. The link to the warning must be in a type size no smaller than the largest type size used for other consumer information on the product. In no case shall the link to the warning on the Covered Products’

packaging appear in a type size smaller than 6-point type. Such warning shall constitute compliance with Proposition 65 with respect to alleged lead and cadmium in the Covered Products for any Covered Products in existing inventory that had not been reformulated and were distributed and/or sold by Good To-Go or any of the Releasees after the Compliance Date. There shall be no obligation for Good To-Go to provide a warning for Covered Products that entered the stream of commerce prior to the Compliance Date, and the Section 4 release applies to all such Covered Products.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Products and the chemical at issue, which are different than those set forth above, Good To-Go shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead in this product are no longer required, or if a court of competent jurisdiction finds that Proposition 65 for exposures to lead in food products are no longer required, a lack of warning by Good To-Go will not thereafter be a breach of this Agreement. Good To-Go shall instruct any third-party website to which it sells its Covered Products to include the same warning as a condition of selling the Covered Products.

**2.3 Grace Period for Existing Inventory of Covered Products**

The injunctive requirements of Section 2 shall not apply to Covered Products that are already in the stream of commerce as of the Compliance Date, which Covered Products are expressly subject to the releases provided in Section 4.1 and Section 4.3. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture. Good To-Go may demonstrate that a Covered Product was in the stream of commerce as of the Compliance Date with information including, but not limited to, the Covered Product's "best by date" and/or lot number.

**3. MONETARY SETTLEMENT TERMS**

**3.1 Civil Penalty Payment**

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Good To-Go agrees to pay two thousand (\$2,000.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by EHA. Good To-Go shall issue two separate checks for the initial civil penalty payment to (a) OEHHA and (b) Environmental Health Advocates, Inc. as follows:

- One payment of \$1,500.00 to OEHHA, due 30 (thirty) days after the Effective Date.
- One payment of \$500.00 to EHA, due 30 (thirty) days after the Effective Date.

### **3.2 Attorney Fees and Costs**

The Parties reached an accord on the compensation due to EHA and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Good To-Go agrees to pay twenty-eight thousand dollars (\$28,000.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter the attention of Good To-Go, and negotiating a settlement. The twenty-eight thousand dollars (\$28,000.00) in Attorney's Fees and Costs shall be payable to Entorno Law, LLP as follows:

- One payment of \$5,500.00, due thirty (30) days after the Effective Date.
- One payment of \$7,500.00, due sixty (60) days after the Effective Date.
- One payment of \$7,500.00, due ninety (90) days after the Effective Date.

All payments required under this Section shall be delivered to:

### **3.4 Tax Documentation**

Good To-Go agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The Parties acknowledge that Good To-Go cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after Good To-Go receives the requisite W-9 forms from EHA's counsel.

## **4. CLAIMS COVERED AND RELEASED**

### **4.1 EHA's Release of Good To-Go**

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf and not on behalf of the public, and Good To-Go for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against Good To-Go and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, and any entity, including, but not limited to each entity to whom Good To-Go

directly or indirectly distributes or sells the Covered Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees (“Releasees”), based on the actual or alleged failure to warn about exposures to lead and cadmium required under Proposition 65 in the Covered Products manufactured, sold or distributed for sale in California by Good To-Go before the Compliance Date, as alleged in the Notice, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Good To-Go and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to lead and cadmium required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by Good To-Go, before the Compliance Date.

#### **4.2 Good To-Go's Release of EHA**

Good To-Go, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

#### **4.3 California Civil Code Section 1542**

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and Good To-Go on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up

through the Compliance Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

EHA and Good To-Go each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

## **5 PUBLIC BENEFIT**

It is Good To-Go's understanding that the commitments it has agreed to herein, and actions to be taken by Good To-Go under this Settlement Agreement, confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Good To-Go that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to Good To-Go's alleged failure to provide a warning concerning actual or alleged exposure to lead and/or cadmium prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that Good To-Go is in material compliance with this Settlement Agreement.

## **6. MUTUAL RESCISSION**

If, before the 61<sup>st</sup> day after the 60-Day Notice period, as that date would be calculated for service of a document pursuant to the provisions of Code of Civil Procedure Section 1013 (i.e., 61 days after July 27, 2023, adjusting for time for service), the California Attorney General files its own enforcement action regarding the Covered Products, this Agreement shall become immediately null and void upon such filing.

7. **SEVERABILITY**

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

8. **GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

9. **ENFORCEMENT**

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

10. **NOTICE**

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:

**11. COUNTERPARTS; FACSIMILE SIGNATURES**

This Settlement Agreement may be executed in counterparts and by facsimile or portable document format (PDF) signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

**12. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)**
